Illness And Self In Society

John P. Hewitt

Illness And Self In Society:

Illness and Self in Society Claudine Herzlich, Janine Pierret, 1987 Is the way in which we perceive illness a development of the nineteenth century when the calamitous epidemics of earlier times gave way to the new scourge of tuberculosis The authors take an extraordinarily wide ranging and provocative look at illness as a social phenomenon from the Middle Ages to the present and uncover the multiple ideas and realities behind what we have come to call a sick person Drawing upon the history of medicine and mentalities on literary representations as well as on hundreds of conversation with people suffering from or living with disease the authors have explored the very different ways in which every society structures illness and the status of the ill in accord with its own values And they have explicated the changing ways in which the sick have perceived the presence of illness in their own bodies have absorbed the medical knowledge of their time and have sought to give meaning to their sufferings From Book Jacket Exploring Self and Society Rosamund Billington, Sheelagh Strawbridge, Jenny Hockey, 1998-06-24 This text addresses contemporary society in an immediate and thought provoking manner and will be a timely and topical introduction to the dynamic and critical dimensions of sociology It adopts a broad social science approach which reflects both the authors competencies and also the widening and overlaying boundaries of the social sciences Starting with the problem oriented agenda of the social sciences it explores the tensions between structure agency and process via the idea of a structure bound and yet creative and participatory self Self and Society Nevitt Sanford, 2017-07-12 How does his social environment change an individual and why do these changes occur Can social institutions be shaped and molded profoundly enough to afford each member of a society his maximum potential for happiness effective functioning and complete development In this new work a distinguished psychologist evolves a theory of personality and society designed to help guide the work of institutions responsible for individual growth and development Drawing on his vast experience as an educator a prison psychologist a practicing psychoanalyst and as the director of major studies in child development personality assessment the social psychology of higher education and alcoholism and related problems Professor Sanford has designed a developmental model intended to guide work in institutions which mold the individual from family through schools colleges child guidance clinics and mental hospitals With exceptional lucidity he examines the central issues in furthering desirable change through intervention in individual and group processes He achieves notable advances in integrating personality theory and sociological theory he joins psychoanalytic ego psychologists and other personality theorists in developing a dynamic organismic theory broader than that of classical psychoanalysis and more in keeping with contemporary social theory The author s clear style and firm grasp of his subject add further to the significance of Self and Society It will be a stimulating textbook in social psychology personality and culture and personality and will make indispensable reading for behavioral scientists psychiatrists and educators as well as for all professionals who work to promote mental health education and social welfare Body, Self, and Society Anne E. Becker, 2013-11-25 Anne E

Becker examines the cultural context of the embodied self through her ethnography of bodily aesthetics food exchange care and social relationships in Fiji She contrasts the cultivation of the body self in Fijian and American society arguing that the motivation of Americans to work on their bodies shapes as a personal endeavor is permitted by their notion that the self is individuated and autonomous On the other hand because Fijians concern themselves with the cultivation of social relationships largely expressed through nurturing and food exchange there is a vested interest in cultivating others bodies rather than one s own

The Existential Self in Society Joseph A. Kotarba,Andrea Fontana,1987-07-28 The Existential Self in Society explores the ways in which we experience and shape our individuality in a rapidly changing social world Kotarba and Fontana have gathered eleven original essays that form an exciting contribution and an ideal introduction to the emerging field of existential sociology

The Self and Society in Aging Processes Carol D. Ryff, PhD,Victor W. Marshall, PhD,1999-06-23 This volume focuses on the experience of growing old as it is linked to societal factors Ryff and Marshall construct this macro view of aging in society by bridging disciplines and brining together contributors from all the social sciences The book is organized into three sections theoretical perspectives socioeconomic structures and contexts of self and society Leading psychologists anthropologists gerontologists and sociologists present theoretical and empirical advances that forge links between the individual and the social aspects of aging It is must reading for researchers in all gerontologic specialties and a valuable text for graduate courses in human development psychology of aging and other social aspects of aging

