Finding It Selected Poems

Rabindranath Tagore

Finding It Selected Poems:

Hardy: Selected Poems Thomas Hardy, 1998-12-01 Thomas Hardy abandoned the novel form at the turn of the century probably after public reaction to *Jude the Obscure* but continued to write verse displaying a wide variety of metrical styles and stanza forms and a broad scope of tone and attitude This definitive volume contains selections from his numerous collections published between 1898 and 1928 For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Selected Poems of Thomas Hardy Thomas Hardy, 1998-12-01 Thomas Hardy abandoned the novel form at the turn of the century probably after public reaction to *Jude the Obscure* but continued to write verse displaying a wide variety of metrical styles and stanza forms and a broad scope of tone and attitude This definitive volume contains selections from his numerous collections published between 1898 and 1928 For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Dryden: Selected Poems Paul Hammond, David Hopkins, 2020-08-17 Dryden Selected Poems is drawn from Paul Hammond and David Hopkins's remarkable five volume *The Poems of John Dryden* and includes a generous selection of his most important work The great satires *MacFlecknoe* and *Absalom and Achitophel* are included in full as are his religious poems *Religio Laici* and *The Hind and the Panther* along with a number of Dryden's translations from Horace Ovid Homer and Chaucer Each poem is accompanied by a headnote which gives details of composition publication and reception The first rate annotations provide information on matters of interpretation and give details of allusions that might prove baffling to contemporary readers Some 300 years after his death Dryden Selected Poems will enable new generations of readers to discover the poet of whom Eliot wrote we cannot fully enjoy or rightly estimate a hundred years of English poetry unless we fully enjoy Dryden

Selected Poems Rabindranath Tagore, 2005-03-31 The poems of Rabindranath Tagore 1861 1941 are among the most haunting and tender in Indian and in world literature expressing a profound and passionate human yearning His ceaselessly inventive works deal with such subjects as the interplay between God and the world the eternal and transient and with the paradox of an endlessly changing universe that is in tune with unchanging harmonies Poems such as *Earth* and *In the Eyes of a Peacock* present a picture of natural processes unaffected by human concerns while others as in *Recovery* 14 convey the poet's bewilderment about his place in the world And exuberant works such as *New Rain* and *Grandfather's Holiday* describe Tagore's sheer joy at the

glories of nature or simply in watching a grandchild play *Selected Poems* Hélène Aji, Jennifer Kilgore-Caradec, 2013-01-16
Complete poems are bulky and too heavy to carry around Collected poems pretend to be complete but usually are not
Selected poems are altogether unpretentious and reader friendly But they can be problematic Who decides what poems are
important for inclusion in a volume of selected poems When the selection occurs during the author's lifetime may one assume
that the author was involved What motivates the choice of one poem over another How do readers' preferences influence this
choice How do new readers and familiar readers of a poet negotiate the poems that are left out of the selection The essays in
this volume address these questions in a variety of ways and also provide an overview of poetic writing from modernist poets
to the present day using selections from the 1940s until now They offer new insight into the uses both pedagogical and
critical of selection Because *Selected Poems* usually address a large general public these essays have also been written for all
those who wish to know more about how these slimmer more attractive volumes are produced **Ursula K. Le Guin:**

Collected Poems (LOA #368) Ursula K. Le Guin, 2023-04-04 At last a major American poet collected for the first time in the
sixth volume of the definitive Library of America edition of her works In his last book Harold Bloom presents the earthy surprising and
lyrical poetry of Ursula K. Le Guin Ursula K. Le Guin's career began and ended with poetry This sixth volume in the definitive
Library of America edition of her works gathers for the first time her collected poems from her earliest collection *Wild Angels*
1974 through her final publication the collection *So Far So Good* which she delivered to her editor just a week before her
death in 2018 The themes explored in the poems gathered here resonate through all Le Guin's oeuvre but find their strongest
voice in her poetry exploration as a metaphor for both human bravery and creativity the mystery and fragility of nature and
the impact of humankind on their environment the Tao Te Ching marriage womanhood and even cats Le Guin's poetry is
often traditional in form but never in style her verse is earthy surprising and lyrical Including some 40 poems never before
collected this volume restores to print much of Le Guin's remarkable verse It features a new introduction by editor Harold
Bloom written before his death in 2019 in which he reflects on the power of Le Guin's poems which he calls American
originals It also features helpful explanatory notes and a chronology of Le Guin's life *Selected poems ...* Gaius Valerius

