Oglesby,2013-06-11 From Buddy Holly and the Crickets to the Flatlanders Terry Allen and Natalie Maines Lubbock Texas has produced songwriters musicians and artists as prolifically as cotton conservatives and windstorms While nobody questions where the conservatives come from in a city that a recent nonpartisan study ranked as America s second most conservative many people wonder why Lubbock is such fertile ground for creative spirits who want to expand the boundaries of thought in music and art Is it just that there s nothing else to do as some have suggested or is there something in the character of Lubbock that encourages creativity as

much as conservatism In this book Christopher Oglesby interviews twenty five musicians and artists with ties to Lubbock to discover what it is about this community and West Texas in general that feeds the creative spirit Their answers are revealing Some speak of the need to rebel against conventional attitudes that threaten to limit their horizons Others such as Joe Ely praise the freedom of mind they find on the wide open plains There is this empty desolation that I could fill if I picked up a pen and wrote or picked up a guitar and played he says Still others express skepticism about how much Lubbock as a place contributes to the success of its musicians Jimmie Dale Gilmore says I think there is a large measure of this Lubbock phenomenon that is just luck and that is the part that you cannot explain As a whole the interviews create a portrait not only of Lubbock s musicians and artists but also of the musical community that has sustained them including venues such as the legendary Cotton Club and the original Stubb s Barbecue This kaleidoscopic portrait of the West Texas music scene gets to the heart of what it takes to create art in an isolated often inhospitable environment As Oglesby says Necessity is the mother of creation Lubbock needed beauty poetry humor and it needed to get up and shake its communal ass a bit or go mad from loneliness and boredom so Lubbock created the amazing likes of Jimmie Dale Gilmore Butch Hancock Terry Allen and Joe Ely

Nefesh HaTzimtzum, Volume 2 Avinoam Fraenkel, 2020-12-29 Nefesh HaTzimtzum provides the single most comprehensive and accessible presentation of the teachings and worldview of the Vilna Gaon's primary student Rabbi Chaim Volozhin It is focused on Rabbi Chaim's magnum opus Nefesh HaChaim a work that has lain in almost total obscurity for nearly two centuries due to its deep Kabbalistic subject matter Nefesh HaTzimtzum opens up the real depth of the ideas presented in Nefesh HaChaim together with all of Rabbi Chaim's related writings making them accessible to the public for the first time in any language In addition to the complete English translation of Nefesh HaChaim Nefesh HaTzimtzum includes the full Hebrew text of Nefesh HaChaim and many other writings by Rabbi Chaim with correspondingly hyperlinked English and Hebrew texts along with in depth explanations an informative historical overview an easily consumable innovative presentation layout and a full index After centuries of confusion extensive clarification is provided of the central Kabbalistic concept of Tzimtzum or the secret of how an infinite God occupies a finite world Most importantly it unequivocally demonstrates that the key Kabbalists including the Vilna Gaon Rabbi Chaim Volozhin and the Baal HaTanya all unanimously agreed on the underlying principles of the concept of Tzimtzum and that contrary to widespread historical misunderstanding there was no fundamental dispute about the philosophical principles of Judaism between the Hasidim and the Mitnagdim Based on this Nefesh HaTzimtzum shows that both Nefesh HaChaim and Sefer HaTanya present the same methodology for serving God which is rooted in their identical understanding of the concept of Tzimtzum Nefesh HaTzimtzum is published in two volumes which are sold separately This companion volume presents a number of important concepts including the concept of Tzimtzum which together enable the true depth of Nefesh HaChaim to be understood It also adds valuable insight by providing the translation of all of Rabbi Chaim Volozhin's published writings which are related to Nefesh HaChaim Additional related writings are also included together with detailed outlines and a full index for both volumes
