CLASSROOM MANAGEMENT

Looking for a solid classroom management tool to support you in your class this year?

I swear by behaviour tracking. I've been using it for years and know that it's a solid part of a well-managed classroom.

What I love about it? It gives students the opportunity to reflect on their day and determine how they can make tweaks if needed.

Find It Out Teachers Planning Guide:

Teacher's Ultimate Planning Guide Lisa Maria Burke, 2015-08-18 High levels of stress are an occupational hazard of the teaching profession resulting from inadequate training for the broad scope of teacher responsibilities that extend beyond instruction. This comprehensive guide masterfully fills this void by creating a step by step sequence of practical techniques based on research on successful teaching and grounded in real life examples guiding teachers toward an effective action plan for successful teaching and classroom management. The manual's concrete suggestions give teachers the skills and tactics they need to manage control and enrich their professional lives with positive impacts and successes following beyond the classroom as well. Tackling major issues from designing effective lesson plans to maximizing limited resources each chapter of this well organized book begins with stated objectives and ends with a concise summary making it easy to read, understand and implement. It features a myriad of helpful hints that are invaluable in planning for the expected and the unexpected in the classroom and in invigorating overall performance. Key value added elements are 13 easy to use resources including lesson planning worksheets, calendar organizers, a substitute teacher kit, parent teacher conferences reference and a listing of professional organizations. Success Tips sections throughout that highlight proven methods for working efficiently and effectively. True Stories that punctuate and reinforce the techniques outlined. Targeted questions in each chapter that encourage personalized reflection and solutions.

Handbook of Research on Reconceptualizing Preservice Teacher Preparation in Literacy Education Araujo, Juan J., Araujo, Dawn L., 2021-12-17 As it stands there is currently a void in education literature in how to best prepare preservice teachers to meet the needs of individualized learners across multiple learning platforms, social, economical contexts, language variety and special education needs. The subject is in dire need of support for the ongoing improvement of administrative, clinical, diagnostic and instructional practices related to the learning process. The Handbook of Research on Reconceptualizing Preservice Teacher Preparation in Literacy Education stimulates the professional development of preservice and inservice literacy educators and researchers. This book also promotes the excellence in preservice and inservice literacy both nationally and internationally. Discussing topics such as virtual classrooms, critical literacy and teacher preparation, this book serves as an ideal resource for tenure track faculty in literacy education, clinical faculty, field supervisors who work with preservice teacher educators, community college faculty, university faculty who are in the midst of reconceptualizing undergraduate teacher education curriculum, mentor teachers working with preservice teachers, district personnel, researchers, students and curricula developers who wish to understand the needs of preservice teacher education.