Catullus, 1920 **Finding It** Peter Money, 2000-01-01 Poetry Allen Ginsberg wrote that Peter Money is prolific coming from
all directions If this is still true years after Ginsberg's observation it could be because Peter Money believes the subjects of
his poems themselves range through lyric and narrative embodiment a mode more accepted by musicians especially since the
1960s We sit beneath the cherry trees draw lines on our faces using blades of grass smiling flossing teeth with grass tickling
gums with grass promising to come back tomorrow Revolutionaries **Selected Poems** Victor Hugo, 2013-05-13 This
generous varied selection of poems by one of France's best loved and most reviled poets is presented with facing originals
detailed notes and a lively introduction to the author's life and work Steven Monte presents more than eighty poems in
translation and in the original French taken from the earliest poetic publications of the 1820s through collections published

during exile to works published in the years following Hugo's death in 1883. The introduction provides helpful background information about Hugo's life and work, the selection and what is involved in translating a poet whose effortless rhymes are central to the poetry's power. Detailed notes at the back of the volume offer information about the poems and their publishing and historical contexts. This is an ideal introduction to a poet whose work for all its renown remains for Anglophone readers undiscovered.

Selected Poems of Thom Gunn Thom Gunn, 2017-07-04 Thom Gunn's controlled use of form and the metaphysical was in evidence from his first collection *Fighting Terms* in 1954, which was widely regarded perhaps not entirely accurately as a contributor to The Movement and the opposition to modernism. The same technical ability and formal prowess endured after he moved from Cambridge to San Francisco, though he became from *The Sense of Movement* 1959 onwards shot through with a new mood of hedonism, freedom and the excesses of the gay and counter-cultural scenes of 1960s America in poems written in celebration of rock and roll, myth and hallucinogenic drugs. The 80s saw a shift in this life with the devastation of the AIDS epidemic, which claimed the lives of a number of Gunn's friends. Many of these friends are memorialised in the moving, passionate and humane collections of his later years, the Forward Prize-winning *The Man With the Night Sweats* and *Boss Cupid*, Gunn's last collection published in 2000. This *Selected Poems*, compiled by his friend Clive Wilmer and accompanied by insightful notes, serves to honour a true original, a thrill-seeker in the language and to exhibit the best of Thom Gunn's electric, powerful, intensely joyful poems.

Selected Poems John Donne, 1904 **Selected Poems** Du Bellay, Ronsard, 2023 From the gritty realism and resentment of Du Bellay to the lyric grace and frank eroticism of Ronsard, the poems of this volume testify to the many-faceted achievement of the two poets who, as leaders of the famous Pléiade group, were crucial to the creation of a new national literature.

New Selected Poems Thom Gunn, 2025-06-25 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half-century. *Times Literary Supplement*: Gunn was an Elizabethan poet in modern guise, though there's nothing archaic, quaint or sepia-toned about his poetry. His method was dispassionate and rigorous, uniquely well-suited for making a poetic record of the tumultuous time in which he lived. Gunn's dozens of brilliantly realized poems about nature, friendship, literature, sexual love and death are set against the ever-changing backdrop of San Francisco, the druggy, politically charged sixties and the plague years of AIDS in the eighties. Perhaps no contemporary poet was better equipped by temperament, circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn. This *New Selected Poems*, compiled by his friend Clive Wilmer and accompanied by insightful notes, is the first edition to represent the full arc of Gunn's inimitable career.

