Operator 5 America's Secret Service Ace appeared in 48 novels in the classic pulp magazine bearing his name From April 1934 to November 1939 Jimmy Christopher fought villains from inside the United States and invaders from without With World War II looming on the horizon the Operator 5 novels became a reflection of the times showcasing American fears of technology and oppression In Liberty's Suicide Legions after America has been invaded and nearly destroyed Jimmy Christopher battles the forces of the insidious Purple Emperor with the fate of the United States hanging in the balance One of the bloodiest pulp magazines ever produced Operator 5 has a well deserved reputation for thrill a minute action and peril **Political Routes to Starvation** Bas Dianda, 2019-03-15 This book seeks to reclassify famine by offering an in depth look at the phenomenon that continues to affect millions of people across the world every year Defined as a widespread scarcity of food Dr Basilio Dianda argues that the causes of famine cannot be reduced exclusively to a shortfall in agricultural output or to economic dynamics Instead an analysis of famine must take into account political and economic factors as well as agricultural climatologic and demographic data Political Routes to Starvation is the result of an all encompassing analysis of eighty famines from across the globe This extensive piece of research demonstrates that there are not only multiple factors at play in the genesis of a food crisis but also in its evolution to starvation Dianda contends that in order to fully understand the causes of famine it is necessary to reinstate a hierarchy between foundation and concomitant causes especially when cross comparing cases Importantly Dianda maintains that only a comprehensive approach to famine can appropriately answer the questions What is famine How does famine occur Why does famine kill Seti Max Overton, 2014-08 After only nine years on the throne Merenptah is dead and his son Seti is king in his place He rules from the northern city of Men nefer while his elder brother Messuwy convinced the throne is his by right plots rebellion in the south The kingdoms are tipped into bloody civil war with brother fighting against brother for the throne of a united Egypt On one side is Messuwy now crowned as King Amenmesse and his ruthless General Sethi on the other young King Seti and his wife Tausret But other men are weighing up the chances of wresting the throne from both brothers and becoming king in their place Under the onslaught of conflict the House of Ramesses begins to crumble **America's Secret Service Ace** Nick Carr, 2007-09-01 Nick Carr provides a comprehensive look at this extraordinary forty eight chapter pulp serial complete with character guides plot points and front cover reproductions **Legion** Richard Trevino, 2020-02-17 This story is about a man who had his feelings bottled up for way too long Not able to tell his family why he did the things he did and not able to recoup the lost years away from the people who he loved In the Mexican American community you never show your sadness your pain or weakness As an act of pride you always keep all your emotions to yourself like as if nothing is wrong Showing everyone that you're not suffering and everything is fine is strength I couldn't do that anymore it was tearing me up from within I felt that by writing my story I

was finally explaining and apologizing at the same time to my family for leaving so long ago and why I tend to stick to myself in the present Writing my story has been a form of therapy for me if you will a way to release all those negative feelings that have been inside my head for some time now It feels like coming up out of the water and taking a big gulp of air after being under for so long and I can breathe again now My life has been harder than most but easier than a lot of people I thank God for guiding me and protecting me through my journey But I still wouldn't change any part of what happened back then because it wouldn't have brought me here I have no regrets *The Great Starvation Experiment* Todd Tucker, 2007 Reprint Originally published New York Free Press c2006 **Revelations** Stuart Williams, 2020-07-04 The end of the world was foretold long ago But few believed the prophecy would come true Ravaged by humankind's self-inflicted woes and overcome by greed and selfish fantasies the world has become a wasteland of lost morals and decency When a charismatic man with a vast understanding of culture economics and civil rights rises to power he mesmerizes everyone The leader proposes a world united under one capital devoid of differences in systems beliefs and feelings Under this one world government the global crisis will cease and peace will reign The only requirement is that all the leaders and citizens around the globe must pledge undying loyalty to the new state Meanwhile the state attempts to quash the few remaining people who see signs that the end is near and God is preparing to return If these believers are right the world will soon experience a series of unstoppable cataclysms that will not only change humankind but also destroy it forever The apocalypse is coming but will the world recognize the signs in time Humanity languishes in a world of self-made problems Amid the chaos fueled by greed and corruption a charismatic and magnetic leader offers to solve the worldwide crisis as long as the global population is willing to give up everything to follow him As an evil one world government seeks to control commerce laws and beliefs leaders from nations around the world will bow before this man and pledge undying loyalty Lending stark realism to the apocalyptic biblical prophecies found in the Book of Revelation Stuart Lee Williams's thrilling book set in the end times creates a chilling landscape rife with signs of the world's end the battle between angels and demons and the depths of human depravity When is the end of the world As the Bible says no one knows the hour but when it comes it might just look like this [Hitler's Eastern Legions 1942-45](#) Nigel Thomas, 2020-08-20 Between 1941-45 the Germans recruited around 175 000 men from a number of minorities in the USSR distinguishing between Turkomans predominantly Muslims and Caucasians predominantly Orthodox Christians Of these many formed rear area auxiliary units but at least 55 000 were combat troops The first recruits formed two battalions in the 444th Security Division raised as early as November 1941 during 1942-43 seven legions were formed each of several battalions eventually totalling some 53 battalions equivalent to about 6 full divisions However with one exception 162nd Turkoman Division they were not deployed as whole formations after training in Poland individual battalions were posted to fill out German regiments in the front lines at first in Army Group South but later in all three Army Groups fighting on the Eastern Front Units were also sent to Yugoslavia Italy and the Western Front This fully illustrated

The Roman Legions Henry Michael Denne Parker,1928 The period selected for study starts with the Marian army reforms and ends with the accession of Septimius Severus My main purpose has been to examine the internal organization of the legions the areas from which they drew their recruits and the conditions under which their soldiers served and were discharged An attempt has also been made to trace the movements of the legions in the first two centuries of the Principate the circumstances in which new units were raised and the normal orders of battle and march while in the introduction the stages by which the army developed in the pre Marian Republic have been sketched in outline Pref

To The Death Peter R. Hall,2014-06-30 Focusing on the emergence of Christianity and its suppression by the Romans in the first century *To The Death* provides a riveting fictional account of the historical beginnings of Christianity In the first century AD the Jews of Jerusalem rebelled against Roman occupation The result was one of the bloodiest wars in history A million Jews died and thousands starved to death In 1500 BC migrant Jews from Egypt invaded Canaan Palestine and murdered the entire population claiming they were acting on a direct order from their God At the end of the war the treasures of the Jewish Temple were displayed in Rome along with thousands of captive Jews who would be sold into slavery to celebrate the Roman victory
