Copyright Office,1950 **The Map** David Murrow,2010-03-14 A map written in code and hidden in the gospel of Matthew reveals a truth so explosive it could rock the foundations of Christianity or lead to its rebirth A cleric appears out of the rain spattered darkness bearing a mysterious message A long lost map with the power to transform men is on the verge of being discovered Thrown headlong into a global chase author David Murrow must race to find the map before it falls into the wrong hands and disappears forever The Map which begins as an action thriller and then transitions into a modern day parable reveals the path every great man including Christ himself has walked In this dynamic follow up to the best selling Why Men Hate Going to Church Murrow cleverly translates the masculine spiritual life into an actual ink on paper map Then he shows men where to find the map in the New Testament and how to walk its ancient paths today **Ways of Reading Scripture** Frances Young,2018-05-03 This volume consists of previously

published articles by Frances Young a scholar of early Christianity well known for her work Biblical Exegesis and the Formation of Christian Culture together with a few newly composed additions The studies collected here are concerned with the New Testament but their approach is often not in the modern historico critical mode Rather they bring new insight through being informed by the author s patristic specialism by methodological enquiries by her interest in doctrinal and theological reading and by exploration of the very nature and function of sacred scriptures The significance of this volume lies in the way it exemplifies the extraordinarily interesting changes which have taken place in biblical hermeneutics during the last 50 60 years Many of the essays could be useful not only to research specialists but to advanced undergraduates as well as clergy and preachers Catalogue of Title Entries of Books and Other Articles Entered in the Office of the Register of Copyrights, Library of Congress, at Washington, D.C.
