Legislating Morality Is It Wise Is It Legal Is It Possible:

Legislating Morality Norman L. Geisler, Frank Turek, 2003-02-12 America's moral decline is not secret. An alarming number of moral and cultural problems have exploded in our country since 1960, a period when the standards of morality expressed in our laws and customs have been relaxed, abandoned, or judicially overruled. Conventional wisdom says laws cannot stem moral decline. Anyone who raises the prospect of legislation on the hot topics of our day—abortion, family issues, gay rights, euthanasia—encounters a host of objections. As long as I don't hurt anyone, the government should leave me alone. No one should force their morals on anyone else. You can't make people be good. Legislating morality violates the separation of church and state. Legislating Morality answers those objections and advocates a moral base for America without sacrificing religious and cultural diversity. It debunks the myth that morality can't be legislated and amply demonstrates how liberals, moderates, and conservatives alike exploit law to promote good and curtail evil. This book boldly challenges prevailing thinking about right and wrong and about our nation's moral future. *Legislating Morality* Norman; Turek Geisler (Frank), 1998

Reasons for Faith (Foreword by Lee Strobel) Norman L. Geisler, Chad V. Meister, 2007-10-26 Many Christians want to witness for their faith, but they are afraid they will not be able to answer questions that others may ask of them. First Peter 3:15 reminds believers to always be prepared to make a defense to anyone who asks you for a reason for the hope that is in you. Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith. Their book *Reasons for Faith* gives believers grounded biblical apologetics to help them defend their faith. By covering the importance of apologetics and then applying apologetics to popular culture and theological issues, these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today's society. **A Visual Guide to Biblical**

Apologetics Joseph M. Holden, Sarah R. Enterline, 2024-10-15 Sharing Your Faith Just Got Easier. The intersection of Christianity and secular culture is commonly filled with disagreement, tension, and complicated issues, leading many Christians to avoid talking about their faith entirely. But when we discover the astounding ways Christianity is both true and transformative, the goal of apologetics—everything changes. Clear, concise, and easy to use, this introductory guide to apologetics takes the fear out of sharing your faith and biblical truth. As a visual guide, this one-of-a-kind resource features engaging infographics, charts, and tables that make difficult concepts a breeze to understand. You will find accessible explanations about all the major apologetics topics, including the existence of God, the problem of evil, faith versus reason, Christianity and the major world religions, the trustworthiness of the Bible, evolution and science, Jesus and salvation, moral relativism versus absolute truth, and more. Regardless of your age, background, or learning style, *A Visual Guide to Biblical Apologetics* will equip you to address many issues with clarity and conviction. As your confidence in the good reasons for belief grows, you won't be able to help but share them with those around you. **Unshakable Foundations** Norman L. Geisler, Peter Bocchino, 2000-08 A comprehensive and readable survey of the central issues of Christianity that will help

