The History of Finland Jason E. Lavery, 2006-09-30

Finland has occupied the political religious cultural and economic border between eastern and western Europe since prehistoric times Despite its peripheral location the country has found itself in the mainstream of developments that created modern Europe such as nationalism world wars industrialization and the current political and economic integration The first evidence of human life in Finland began sometime in the millennium 7 000 8 000 B C when small tribal groups populated the area In 1155 Finland became a part of the Swedish kingdom when most of the Finnish peninsula came under the rule of the Swedish king Finland was annexed to Russia as a result of wars between the Swedish king and Russian rulers in 1809 bringing about the Age of Autonomy or Imperial Era The Age of Independence came when Finland's leaders declared the country's political independence in 1917 as a result of turmoil in Russia after World War I Finland along with several newly independent countries had to find its place in the new Europe The country not only did that but created a secure and prosperous country during times of turmoil It has emerged into a place of privilege with high levels of prosperity cultural achievements and social peace Ideal for students and general readers the History of Finland is part of Greenwood's Histories of Modern Nations series With over thirty nation's histories in print these books provide readers with a concise up to date history of countries throughout the world Reference features include a biographical section highlighting notable figures in Finland's history a timeline of important historical events and a bibliographical essay

Finland John Croumbie Brown, 1883

Report on the Economic, Financial and Industrial Conditions of Finland Great Britain. Department of Overseas Trade, 1921

A Short History of Finland Fred Singleton, 1998-10 Finland has often been ignored or misunderstood by the English speaking world and this work presents the reader with a readable and authoritative introduction to the life of the Finns and the position of their country in the modern world The book explains how a small

nation placed in an unfavorable geopolitical situation won its independence and eventually achieved a high material standard of living together with an enviable degree of social and political stability by adapting itself to the realities of life in an unpromising environment Copyright Libri GmbH All rights reserved Finland Finland,Kaarlo Blomstedt,1919