Selected Poems A.M. Klein, 1997-12-15 Throughout his career, A.M. Klein struggled to define for himself the role of the poet in the contemporary world. Deeply rooted in the traditions of Judaism and at the same time powerfully attracted by the freedom and scope of international modernism, he sought to reconcile past and present, community and creative individuality. Whether or not he finally achieved his own high aims, it was in his own words something

merely to entertain them The result was a body of work immensely rich and varied in tone language cultural resonance This collection of eighty four poems offers a representative sampling of Klein s finest poetry while taking into account the changing critical discourse of the last fifty years Anyone interested in experiencing the full range of Klein s poetic achievement or in understanding the complex nature of the poet need look no further than this eminently readable volume

Select poems of Catullus Gaius Valerius Catullus,1886 **Selected Poems and Letters of Keats** John Keats,Robert Gittings,1995 Includes poems set by AQA OCR WJEC and Edexcel at A level Age 16 Recommended on BBC 4 s A Good Read

Selected Poems John Skelton,2003 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company *A Guide to the Selected Poems of T.S. Eliot* B. C. Southam,1996 A unique guide designed to help the readers of Eliot s personally chosen collection Selected Poems Specific information about the poems and their development is included as is a chronology of the poet s life and work New and Selected Poems Yves Bonnefoy,1995-12-18 Yves Bonnefoy celebrated translator and critic is widely considered the most important and influential French poet since World War II Named to the College de France in 1981 to fill the chair left vacant by the death of Roland Barthes Bonnefoy was the first poet honored in this way since Paul Valery Winner of many awards including the Prix Goncourt in 1987 and the Hudson Review s Bennett Award in 1988 he is the author of six critically acclaimed books of poetry Spanning four decades and drawing on all of Bonnefoy s major collections this selection provides a comprehensive overview of and an ideal introduction to his work The elegant translations many of them new are presented in this dual language edition alongside the original French Several significant works appear here in English for the first time among them in its entirety Bonnefoy s 1991 book of verse *The Beginning and the End of the Snow* the 1988 prose poem *Where the Arrow Falls* and an important long poem from 1993 *Wind and Smoke Together* with poems from such classic volumes as *In the Lure of the Threshold* these new works shed light on the growth as well as the continuity of Bonnefoy s work John Naughton s detailed introduction looks at the evolution of Bonnefoy s poetry from the 1953 publication of *On the Motion and Immobility of Douve* which immediately established his reputation as one of France s leading poets through the 1993 publication of *The Wandering Life* and its centerpiece *Wind and Smoke* This is a comprehensive selection that contains examples of work spanning Bonnefoy s full career of forty years from the ground breaking *Du Mouvement et de l Immobilit de Douve* through the celebratory *Pierre Ecrite* to the magical winter landscapes of *America s East Coast* and an unsettling reworking of myth in the recent *La Vie Errante* The translations which are the work of a variety of hands including Galway Kinnell Emily Grosholz and Anthony Rudolf nevertheless fit well together and all are sensitive to the register and subtleties of both languages while the introductory essay by John Naughton expertly explains Bonnefoy s importance as a poet and the influences which have shaped him This is definitely a volume worth having for layman and French specialist alike Hilary Davies Times Literary Supplement Anyone not familiar with Bonnefoy s work will benefit from the background information and explanations given by John Naughton in his excellent introduction The book

as a whole provides an excellent introduction to Bonnefoy's poetry and to his concerns of a lifetime Don Rodgers Poetry Wales

Selected Poems Vladimir Mayakovsky, 2013-06-30 James McGavran's new translation of Vladimir Mayakovsky's poetry is the first to fully capture the Futurist and Soviet agitprop artist's voice Because of his work as a propagandist for the Soviet regime and because of his posthumous enshrinement by Stalin as the best and most talented poet of our Soviet epoch Mayakovsky has most often been interpreted and translated within a political context McGavran's translations reveal a more nuanced poet who possessed a passion for word creation and linguistic manipulation Mayakovsky's bombastic metaphors and formal language shine through in these translations and McGavran's commentary provides vital information on Mayakovsky illuminating the poet's many references to the Russian literary canon his contemporaries in art and culture and Soviet figures and policies
