Leisure Education Program Planning 2nd:

Leisure Education Program Planning John Dattilo, 2008 *Leisure Education: A Cross-National View* Atara Sivan, Robert A. Stebbins, 2016-04-08 Leisure education plays a central role in both the field of leisure studies and the pursuit of leisure itself Everywhere in the modern world the most effective use of free time for individuals comes with knowing about the many leisure activities available to them and the rewards and costs that accompany their interest in each It is through leisure education in one form or another that they gain such knowledge Yet as important as this educational process is its study is only beginning to take off in non Western societies where however it cannot be assumed to be the same as in the West This book contains several comparisons of Western and non Western practices in leisure education Knowing these practices contributes ultimately to a deep understanding of the nature of the huge variety of leisure activities enjoyed across the planet and of the reasons why people go in for the ones they do This book was based on a special issue published in the World Leisure Journal **Leisure Education, Community Development, and Populations with Special Needs** Atara Sivan, Hillel Ruskin, 2000-01-01 The results are presented of a Commission of the World Leisure and Recreation Association WLRA to examine the role of leisure and education for leisure activities among people with special needs living in the community requiring social or health services outside hospital A conceptual and practical framework for understanding the process of leisure education is provided and its role for community development and populations with special needs discussed A total of 17 chapters serve as a foundation for developing models and programmes for leisure education within community settings and will be of interest to those working and researching in the area of education leisure studies and community development **Therapeutic Recreation Leadership and Programming** Robin Ann Kunstler, Frances Stavola Daly, 2010 Therapeutic Recreation Leadership and Programming arms students with the information they need to succeed as therapeutic recreation specialists They ll learn the practical aspects of the profession and develop a leadership mind set The book focuses on day to day tasks of the TRS and integrates ethical considerations into each aspect of the job Older Adults With Developmental Disabilities and Leisure Ted Tedrick, 2012-11-12 If you work with older adults who are developmentally disabled and are seeking ways to incorporate exercise arts activities and other activities into your program this is the book for you Older Adults With Developmental Disabilities and Leisure will help you improve your ability to instruct exercise and other fitness activities and at the same time increase your knowledge about aging and mental retardation and developmental disabilities This combination of skills and knowledge is important to your understanding of your clients and their needs You will assist them in leading a more active structured life that will result in a higher sense of satisfaction in their daily living and health benefits that will speak for themselves Older Adults With Developmental Disabilities and Leisure gives you specific guidelines for establishing fitness programs as well as ideas for offering clients goals and incentives that will evoke and maintain their enthusiasm to participate Using a proven model the Arts Fitness Quality of Life Activities Program the

authors show how careful planning and sequencing can produce successful results such as peer interaction flexible thinking self expression and improved mental health As you learn about the key factors for programming for this group of clients you will also learn about the demographics of this population leisure education training and cross training with aging specialists and mental retardation staff community integration and for whom it is appropriate inactivity in later life and the complications it causes life satisfaction and leisure participation differences in physical and cognitive functioning among this population consumer satisfaction among older adults with developmental disabilities It is never too late to introduce leisure activities into the lives of those with developmental disabilities With encouragement and careful guidance you can lead your elders clients into a more active and healthy life Use *Older Adults With Developmental Disabilities and Leisure* as a guide to find activities and exercise programs that are appropriate fun and worthwhile

Rehabilitation and Health Assessment

Elias Mpofu, Thomas Oakland, 2009-08-21 Mpofu and Oakland have given us a volume of exceptional clarity depth and breadth one whose utility extends well beyond rehabilitation psychology As such *Rehabilitation and Health Assessment Applying ICF Guidelines* will be an outstanding text for courses in assessment at all levels of professional preparation and will serve as a valued reference source for future research in a wide variety of fields *PsycCRITIQUES Instructor's Guide Available to Qualified Instructors* The World Health Organization's ICF International Classification of Functioning Disability and Health has undergone dramatic changes in the past decade requiring that disability be understood in light of contextual social and personal factors This examination of ICF guidelines provides a comprehensive survey of assessment tools emerging technologies and procedures necessary for personalizing rehabilitation and health care interventions Editors Mpofu and Oakland have gathered an international team of experts to set forth this masterful volume dedicated to helping students researchers and practitioners advance their understanding of test use assessment and measurement using the framework and philosophy presented in the ICF model With this book readers will learn how to apply ICF guidelines effectively by expanding their knowledge of Professional issues such as ethical quandaries cultural and diversity considerations and working with children and youth Cutting edge assessment technologies such as virtual world tools functional magnetic resonance imaging and pre scored health status instruments Assessments of patients adaptation to disability such as measures of pain forgiveness self efficacy and resilience spirituality and more Measures of participation including physical and functional performance community integration sexual functioning and recreational activities
