Men on Fire Stephen Mansfield, 2020-06-02 Men are in crisis From every direction they are presented with a deformed masculinity One that sees women as conquests rather than partners One that values success at work over success at home One that hinders true and open friendships with other men who hold them up and hold them accountable One that presents them as either the bumbling disconnected dad in sitcoms or the predator in movies and video games and the news Men were made for more than this It's time to rekindle the fire living inside of them and awaken them to the value of valiant righteous manhood Through inspiring stories and hard hitting biblical truths Stephen Mansfield uncovers the seven fires that ought to burn in a man's soul the fires of destiny heritage friendship love battle legacy and God This raw guide to the restoration of a noble honorable manhood will challenge men of every generation to live well invest in others and leave a powerful legacy Being a man isn't about the illusions mass media presents to us as the way we all should live our lives Stephen Mansfield is going to make this clear and he's going to call you to be the man you are meant to be from the foreword by Scott Hamilton four time national and world champion and Olympic gold medalist A brilliant and absolutely essential book Mansfield's prose cuts through the cultural darkness like a lighthouse shining across a storm tossed sea Brad Thor 1 New York Times bestselling author My friend Dr Stephen Mansfield's new book Men on Fire takes us back to the kind of timeless knowledge wisdom and truth that have served as a guide for countless generations of men throughout history It will inspire you to awaken that age old drive and restore that inner voice that says I can do this Thank God for another chance Darrell Green member of the Pro Football Hall of Fame and the NFL 100 All Time Team There is a war on masculinity today one that is leaving males with neither the knowledge nor the drive to become men Seductive sirens of secular socialism lure them into settling to be either thugs or wimps Men on Fire is both the roadmap and the antidote For all of our sakes place this book in the hands of the men you most care about Rabbi Daniel Lapin author TV host and president of the American Alliance of Jews and Christians

Inspiring entertaining intriguing and thrilling He had a smooth and great command of the English language that left one in no doubt of the type of education he had I was not particularly elated about getting a male caller The men have a way of drawing you to their problems which often had to do with their business deals or financial difficulties and you would end up giving the same advice all over again and thus turning the show to be a boring repetition of talks But with the ladies you are sure to bounce on an interesting topic that reveals a lot of a sleazy life history It was not that the men had no history of scandals of theirs to reveal but it was the ladies that normally were more imminent on their life stories Hello DJ SST he said He was definitely not a regular caller probably not even a first caller My buddies on the show were all used to calling me with just SST Yeah you are welcome to the motivation dance club on Peoples FM and what dance steps do you have for us today I asked in my usual polite and rehearsed manner of speaking to a new caller Really sir this is my first time he said rather apologetically I was right He was a first time caller And he was coming with this sir stuff that I haven't heard on the show for such a long time Since I became a buddy and household name to my callers in Lagos everybody was quick to address me just as SST There was no sir or Mr for me now For a caller not to call me with my familiar initials could imply he was a new person on the show as I call it And nobody wants to be seen as a new person on the show in Lagos Anyway I think I like the guy He sounded a little cultured and might even turn out to be a gentleman A gentleman in Lagos Well why not You never know as they say OK you are welcome to the motivation dance club and as you know I am DJ SST and we don't need introduction on the motivation dance club in Lagos We just need more people to move on to our dance floor and show us their dancing steps I was trying to loosen the tension that he exhibited in his voice Yes thanks sir he said *The Fire* Corby Brizendine,2020-08-18
