The Devil's Presence: A Novel James Oliver Goldsborough, 2023-05-02 Can fiction save us Is there hope for America in the time of Trump pandemics QAnon and the end of genuine political discourse What better than this perfectly told novel to tell the story of so many of us to ourselves as we seek hope and solace in terrible times Andy McKnight had never seen anything like it nobody had The election of this man was breaking up families across the nation wives and husbands children and parents lifelong friends the fabric of American social life torn apart as it hadn't been since the Civil War The venom even seeped into his own happy home Then came the pandemic two plagues at once even in the Bible they were one at a time He tried escaping into the past back to better times but Max and Elly an old man and a young girl he met on the streets of Santa Monica jolted him back to reality With others like them mad as hell and not going to take it anymore maybe it wasn't too late after all