Health and Illness Michael Bury,2005-03-04 Health and illness underpin our everyday existence Health allows us to live full lives and to function as social beings illness disrupts our lives sometimes seriously But health not only affects individuals it also impacts upon society as a whole Medical breakthroughs and scandals health scares and health service problems all vie for the attention of politicians and public alike Michael Bury provides a lively introduction to the sociology of health and illness for students approaching the topic for the first time Drawing on classic writings and up to date research he discusses the conceptualization and patterning of health and illness in contemporary society He highlights a range of factors such as gender age ethnicity and class which influence the occurrence and distribution of illness over time The book then focuses on debates about the body the role of health services and the politics of health policy In conclusion Bury argues that we must take a dynamic view of health and illness as processes that are shaped by social circumstances and altering perceptions This short introduction will be essential reading for all students studying the sociology of health as part of their degree programme

Semiotics, Self, and Society Benjamin Lee,Greg Urban,2015-03-30 No detailed description available for Semiotics Self and Society

The Culture of Mental Illness and Psychiatric Practice in Africa Emmanuel Kwaku Akyeampong,Allan G. Hill,Arthur Kleinman,2015-05-01 In many African countries mental health issues including the burden of serious mental illness and trauma have not been adequately addressed These essays shed light on the treatment of common and chronic mental disorders including mental illness and treatment in the current climate of economic and political

instability access to health care access to medicines and the impact of HIV AIDS and other chronic illness on mental health While problems are rampant and carry real and devastating consequences this volume promotes an understanding of the African mental health landscape in service of reform

Self-Help Groups for Parents of Children with Intractable Diseases Tomofumi Oka, 2003-09 The purpose of this dissertation is to examine the organisational problems and in particular the leadership problems of self help groups in Japan for parents whose children have intractable diseases Since 1993 I have been involved with these parent groups and have conducted three sorts of qualitative interview thirteen informal conversational interviews four focus group interviews and fourteen guided interviews involving the members of twenty one parent groups Part of the research was carried out as participatory action research in which a research team was formed and authorised by the parent groups My findings have shown that the groups most serious problems lay not outside their groups but within with the shortage of suitable leaders who volunteered in the activities Three different sorts of account were given concerning the leadership shortage They included justification accusation and exposure the participants claimed that taking care of ill children caused the leadership shortage selfish members created it or the determination of older leaders to remain at the helm prevented new members from becoming leaders Cognitive maps have been drawn of these situations I have explained the theories behind the free rider and social loafing problems and the leadership traps confronting the parent groups and have applied attribution theory to the results I have discussed the practicality of consultation for group leaders and argued that organisational socialisation should be activated in the parent groups while propounding the island within a lake model of parent groups Methodologically I have discussed social research within Japanese culture and the ethical issues pertain to participatory action research

Enhancing Client, Family, and Community Health Management: Self, Society, State, Systems, and Spirituality Qidwai, Minhaj A., 2025-07-02 Effective health management goes beyond individual care to encompass the well being of families communities and broader societal systems As healthcare systems evolve a holistic approach that integrates the perspectives of self society and state becomes vital for improving health outcomes This approach emphasizes the interconnectedness of individual health family support community resources and the role of governmental and organizational frameworks in promoting public health Internalization of these four aspects are essential to find the essence and meaning of client family and community management This brings the fifth aspect of 5Ss the Spirituality By focusing on the collaboration between these five pillars self society state systems and spirituality health management strategies can be more comprehensive accessible and sustainable Further exploration into how enhanced health management can create resilient and equitable health outcomes for clients families and communities may foster a more proactive approach to healthcare

Enhancing Client Family and Community Health Management Self Society State Systems and Spirituality explores the integration of social governmental systemic and personal practices into healthcare management It examines concepts that challenge conventional healthcare management applications and presents new skills to address

clinical and societal healthcare challenges This book covers topics such as government and law healthcare systems and sociology and is useful resource for government workers sociologists business owners healthcare managers academicians scientists and researchers *Self-Injury, Medicine and Society* Amy Chandler,2016-09-23 This book provides an appreciative sociological engagement with accounts of the embodied practice of self injury It shows that in order to understand self injury it is necessary to engage with widely circulating narratives about the nature of bodies including that they are separate from yet containers of emotion Using a sociological approach the book examines what self injury is how it functions and why someone might engage in it It pays close attention to the corporeal aspects of self injury attending to the complex ways in which lived experience is narrated By interrogating the way in which healthcare and psychiatric systems shape our understanding of self injury *Self Injury Medicine and Society* aims to re invigorate traditional discourse on the subject Combining analytical theory with real life accounts this book provides an engaging study which is both thought provoking and informative It will appeal to an interdisciplinary readership and scholars in the fields of medical sociology and health studies in particular **Mental Illness, Culture, and Society: Dealing With the COVID-19 Pandemic**

