Joseph McBride,2011-01-04 Until the first edition of Steven Spielberg A Biography was published in 1997 much about Spielberg s personality and the forces that shaped it had remained enigmatic in large part because of his tendency to obscure and mythologize his own past But in this first full scale in depth biography of Spielberg Joseph McBride reveals hidden dimensions of the filmmaker s personality and shows how deeply personal even his most commercial work has been This new edition adds four chapters to Spielberg s life story chronicling his extraordinarily active and creative period from 1997 to the present a period in which he has balanced his executive duties as one of the partners in the film studio DreamWorks SKG with a remarkable string of films as a director Spielberg s ambitious recent work including Amistad Saving Private Ryan A I Artificial Intelligence Minority Report The Terminal and Munich has continually expanded his range both stylistically and in terms of adventurous often controversial subject matter Steven Spielberg A Biography brought about a reevaluation of the

great filmmaker's life and work by those who viewed him as merely a facile entertainer This new edition guides readers through the mature artistry of Spielberg's later period in which he manages against considerable odds to run a successful studio while maintaining and enlarging his high artistic standards as one of America's most thoughtful sophisticated and popular filmmakers *Subject Guide to Books in Print* ,1975 *California Libraries* ,1994 **Forthcoming Books** Rose Army,1994-02 *Books in Print* ,1991 **Leigh Weimers' Insiders' Guide to Silicon Valley** Leigh Weimers,1986
