If I Can Anybody Can:

"If I Can, You Can!" Constance Turner, 2006-05-11 Behind the closed door of many marriages lurks terrifying abuse and now there's a brave new book written by a woman who not only lived through it but survived and triumphed. Teen bride and mother Constance Turner is determined to be the perfect spouse for her husband Roy. But shortly after the birth of their child the man of her dreams becomes the man of her nightmares and their love turns deadly. Jealous and manipulative Roy's vicious tormenting grows so cruel that he encourages her to smother her ill father and is unbelieving when she refuses. Violent and abusive he crushes her self-esteem so that her only recourse is to pretend that everything is fine and hide her pain from the world. But when Roy's rage targets their grandchild something finally snaps and a desperate Constance Turner begins the slow road back to healing and to herself. Written as a collection of narrative events *If I Can You Can* unfolds with undeniable power painting a heart-wrenching portrait of the vicious pain and betrayal of domestic abuse. A testament to the strength of one extraordinary woman's spirit this courageous story offers bold encouragement to all abused women and to the men who abuse them to reach for the help they need to open their hearts and to finally start to heal their lives. **If I Can, You Can**

Dr. Ruth Hayes, 2022-09-06 BLURB Dr. Ruth Carter Hayes feels and believes that you can do whatever you set your mind to. *If I Can You Can* is based on a true story about Dr. Hayes's life as she was growing up in New Jersey. She dropped out of school, had to get married, had children, and started working. She had to learn how to trust and believe in God all over again. She had to bring God back into her life as well as her children's life. Through God everything is possible. You only have to trust and believe. *If I Can You Can Learn English Too!* Mohammed

If You Can't Be Better Than an N-Word, Then Who Can You Be Better Than? Thomas Sass, 2012-11 America's elites utilize the divide and conquer strategy and with African Americans they have found their first target Centuries of brainwashing have instilled a superiority high in many whites and at the same time placed blacks in less than positions I intend to show to what extent Apartheidism and the less than culture affect blacks in several different environments such as how the criminal justice system is used to marginalize and criminalize blacks at rates disproportionate to their population Even the sports world can be more problematic for blacks than for non blacks I will present people and events that will show the double standards society has been led to not only accept but to expect and just how easily we seem to have been manipulated Most and perhaps none of which could have been so relatively easily accomplished if the drug of superiority did not cloud our perceptions
