## **Finding Christ In The Old Testament:**

*Finding Christ in the Old Testament: Searching Out How the Early Church Supported the Doctrines of Christ from only the Old Testament* William Waddell, PhD., ThD., 2014-10-13 So the modern believer may be encouraged to search out Jesus not only in the New Testament but also in the Old The early church even though they had only the Old Testament did not lack in Scriptural backing when they preached and taught about Jesus The modern church should be as well armed having both the Old and New Testament at its disposal *Beginning at Moses* Michael P. V. Barrett, 2018-08-15 For many Christians today the Old Testament is difficult to understand seems outdated and has questionable relevance But as Old Testament scholar Michael Barrett points out all Scripture is inspired by the Holy Spirit and we must read it by faith seeing that Christ is the key to unlocking the Old Testament s message With great knowledge of and contagious passion for the Old Testament the author shows readers how to identify basic characteristics of Christ and where to look for Him throughout the Old Testament The author challenges us God s promise throughout the Bible is that those who seek Him will find Him Beginning at Moses and ending with Malachi we want to be on Christ alert Table of Contents Part 1 Whom to Look For 1 Jesus the Messiah 2 The Person of Christ 3 The Work of Christ Part 2 Where to Look 4 Christ in the Covenants 5 Christ in Person 6 Christ in His Names 7 Christ in Word Prophecy 8 Christ in Picture Prophecy Explained 9 Christ in Picture Prophecy Illustrated 10 Christ in Song [Finding Christ in the Old Testament](#) Benjamin M. Holt, 1977-09-01 *FINDING CHRIST IN THE OLD TESTAMENT.* BRIAN. JOHNSTON, 2021 **Finding Christ in the Old Testament** Dorothy Russell, 2003-01 Replaced by a new edition 9781845506988 **Finding Christ in the Old Testament** Dorothy Russell, 2011 We can all see the point of the New Testament it tells the story of God becoming Man paying the penalty for our sins and establishing his church here on earth but the New Testament is less than half the Bible what about the Old Testament How does it relate to the arrival of Christ This study shows how the story of God s rescue plan for mankind does not start in the New Testament Christ is in the Old Testament too this study shows you where Helpful notes bring the significance of these chapters into focus and speak clearly to us today Geared for Growth study materials encourage A Daily Encounter with God Your 10 15 minutes each day will strengthen the impact of God s word on your daily living Group learning and sharing Meet weekly in a small group share your answers and be enriched as you learn from others Spiritual Growth You will be challenged to put God s Word into practice Others will feel the impact as you obey grow and mature Church Growth Introduce people to Spiritual reality Your study group could be the stepping stone for others coming to faith **A Picture of Christ in the Old Testament** James L. Goforth Jr, 2018-04-04 We will never grasp God without Jesus Be careful that no one takes you captive through philosophy and empty deceit based on human tradition based on the elements of the world rather than Christ For the entire fullness of God s nature dwells bodily in Christ Colossians 2 8 9 So much time is wasted people trying to explain the world without God and God without Jesus but you can t do it The same of the New Testament is true of the Old Testament If

you don't study the Old Testament your understanding of the New Testament is stunted So taking it a step further if you don't look for Jesus in the Old Testament you are missing the point of the revelation found within it This study doesn't seek to be an exhaustive treatment of the subject There are certainly things I have left out types I have not examined theophanies we don't fully examine and certainly prophecies we couldn't study However this is intended to teach and inspire to deeper study Look closely in virtually every story instruction and prophecy the point is Jesus Now we COULD say that all of these similarities are incidental analogical interesting but not intentional Or we could believe that God always was telling a story HIS Story is always being told in History and so he shaped History to tell HIS Story If so then we can conclude that God intentionally told his story through types even when we did not understand them while they were happening On my first day of The History of Western Civilization in college Dr Goode our professor said This is History This means it is HIS story History is about God So look for HIS story God in the Flesh Immanuel the Seed of the Woman The Angel of the Lord Jesus Christ Son of God

**The Ancient Lovesong**, 1996 Jesus of Israel Richard Veras, 2007 Not only was Jesus a Jew his coming was foreshadowed in stories from Genesis to the prophets Father Richard Veras invites us to enter a more intimate relationship with Jesus Christ through the doors of familiar and not so familiar incidents in the Old Testament The author explores issues with one goal in mind to aid the reader to come to a deeper certainty about Jesus Christ Finding Jesus in the Old Testament David Limbaugh, 2015-11-09 A New York Times Bestseller In Finding Jesus in the Old Testament David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty nine Old Testament books The key to the secrets of the Old Testament Limbaugh argues is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival Limbaugh takes readers on a revealing journey from Genesis through Malachi demonstrating that a consistent message courses through every one of the Old Testament's thirty nine books the power wonder and everlasting love of Jesus Christ Previously published under the title The Emmaus Code

**Finding Christ in the Old Testament** Jean Raddon, 1992 **Preaching Christ from the Old Testament** Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament

