W. Ian Thomas

If I Perish I Perish:

If I Perish, I Perish W. Ian Thomas, 2014-03-18 *If I Perish I Perish* examines the Christian life through the lens of an allegorical interpretation of the Old Testament book of Esther. The character of Esther, representative of the human spirit, depicts that the call of the Lord Jesus on the Christian is to be crucified with Christ and become alive in the Spirit. **If I**

Proceedings ... National Speech Arts Association, 1898 *Poems* Christina Rossetti, 2024-03-07 *Poems* by Christina G. Rossetti is an affirmative and deeply introspective collection that showcases the Victorian poet's rich emotional depth and keen observations on life, love, and spirituality. Published during the 19th century, Rossetti's work stands as a significant contribution to Victorian poetry, characterized by its lyrical beauty and profound reflections. In this collection, readers can expect a range of poems that explore themes such as love, nature, faith, and the complexities of human emotions. Rossetti, known for her exquisite use of language and symbolism, likely weaves together verses that evoke both the tangible and the spiritual aspects of existence. The title *Poems* suggests a comprehensive anthology that brings together a diverse array of Rossetti's poetic expressions. This collection is likely to include some of her most celebrated works, such as *Goblin Market* and *In the Bleak Midwinter*, alongside a variety of other lyrical gems. *Christina Rossetti and the Bible* Elizabeth

Ludlow, 2014-10-23 Through theologically engaged close readings of her poetry and devotional prose, this book explores how Christina Rossetti draws on the Bible and encourages her Victorian readers to respond to its radical message of grace. Structured chronologically, each chapter investigates her participation in the formation of Tractarian theology and details how her interpretative strategies changed over the course of her lifetime. Revealing how her encounter with the biblical text is informed by devotional classics, *Christina Rossetti and the Bible* highlights the influence of Thomas à Kempis, John Bunyan, George Herbert, and John Donne, and describes how Rossetti adapted the teaching of the Ancient and Patristic Fathers and medieval mystics. It also considers the interfaces that are established between her devotional poems and the anthology and periodical pieces alongside which they were published throughout the second half of the nineteenth century. **When the Lily Blooms** Jayne E. Kane, 2012-05-29 Imagine your life coach sitting on one side and Father God sitting on the other side of you. In *When the Lily Blooms*, author Jayne Kane communicates that God can restore you through His Word and His love for you. *When the Lily Blooms* provides a message of hope and encouragement through biblical truths found throughout the Bible that still apply today. Personal examples of God's love, faithfulness, and sovereignty during Jayne's life opportunities to study how biblical characters experienced and overcame the same challenges you face today, practical coaching concepts and questions to help you apply the principles to real life, easy-to-memorize Bible verses to rely on in the journey of life, personal words of encouragement from God. As you read and reflect about the themes of simplicity, solitude, silence, and surrender, you will experience spiritual, emotional, and physical restoration, a sense of God's presence as never before experienced, and the

desire to make real and lasting changes so you will be able to bloom the way God intended *Goblin Market, The Prince's Progress, and Other Poems. With Four Designs by D. G. Rossetti. New Edition* Christina Georgina Rossetti, 1875 **Poems: an Offering to Lancashire** Isa Craig, 1863 *Poems* Christina Georgina Rossetti, 1908 **Christina Rossetti** Constance W. Hassett, 2005 Although the cultural and literary influence of Christina Rossetti has recently been widely acknowledged the belatedness of this critical attention has left wide gaps in our understanding of her poetic contribution Often focusing solely on her early work and neglecting her later volumes many critics minimized her relevance by measuring her stature through either her early poems or her relationships with well known Victorian literary figures In *Christina Rossetti The Patience of Style* Constance W Hassett argues against this diminishment by reopening Rossetti's canon challenging both critics and readers to trade their silent appreciation of her most familiar verse for a patient and active scrutiny of her body of work which contains some of the finest lyric poetry of the nineteenth century Keeping her primary focus on the poems themselves Hassett traces Rossetti's career through her five poetry collections *Goblin Market and Other Poems* 1862 *The Prince's Progress and Other Poems* 1866 *Sing Song A Nursery Rhyme Book* 1872 *A Pageant and Other Poems* 1881 and *Verses* 1893 In a comprehensive account of Rossetti's evolving style and genre Hassett analyzes the strengths and failures of the poetry its attention to the resources of rhythm and the shifts of diction its momentum and reserve and the rationale for its revision The book also explores Rossetti's innovative poetry for children her daring reconfiguration of religion and poetry in a late life commentary on the Apocalypse and the influences both of female precursors she admired and outgrew and of the male circle of Pre Raphaelite poets For art historians of the Pre Raphaelites scholars of women's writing and gender studies students of children's literature and researchers in religious studies not to mention readers in Victorian poetry Christina Rossetti *The Patience of Style* will serve as an indispensable and eye opening guide *If I Perish, I Perish* W.
