Fire In The Cradle:

Folklore Methodology Kaarle Krohn, 2014-07-03 Kaarle Krohn's *Folklore Methodology* was the first systematic attempt to state a method of studying folkloristic materials. For centuries scholars had collected folkloristic texts and had commented on them but they had not tried to formulate a method of investigating folklore. *Folklore Methodology* became the handbook for the great Finnish School of folklore research. It provided for its students a guide to the geographical research of traditional materials, a radical departure from the literary scholarship that had dominated folklore studies. Krohn's book explores the causes and modes of folklore diffusion, development and destruction; it outlines the influences that cause change in folklore; it provides valuable insights into the nature of folklore; and finally it develops geographic methods for analyzing, classifying and reconstructing individual items from the folk repertoire. While many developments have taken place since Krohn first published his guide, important new concepts of folklore research sprang from his efforts. For this reason *Folklore Methodology* is mandatory reading for every serious student of folklore. *CMJ New Music Report*, 2000-05-22 *CMJ New Music Report* is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. *CMJ's* trade publication compiles playlists for college and non-commercial stations, often a prelude to larger success. *The World's Work*, 1914 **The Mutiny - The Actions of Captain Zannuck** Scott C.

Anderson, 2014-08-03 Written for all ages, Captain Tim Zannuck and Lieutenant Tee Binnet will break away from the brutal Colar homeworld in search of a better, richer and longer life. Along this journey, they will meet four people from Earth who will teach them what it means to be human. This isn't an easy transition as a parasitic alien race will try to enslave the new population. And the Colars were not overlooked as their own people will try to make an example of the treacherous officers and crew. Earth does not escape this journey as a former secret service agent and his wife will aid the freedom-seeking Colars. Together they will create a new world with freedoms unknown to the ship workers of the lone Colar battle cruiser. Suitable for all ages, this is a story of adventure and discovery as freedom is never free. **Medical Record** Ernest Abraham

Hart, 1878 *Divine Domesticity: Augustine of Thagaste to Teresa of Avila* Marjorie O'Rourke Boyle, 2021-11-01 This volume is a cultural analysis of the home during the Christian centuries when home was believed to be heaven. It investigates the traditional belief in the divine indwelling but by reversing the history of doctrine to venture doctrine as history. Analysis proceeds not by speculation on faculties of the soul but by research on actualities of housing. What did believers experience about habitat, its relationships, its rooms? The book examines four cultural constructs of dwelling: the inn, the sanctuary, the villa, and the castle. Its focus is the hearth as the familial place. A lesson in alterity, it exposes the rejection of the divine indwelling as at home. John 14:23. It discovers a fundamental disparity between domesticity and the asceticism that dominated western civilization. **The Ties that Bind** Barbara A. Hanawalt, 1986 Barbara A. Hanawalt's richly detailed account offers an intimate view of everyday life in Medieval England that seems at once surprisingly familiar and yet at odds.

with what many experts have told us She argues that the biological needs served by the family do not change and that the ways fourteenth and fifteenth century peasants coped with such problems as providing for the newborn and the aged controlling premarital sex and alleviating the harshness of their material environment in many ways correspond with our twentieth century solutions Using a remarkable array of sources including over 3 000 coroners inquests into accidental deaths Hanawalt emphasizes the continuity of the nuclear family from the middle ages into the modern period by exploring the reasons that families served as the basic unit of society and the economy Providing such fascinating details as a citation of an incantation against rats evidence of the hierarchy of bread consumption and descriptions of the games people played her study illustrates the flexibility of the family and its capacity to adapt to radical changes in society She notes that even the terrible population reduction that resulted from the Black Death did not substantially alter the basic nature of the family

of Ballymenone, New Edition Henry Glassie,2016-09-12 In the time of the Troubles when bombs blew through the night and soldiers prowled down the roads Henry Glassie came to the Irish borderland to learn how country people endure through history He settled into the farming community of Ballymenone beside Lough Erne in the County Fermanagh and listened to the old people For a decade he heard and recorded the stories and songs in which they outlined their culture recounted their history and pictured their world In their view their world was one of love defeat and uncertainty demanding the virtues of endurance faith bravery and wit Glassie s task in this book is to set the scene to sketch the backdrop and clear the stage so that Hugh Nolan and Michael Boyle Peter Flanagan Ellen Cutler and their neighbors can tell their own tale which explains their conditions and converts them into a tragedy of conflict and a comedy of the absurd It gathers the saints and warriors and celebrates the stars whose wit enabled endurance in days of violence and deprivation With patience and respect Glassie describes life in a time and a place exactly like no other and yet Ballymenone is like a thousand other places where people work on the land during the day and tell their own tales at night forgotten while the men of power fill the newspapers and history books by sending poor boys out to be killed *The Stars of Ballymenone* is an integrated analysis of the complete repertory of verbal art from a rural community where storytelling and singing of quality remained a part of daily life