Christians to stand firm in a changing world **10 Issues That Divide Christians** Alex McFarland,2014-02-13 Is agreeing to disagree good enough for God's family Christians don't necessarily agree with each other when it comes to questions of religious pluralism homosexuality the role of government abortion and war Too often we manage these disagreements by ignoring them Yet we are called to engage the world for the sake of Christ How can we be effective if we avoid society's most pressing questions In *10 Issues That Divide Christians* Alex McFarland challenges Christ followers to drill down to the biblical core of ten current issues such as social justice evil and suffering pornography and environmentalism among others and echoes the biblical invitation Come let us reason together Only by engaging the Scriptures deeply thinking clearly and speaking truthfully can we in God's family address our differences and discover the peace that comes with unity of purpose With the Bible as our guidebook and the Spirit as our guide we can respond to today's urgent questions with the mind of Christ **When Culture Hates You** Natasha Crain,2025-02-04 Jesus Warned the World Would Hate Christians If the world hates you know that it has hated me before it hated you John 15:18 As cultural hostility toward Christianity intensifies many Christians have grown more reluctant to advocate for biblical values in the public square But our perseverance for the common good a good defined by God alone is more important than ever in a culture that embraces darkness *When Culture Hates You* is a call for Christians to unashamedly pursue righteousness in society out of our love for others In this timely resource author Natasha Crain will help you make sense of cultural hostility by better understanding the roots of secular outrage on issues like Christian nationalism social justice abortion transgenderism and sexuality advocate for the godly functioning of society with greater biblical cultural and civic understanding take concrete action for the common good with more than 35 practical ideas to get you started As Christians our calling is to speak truth in the face of hostility Not because we want to war with culture but because we love both God and others *The Bible's Answers to 100 of Life's Biggest Questions* Norman L. Geisler,Jason Jimenez,2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer including both controversial questions raging in the public sphere and personal questions about family issues the purpose and meaning of life and the future of the world Christians from every walk of life especially young believers youth workers and parents will treasure this comprehensive resource Foreword by Josh and Sean McDowell **I Don't Have Enough Faith to Be an Atheist (Foreword by David Limbaugh)** Norman L. Geisler, Frank Turek,2004-03-12 Geisler and Turek argue that Christianity requires the least faith of all worldviews because it is the most reasonable A valuable aid to those interested in examining the reasonableness of the Christian faith [Christian Citizenship Training Course, Vol 1, Form #12.007](#) Sovereignty Education and Defense Ministry (SEDM),2020-02-06 Good citizenship from a Christian Perspective **Raising**

Courageous Children In a Cowardly Culture: The Battle for the Hearts and Minds of Our Children James L.

Capra, Michelle A. Capra, 2017-03-10 Two seasoned parents share the personal story of how they made conscious faithful choices to raise six successful and courageous children Michelle and Jim Capra have given all parents a precious practical gift by sharing their own honest journey to create six children of character Their struggles to develop habits of excellence accountability and moral standards in a loving godly way are lessons for us all I only wish I had read this book when I was raising my own children Barbara A Glanz Hall of Fame Speaker and Author of Priceless Gifts Using What God's Given You to Bless Others As parents to six children what really resonates with me about James and Michelle Capra's book Raising Courageous Children in a Cowardly Culture is their candidness I truly appreciate that he withstands the tide of political correctness and states what parents today really need to hear This is the go to resource for raising upright children David Heavener Evangelist Revelation Media Ministry Leadership At the Front Line: Lessons Learned About Loving, Leading, and Legacy from a Warrior and Public Servant James L Capra, 2014-06-27 James L Capra the former chief of operations for the Drug Enforcement Administration captures the essence of leadership as he shares his personal story about a lifetime serving the public Filled with real life examples of leadership in action as well as lighthearted humor he explores how some employees can love their profession but hate their respective organizations He also delivers tips and strategies so you can transform your organization from good to great make a difference in the lives of others get the best out of your people maintain focus and accountability There are no magical steps to take to become a great leader only a genuine concern from the heart for the development and welfare of those you're entrusted to lead While many books about leadership focus on theory there is no substitute for learning from a warrior who placed himself in danger and earned everything he had by demonstrating Leadership at the Front Line **Christian Citizenship Training Course, Vol. 2, Form #12.008** Sovereignty Education and Defense Ministry (SEDM), 2020-02-06 Good citizenship from a Christian Perspective I Don't Have Enough Faith to be an Atheist Norman L. Geisler, 2007 I don't have enough faith to be an atheist argues that Christianity requires the least faith of all worldviews because it is the most reasonable The authors lay out the evidence for truth God and the Bible in logical order and in a readable non technical engaging style A valuable aid to those interested in examining the reasonableness of the Christian faith Geisler and Turek provide a firm challenge to the prior beliefs of doubters and skeptics Legislating Morality Lucinda Peach, 2002-02-21 The debate over religious lawmaking pits respect for religious pluralism against moral identity with liberal theorists contending that religious lawmaking is generally suspect in a morally and religiously diverse polity like the United States and communitarian ones arguing that lawmakers cannot and should not be expected to suppress their religious commitments in their public policy making Looking carefully at both sides of this ongoing debate Lucinda Peach explores the limitations as well as the value of these conflicting perspectives and proposes a solution for their reconciliation Peach breaks from traditional analysis as she contends that both sides of the

