Fire Radiance Love:

The Charismatic Movement John R. Rice, 2000-08
Mysterious Power which Pushes All Things to Perfection

The Inner Radiance Curtiss FH and HA, 2022-08-20 That
Book of Theanna Ellias Lonsdale, Theanna Lonsdale, 1996-01-04
Before she died Theanna then Sara Lonsdale developed a means to continue communication with her husband Ellias The
Book of Theanna contains Ellias daily transcriptions of her words through Death's doors In the course of these epistles she
discusses the scenery of Death the denials and delusions of the recently dead and the nature of sexuality violence and power
The Book of Theanna is not just another account of life after death it is not a channeled book in the sense that that is usually
understood It enacts a virtually unknown and ignored method of spiritual communication Theanna's principal task is to make
this process available collectively so that from this point in history people will be able to come back from the dead and
recognize where we are and the we are

Fire, Radiance, and Love W. Herbert Brown, 1967

Borderland William
Thomas Stead, 1895

The Goodness of God Azariah Springs, 2019-05-25 God is showing in this book many new
revelations the journey using God's weapons of warfare and the result of a man reaching out for God to give instructions in
trials to get his attention off himself for God to reveal his glory You'll find the answers you seek if you trust your Father in
heaven

The Book of Theanna, Updated Edition Ellias Lonsdale, 2011-09-13 The Book of Theanna contains a collection of
letters written by Ellias which he began transcribing from Theanna formerly Sara Lonsdale his wife and twin soul shortly
after her death They communicate and commune through a sacred impulse that rises from the Earth and descends from the
Heavens It is this very current that brings forth a path into the Age of Aquaria In the course of these writings Sara journeys
to Heaven and Hell and the vast Lands in between She paints vivid pictures of her encounters in each of these realms
Through the teachings she brings ways to break the crystallized shell holding us back from ultimate self love and forgiveness
Waving the smelling salts through the words she discusses illness karma the dark side the Lord of Death Christ the death
minds and how to awaken to Truth There is an immense need for Death's truth to fully reveal itself What this updated edition
carries is a renewed and refreshed revelation death is a different death than was ever possible before It can now come
forward in a redemptive fashion Not just another account of life after death not a channeled book in the usual sense The
Book of Theanna comes to break death's spell with the power and intensity of Love from across the veil now returned to
Earth
