Vane Weston is ready for battle against Raiden's army, against the slowly corrupting Gale Force. Even against his own peaceful nature as a Westerly, he'll do whatever it takes, including storming Raiden's icy fortress with the three people he trusts the least. Anything to bring Audra home safely. But Audra won't wait for someone to rescue her. She has Gus, the guardian she was captured with. And she has a strange guide left behind by the one prisoner who managed to escape Raiden. The wind is also rising to her side, rallying against their common enemy. When the forces align, Audra makes her play, but Raiden is ready. Freedom has never held such an impossible price, and both groups know the sacrifices will be great. But Vane and Audra started this fight together. They'll end it the same way. **A Hiker's Guide to Scrambling Safely** Tom Morin, 2005 Unroped scrambling over so-called easy terrain is one of the most potentially dangerous recreational activities. A Level Playing Field Gerald L. Early, 2011-04-29 The noted cultural critic Gerald Early explores the intersection of race and sports and our deeper, often contradictory attitudes toward the athletes we glorify. What desires and anxieties are encoded in our worship of, or disdain for, high-performance athletes? What other invisible contests unfold when we watch a sporting event? *Pas de Don't* Chloe Angyal, 2023-05-02 Heather Hays finally has everything she's worked for: she was promoted principal dancer and is engaged to her forever crush, ballet royalty Jack Andersen. But after Jack is caught cheating, Heather's near-perfect life comes crashing down. Determined to prove that she rose to the top on her own merits, she accepts a guest position from the only company that will hire her without Jack: the Australian National Ballet. There, she meets Marcus Campbell, who has had the most hellish year imaginable. When he shredded his Achilles tendon onstage, he lost every chance of his dad seeing him perform before he passed away. Marcus has spent the months since in physical therapy, worrying he'll be too old to dance by the time he's fully recovered. Now he's supposed to play tour guide for the company's new arrival. But as they tour Sydney together, Heather and Marcus discover an immediate mutual attraction, one they absolutely cannot act on. ANB has a strict no-dating policy, and even a hint of romance could cost them both their jobs. Still, Heather has followed the rules her whole life; maybe it's time to break one.