argument are fundamentally flawed Neither side has been willing to recognize the merit of the other s arguments and both have ignored the gender based disparities of religious lawmaking particularly with respect to the effect religion has had on reproductive rights and abortion regulation Using an interdisciplinary approach the book argues for a pragmatic solution to this impasse which will respect religious pluralism moral identity and gender differences Peach s proposals will be of interest to philosophers legal theorists and scholars in women s studies and political science *Love Your Neighbor* Norman L. Geisler,Ryan P. Snuffer,2007-07-09 *Love Your Neighbor* is a concise introduction to Christian ethics It begins with a look at the biblical basis for morality defines and describes various philosophical approaches to the subject of ethics then connects biblical morality with the idea of absolute truth in philosophy The book then moves from its philosophical basis to a practical application of Christian ethics considering a wide range of social biomedical and personal issues It does not take a partisan or denominational approach to these issues but squarely faces them with an open mind and open Bible The book is based on sound biblical and philosophical reasoning and does not tell readers what to think but encourages them to think biblically and critically through these issues *Penn State Law Review* ,2006 *Monsters in the Closet* Adam Butler,2020-10-13 From pornographic videos of rape and incest to sexual predators around every corner from online challenges teaching children how to commit suicide to resources teaching them how to conjure up demons from social media trends praising abortion to completely redefining what it means to be human these are the monsters in the closet which children and teenagers are being exposed to America is facing a drastic moral decline and we are only seeing the beginning of the avalanche Narratives which directly attack God s word are being fed to young people These monsters are very real and may be much closer than you think Learn about the harmful indoctrination and lies being spread through the internet social media and even the classroom and how you can combat them *Legislating Morality in America* Donald P. Haider-Markel,2020-01-07 This title undertakes an impartial authoritative and in depth examination of the moral arguments and ideas behind the laws and policies that govern personal corporate and government behavior in the United States This A Z encyclopedia surveys the moral arguments that provide the foundation for many of the most important and or divisive laws policies and beliefs that govern modern American society The work discusses such controversial and important issues as abortion civil rights drugs and alcohol euthanasia guns hate crimes immigration immunization natural resource use and protection prostitution same sex marriage and workplace laws In the process of surveying historical and current beliefs about appropriate legislative responses to these issues this work will help readers to understand how conservative and liberal conceptions of justice fairness and morality are at the center of so many hot button political and social issues in 21st century America The essays featured in the volume cover wide ranging and controversial topics related to constitutional and religious freedoms crime and punishment sexuality and reproduction environmental protection and public health national security and civil liberties social welfare programs and education **When Morality Meets Law** Pasquale De

Marco,2025-04-07 In a world grappling with moral complexities and evolving societal norms the question of whether morality can or should be legislated remains a contentious topic This book delves into the intricate relationship between morality and law exploring the challenges possibilities and implications of legislating morality in diverse contexts With contributions from legal scholars philosophers theologians and social scientists this comprehensive volume examines the historical philosophical and legal foundations of legislating morality It traces the development of moral and legal codes across different cultures and time periods highlighting the tension between individual rights and societal values the limits of legal authority and the potential consequences of imposing moral standards through law Through in depth case studies the book explores the complexities of legislating morality in practice From abortion and same sex marriage to euthanasia freedom of speech and gun control these case studies provide a deeper understanding of the ethical legal and social implications of various moral issues allowing readers to grapple with the nuances of each debate Furthermore the book explores the role of religion in shaping moral and legal frameworks examining the influence of religious beliefs on the development of laws and policies It considers the challenges of accommodating diverse religious perspectives in a pluralistic society and the potential conflicts that may arise between religious and secular moral values This book is a valuable resource for anyone interested in the intersection of morality and law It provides a deeper understanding of the challenges and opportunities of legislating morality offering insights into the complex relationship between personal values societal norms and the legal framework that governs our lives Written in an accessible and engaging style this book is essential reading for students scholars policymakers and anyone seeking a deeper understanding of the complex relationship between morality and law If you like this book write a review
