## **Legend Of Prairie Island:**

**Legend of Prairie Island** Laura Larson, 2003-04 This book is about three challenges facing business today First is the coming huge labor shortage as Baby Boomer Generation retires For every 5 Boomers that retire there will only be 4 Generation X or Yers to replace them The second challenge is that Generations X and Y will be difficult to attract and retain because these generations 1 Are not loyal to companies and do not trust management 2 Demand balance between their personal and professional lives 3 Do not fear losing a job 4 Will quit when management or the work environment is not to their liking These generations are not intimidated by management and will not put up with the management by fear techniques used in many companies today If they are not treated with respect provided with flexibility in hours and scheduling or do not like their manager they will quickly leave The third challenge is the fact the arrival of the information age has rendered the profit driven Bureaucratic Management System which was created between 1850 and 1920 obsolete It is inefficient and cumbersome when dealing with the issues of adaptability teamwork employee empowerment productivity and innovation that are needed today s business environment For example the Bureaucratic Management System is designed to resist change and maintain the status quo but the need today is for rapid adaptability so that business can be responsive to the ever changing demands of the customer Is there a solution for these challenges The answer is emphatically YES The solution is to overcome bureaucracy by transitioning to a new information age purpose driven business model and achieve extraordinary levels of productivity and financial success See how over 50 companies have utilized the power of purpose to outperform their peers by a factor of 6 to 1

**Paul Bunyan: The Invention of an American Legend** Noah Van Sciver, Marlena Myles, 2023-08-08 Did you know that a mainstay of American folk culture was in fact created as an advertising ploy Few people realize that Paul Bunyan the legendary lumberjack and his blue ox are the product of corporate marketing by a highly industrialized commercial enterprise Cartoonist NOAH VAN SCIVER shows us the myth creation as real life marketing man extraordinaire W B Laughead spins ever more wondrous tall tales Van Sciver s story is bracketed by rich contributions from contemporary Native artists and storytellers with a very different connection to the land that the Bunyan myths often conceal Readers will see how a lumberjack hero a quintessential American fantasy captures the imagination but also serves to paper over the seizure of homeland from First Peoples and the laying bare of America s northern forests It s a tall tale with deep roots in profit making

**Sasquatch: Legend Meets Science** Jeff Meldrum, 2007-04-01 In this landmark work on a subject too often dismissed as paranormal or disreputable Jeff Meldrum gives us the first book on sasquatch to be written by a scientist with impeccable academic credentials an objective look at the facts in a field mined with hoaxes and sensationalism Meldrum reports on the work of a team of experts from a wide variety of fields who were assembled to examine the evidence for a large yet undiscovered North American primate He reviews the long history of this mystery which long predates the bigfoot flap of the late fifties and explains all the scientific pros and cons

in a clear and accessible style amplified by over 150 illustrations Anyone who has pondered the mysteries of human evolution will be fascinated and eager to join Dr Meldrum in drawing their own conclusion At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
