The American Hebrew ,1925 ***The Seductiveness of Jewish Myth*** S. Daniel Breslauer,2012-02-01 The Seductiveness of Jewish Myth offers a panorama of diverse definitions of myth understandings of Judaism and competing evaluations of the mythic element in religion The contributors focus on the problem of defining myth as a category in religious studies examine modern religion and the role of myth in a secularized world and look at specific cases of Jewish myth from biblical through modern times

Gender, Orientalism and the Jewish Nation Lynne M. Swarts,2020-01-23 Ephraim Moses Lilien 1874 1925 was one of the most important Jewish artists of modern times As a successful illustrator photographer painter and printer he became the first major Zionist artist Surprisingly there has been little in depth scholarly research and analysis of Lilien s work available in English making this book an important contribution to historical and art historical scholarship Concentrating mainly on his illustrations for journals and books Lynne Swarts acknowledges the importance of Lilien s groundbreaking male iconography in Zionist art but is the first to examine Lilien s complex and nuanced depiction of women which comprised a major dimension of his work Lilien s female images

offer a compelling glimpse of an alternate independent and often sexually liberated modern Jewish woman a portrayal that often eluded the Zionist imagination Using an interdisciplinary approach to integrate intellectual and cultural history with issues of gender Jewish history and visual culture Swartz also explores the important fin de siècle tensions between European and Oriental expressions of Jewish femininity The work demonstrates that Lilien was not a minor figure in the European art scene but a major figure whose work needs re-reading in light of his cosmopolitan and national artistic genius *Creating Fictional Worlds* Hanna Liss, 2011-01-11 R Samuel ben Meir b 1085 wrote his Torah commentary at a point in time when the French masters of Bible collected their glossae but he wrote it also at the point in time that we today consider to be the turning point in lay literacy when the Anglo Norman aristocracy patronized the production of romances In the first half of the 12th century Northern France was a vibrant spot It was an era in which composing reading and listening to narratives and stories intensified as a complex cultural phenomenon This book presents the idea that Rashbam tried to compete with this new intellectual movement claiming that the literary quality of the biblical texts was at least as good as that of the nascent courtly romances or even on a par with one another The Universal Jewish Encyclopedia ... Catalog of the Kristine Mann Library of the Analytical Psychology Club of New York, Inc: Subject catalog Kristine Mann Library, 1978 *Israelites in Erin* Abby Bender, 2015-12-08 From the late nineteenth century through the early twentieth century the story of the Israelites liberation from bondage in Egypt served as the archetypal narrative for the birth of the Irish nation Exodus was critical to both colonial and anticolonial conceptions of Ireland and Irishness Although the Irish Israelite analogy has been cited often a thorough exploration has never before been documented Bender successfully fills this gap with *Israelites in Erin* Drawing upon both canonical and little known texts of the Literary Revival including works by Joyce plays by Lady Gregory and political writings by Charles Stewart Parnell and Patrick Pearse Bender highlights the centrality of Exodus in Ireland In doing so she recuperates the history of a liberation narrative that was occluded by the aesthetic of 1916 when the Christ story replaced Exodus as a model for revolution and liberation In two concluding chapters Bender deftly maps Exodus throughout Joyce's *Ulysses* revealing how the text plumbs the biblical narrative for its submersed but frank and unsettling story of ambivalent impure ironic origins With extensive research and remarkable insight *Israelites in Erin* inaugurates a compelling new critical conversation Ethics of Maimonides Hermann Cohen, 2003-01-12 Hermann Cohen's essay on Maimonides ethics is one of the most fundamental texts of twentieth century Jewish philosophy correlating Platonic prophetic Maimonidean and Kantian traditions Almut Sh Bruckstein provides the first English translation and her own extensive commentary on this landmark 1908 work which inspired readings of medieval and rabbinic sources by Leo Strauss Franz Rosenzweig and Emmanuel Levinas Cohen rejects the notion that we should try to understand texts of the past solely in the context of their own historical era Subverting the historical order he interprets the ethical meanings of texts in the light of a future yet to be realized He commits the entire Jewish tradition to a universal socialism prophetically inspired

by ideals of humanity peace and universal justice Through her own probing commentary on Cohen s text like the margin notes of a medieval treatise Bruckstein performs the hermeneutical act that lies at the core of Cohen s argument she reads Jewish sources from a perspective that recognizes the interpretive act of commentary itself [Index to Jewish Periodicals](#),1998 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests

Great High Priest Margaret Barker,2003-05-21 Margaret Barker has been researching and writing about the Jerusalem temple for over twenty years Many of her studies have remained unpublished Here for the first time her work on the roots of Christian liturgy has been brought together Whereas most scholarship has concentrated upon the synagogue Margaret Barker s work on the Jerusalem temple contributes significantly to our understanding of the meaning and importance of many elements of Christian liturgy which have hitherto remained obscure This book opens up a new field of research The many subjects addressed include the roots of the Eucharist in various temple rituals and offerings other than Passover the meaning of the holy of holies and the Christian sanctuary the cosmology of temple and church the significance of the Veil of the Temple for understanding priesthood and Incarnation the Holy Wisdom and the Mother of God angels and priesthood the concept of unity the high priestly tradition in the early church and evidence that Christianity was a conscious continuation of the temple All scholars and students whose interest encompasses the origins of Christian and Orthodox liturgy the Old Testament early Christianity Jewish Christian relations Platonism and the origins of Islam will find this book a hugely rewarding source of information and new ideas **The Jewish Forum** ,1936 **Berossus and Genesis, Manetho and Exodus** Russell Gmirkin,2006-05-15 Berossus and Genesis Manetho and Exodus proposes a provocative new theory regarding the date and circumstances of the composition of the Pentateuch Gmirkin argues that the Hebrew Pentateuch was composed in its entirety about 273 272 BCE by Jewish scholars at Alexandria that later traditions credited with the Septuagint translation of the Pentateuch into Greek The primary evidence is literary dependence of Gen 1 11 on Berossus Babyloniaca 278 BCE and of the Exodus story on Manetho s Aegyptiaca c 285 280 BCE and the geo political data contained in the Table of Nations A number of indications point to a provenance of Alexandria Egypt for at least some portions of the Pentateuch That the Pentateuch drawing on literary sources found at the Great Library of Alexandria was composed at almost the same date as the Septuagint translation provides compelling evidence for some level of communication and collaboration between the authors of the Pentateuch and the Septuagint scholars at Alexandria s Museum The late date of the Pentateuch as demonstrated by literary dependence on Berossus and Manetho has two important consequences the definitive overthrow of the chronological framework of the Documentary Hypothesis and a late 3rd century BCE date for major portions of the Hebrew Bible which show literary dependence on the Pentateuch *Wisconsin Library Bulletin* ,1945