**Finding Christ in the Old Testament** Dorothy Russell, 1984\* Jesus Christ in the Old Testament Anthony Tyrrell Hanson, 2011-05-13 **Finding Christ in the Old Testament Through the Aramaic Memra, Shekinah, and Yeqara of the Targums** Adam Joseph Howell, 2015 This

dissertation seeks to find Christ in the Old Testament by examining the targumic passages in which Memra Shekinah or Yeqara occur as God's agent or manifestation Chapter 1 demonstrates that scholars view the Memra Shekinah and Yeqara as agents for God or manifestations of God even though many scholars reject the notion of Christological implications found in the New Testament appropriation of these terms and concepts Chapter 2 discusses the close connection between the targumic Memra Shekinah and Yeqara and the New Testament by citing clear instances where the New Testament authors appropriated targumic terms and concepts to speak of Jesus By using targumic terms and concepts the New Testament authors provided an exegetical method for finding Christ in the Old Testament through Targum Chapter 3 examines the occurrences of Memra presenting examples of passages that certainly refer to Christ do not refer to Christ and probably refer to Christ In this chapter the Memra refers to Christ or probably refers to Christ when the Memra functions as God's agent carrying out God's work in the world Chapter 4 investigates the occurrences of Shekinah and Yeqara but under the influence of the New Testament nearly all of the occurrences of Shekinah and most occurrences of Yeqara refer to Jesus Shekinah and Yeqara are delineated into categories of occurrences that refer to God's manifestation and God's manifestation with agency Even though most occurrences of Shekinah and Yeqara refer to Christ some occurrences of Yeqara are a literal translation of the Hebrew and do not refer to Jesus Chapter 5 concludes the dissertation by tying several themes together to show the consistency and validity of finding Christ in the Old Testament through Aramaic terms and concepts This dissertation argues that when the Memra Shekinah or Yeqara appear as God's agent's or as manifestations of God one may find Christ in those Old Testament passages One may find Christ in these passages because the New Testament authors present Jesus as the premier agent and manifestation of God using targumic terms and concepts Five Views of Christ in the Old Testament Zondervan, 2022-10-25 The authors of the New Testament regularly quote and allude to Old Testament passages that point to the presence person and work of Jesus Jesus himself claimed that Moses wrote about him John 5:46 And on the road to Emmaus Jesus instructed the disciples from Moses and all the prophets regarding himself Luke 24:27 Though Christians affirm that the Old Testament bears witness to Christ how the Old Testament writers did this is a matter of extensive debate Furthermore Christian biblical scholars also debate the degree to which contemporary interpreters of the Bible can follow the hermeneutics of the New Testament authors in using the Old Testament to point to the person and work of Jesus Christ Five Views on Christ in the Old Testament is the first book to bring together in conversation the major views on how the Old Testament points to Christ Contributors and views include The First Testament Priority View John Goldingay The Christotelic View Tremper Longman III The Redemptive Historical Christocentric View Jason DeRouchie The Reception Centered Intertextual View Havilah Dharamraj The Premodern View Craig Carter Each contributor presents their preferred methodology showing readers how their interpretive approach best explains the biblical data Additionally authors provide case studies of various Old Testament passages that equip readers to better compare the strengths and weaknesses of each

of author s approaches This essential resource will help readers learn practical steps to help them read the Old Testament more faithfully as it testifies to Jesus the Messiah      Finding Christ in the Old Testament John Priddle,2011      **The Revelation of Jesus Christ in the Old Testament** G. Albert Darst,2010-09 Christ The Angel of God Christ The Battle Bow Christ A Goodly Cedar Since the time that I accepted Jesus Christ as my Saviour in 1976 I have heard it said that He was the focus of the Bible I have never doubted that I have heard it said that Jesus Christ was the subject of each book of the Bible including the Old Testament I struggled with that not because it was untrue but because no one in my theological circle submitted proof that it was true This book is proof that Jesus Christ can be found in each book of the Old Testament Therefore Jesus Christ is available to become the subject of any book of the Bible if we take this approach to the Scriptures What is the benefit of this approach The Lord Jesus Christ becomes more precious to our souls as we encounter the varied facets of His Person That should be enough but now we can gain new insights into the Godhead and the inspired Word of God This approach provides a fresh reason to study the Bible and a new direction in sermon and lesson preparation Personal and family devotions are given new life in Christ A fresh breeze blows across the pages of the Old Testament The book is arranged for ease of use Section One contains all the designations of Christ arranged alphabetically Section Two contains all the physical aspects of Christ arranged alphabetically Section Three is arranged by the mentions of Christ in each book of the Old Testament Do you have your Bible Do you have this book Begin your journey seeking for the unsearchable riches of Christ      **Finding Jesus Christ In the Old Testament** Olivia Evans,2023-06-30 Finding Jesus Christ in the Old Testament is a collection of short yet insightful quotes that are gathered from various acclaimed Bible scholars originally shared on the Follow Him podcast The book chronologically journeys through the Bible with each scholar highlighting a set of chapters and stories The scholars repeatedly illuminate the hopeful and omniscient character of Jesus Christ amidst this record of human trial and tribulation As we strive to see more of Him in their lives it will help us see more of Him in our lives Each time you read a quote from this book you will leave with a new perspective of God yourself or the world      **Know Your Bible Course, Finding Christ in the Old Testament** Marian Laugesen,Jean Raddon,1983