Mohammadreza Shalbafan,Renato de Filippis,Samer El Hayek,2022-12-01 Will Self and Contemporary British Society G. Matthews,2016-04-08 This stimulating and comprehensive study of Will Self s work spans his entire career and offers insightful readings of all his fictional and non fictional work up to and including his Booker prize nominated novel *Umbrella*

Self-Medication and Society Sylvie Fainzang,2016-11-03 The question of recourse to self medication arises at the intersection of two partly antagonistic discourses that of the public authorities who advocate the practice primarily for economic reasons and that of health professionals who condemn it for fear that it may pose a danger to health and dispossess the profession of expertise This books examines the reality of self medication in context and investigates the social treatment of the notion of autonomy ever present in the discourses promoting this practice Drawing on fieldwork conducted in France the author examines the material cognitive symbolic and social dimensions of the recourse to self medication considering the motivations and practices of the subjects and what these reveal about their relationship with the medical institution while addressing the question of open access to medicines a subject of heated debate between the actors concerned on themes such as competence knowledge and responsibility A rigorous analysis of the strategies adopted by individuals to manage the risks of medicines and increase their efficacy *Self Medication and Society* will appeal to sociologists and anthropologists with interests in health illness the body and medicine **Research Handbook on Society and Mental Health** Marta

Elliott,2022-12-13 This engaging Research Handbook offers a comprehensive overview of research on social factors and mental health examining how important it is to consider the social context in which mental health issues arise and are dealt with in the mental health care system It illustrates how social factors affect the interactive process of psychiatric diagnosis and how society responds to people who are labelled as mentally ill **Self and Society** John P. Hewitt,1988 **Health**

and Canadian Society David Coburn, Carl D'Arcy, George Murray Torrance, 1998-01-01 Health and Canadian Society provides a comprehensive overview of the relationship between health care and Canadian society. It is a wide-ranging volume that moves from personal and micro concerns to a more macro and institutional focus. It includes chapters of a descriptive nature and others with a more explanatory intent. They have been selected from the major journals or have been expressly written for this book. Ninety-five percent of the contributions are new to this edition. The chapters and the studies reported on are methodologically diverse, ranging from ethnographic studies to statistical analyses of data from large national surveys. Though the chapters are written by anthropologists, economists, historians, political scientists, and physicians as well as sociologists, they all have a sociological turn. Recognized as the standard textbook on the sociology of health in Canada, *Health and Canadian Society* is an essential reference for sociologists, health care providers, health administrators, and policy planners.

Beyond these Walls: Confronting Madness in Society, Literature and Art Helen Goodman, Bernadette V. Russo, Joana Zózimo, 2019-01-04 This volume was first published by Interdisciplinary Press in 2013. This rich and diverse collection probes the boundaries of madness across an array of international, historical, and disciplinary contexts, illuminating themes including power, surveillance, confinement, liberation, and creativity.

Speaking of Sadness David Allen Karp, 1997 Combining a scholar's care and thoroughness with searing personal insight, Karp brings the private experience of depression into sharp relief, drawing on a remarkable series of intimate interviews with 50 depressed men and women. This important book pierces through the terrifying isolation of depression to uncover the connections linking the depressed as they undertake their personal journeys.

Decoding **Illness And Self In Society**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Illness And Self In Society**," a mesmerizing literary creation penned with a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Illness And Self In Society full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a

wide range of Illness And Self In Society eBooks, including some popular titles.

FAQs About Illness And Self In Society Books

What is a Illness And Self In Society PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Illness And Self In Society PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Illness And Self In Society PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Illness And Self In Society PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Illness And Self In Society PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
