Sean Pue, 2014-08-08 I Too Have Some Dreams explores the work of N M Rashed Urdu's renowned modernist poet whose career spans the last years of British India and the early decades of postcolonial South Asia A Sean Pue argues that Rashed's poetry carved out a distinct role for literature in the maintenance of doubt providing a platform for challenging the certainty of collective ideologies and opposing the evolving forms of empire and domination This finely crafted study offers a timely contribution to global modernist studies and to modern South Asian literary history Each Love Looks Like a Unique Finger Print for True Lovers Mesut Selvi, 2010 With the unique poems and comments manifestos of this book you will travel among loves feelings excitements and mixed sensations of lovers who you have seen witnessed or heard around you or different parts of the world Poems comments will also be a translator of your feelings and thoughts Voices in Verses Farhat Hasan, 2024-11-21 This book opens up an archive of women's verses found in the extant but overlooked women's biographical compendia tazkira i zenana written in the nineteenth century As commemorative texts these compendia written in Urdu draw our attention to their memories celebrated and contested in cultural spaces In drawing connections between memory and literature this study contests the commonplace assumption that the literary public sphere was markedly homosocial and gender exclusive and argues instead that the women poets coming from a wide variety of social groups

actively participated in shaping the norms of aesthetics and literary expression they introduced fresh signifiers and signifying practices to apprehend their emotions experiences and world views This work suggests that the women s tazkiras performed an act of epistemic disobedience contesting not only the British imperial representations of India but also the Indo Muslim modern reformers on issues of domesticity conjugal companionship and love and desire

Sufi Aesthetics Cyrus Ali Zargar,2013-05-22 Sufi Aesthetics argues that the interpretive keys to erotic Sufi poems and their medieval commentaries lie in understanding a unique perceptual experience Using careful analysis of primary texts Cyrus Ali Zargar explores the theoretical and poetic pronouncements of two major Muslim mystics Muhyi al Din ibn al Arabi d 1240 and Fakhr al Din Iraqi d 1289 under the premise that behind any literary tradition exist organic aesthetic values The complex assertions of these Sufis appear not as abstract theory but as a way of seeing all things including the sensory world The Sufi masters Zargar asserts shared an aesthetic vision quite different from those who have often studied them Sufism s foremost theoretician Ibn Arabi is presented from a neglected perspective as a poet aesthete and lover of the human form Ibn Arabi in fact proclaimed a view of human beauty markedly similar to that of many mystics from a Persian contemplative school of thought the School of Passionate Love which would later find its epitome in Iraqi one of Persian literature s most celebrated poet saints Through this aesthetic approach this comparative study overturns assumptions made not only about Sufism and classical Arabic and Persian poetry but also other uses of erotic imagery in Muslim approaches to sexuality the human body and the paradise of the afterlife described in the Qur an

Othello and A Midsummer Night's Dream Roy Lancaster,2022-12-16 Cunningly and little by little Iago begins to undermine Othello s faith in Desdemona s fidelity whilst appearing to be reluctant to say anything at all So speak to me your feelings the good as well as bad Oh my Lord replied Iago such an order makes me sad For although in acts of duty in every way I m bound As a man who s free I am not bound to give my thinking sound Why say my thoughts were vile and false as thoughts can oft times be What if I were mistaken Sir would you then take note of me Why then build a troubled mind with what is vague unsure It would not serve your interest so do not press me I implore My interest Othello asked What is it that you mean I ll explain Sir said Iago let me set for you a scene Steal the purse of a man or woman very little have they lost But steal from them their good name and they cannot count the cost

Exploring Gender and Sikh Traditions Doris R. Jakobsh,2021-09-01 This volume

gathers scholars who focus on gender through a variety of disciplines and approaches to Sikh Studies The intersections of religion and gender are here explored based on an understanding that both are socially constructed Far from being static as so often presented in world religions textbooks religious traditions are constantly in flux responding to historical cultural and social contexts So too is the Sikh tradition in terms of practices ideologies rituals and notions of identity We here conclude that a Sikh tradition does not exist instead there are numerous forms thereof In this volume Sikhism is presented as a collection of Sikh traditions Gender studies in line with women s liberation masculine and feminist studies have long examined and have long deconstructed the patriarchy but also move to identify other subordinate dominant relations between individuals Indeed there are numerous forms of discrimination and power structures that simultaneously create a multiplicity of oppression Intersectionality has become the basis of an increasingly systematized production of contemporary discourses on feminism and gender analysis as is evidenced by the varied contributions in this volume
