Laramie Briscoe, From USA Today and Wall Street Journal bestselling author comes a special edition of a heartfelt second chance romance featuring a swoon-worthy man, a single mom, and an adorably cute little girl. I loved this one by Laramie Briscoe. Action-packed and a strong damsel in distress. This was a page-turner and had such a great, sigh-worthy ending. Definitely recommend. USA Today bestselling author Susan Stoker. This edition of Trick features Trick Unwrap Me. The Trick, no matter how hard I try, I'm desperate to help her adjust to the loss of a male figure in her life. The Companion Program that matches adults up with children who have loneliness and abandonment issues is my last hope. The counselors tell me he's doing community service hours, and I ask to sit in on his meetings with Riley. The minute I see him astride the matte black Harley, I know neither my nor Riley's life will ever be the same again. Trick Community Service. Two words I should be

thankful for but I m not I resent the hours away from building my business The two previous kids I d been paired up with didn t work out because their mothers were more interested in getting in my bed than making sure their child was taken care of This next match with a little girl is my last hope Unless this kid works out I m destined to serve time When they push her into the room wearing pink converse with a black dress her crazy curls barely held back by the barrette in her hair and studious glasses on her face I can tell she s scared of new people of change of being pushed aside Something inside of me breaks and I want this girl to feel wanted again What I m unprepared for is meeting her mom The second our hands touch I see fireworks bright lights and a picture of the future I could one day have The future I ve never allowed myself to wish for Community service becomes more than a chore more than the precious hours I have to give up In the months that follow I realize Riley and Hadley are just like me they ve been abandoned left behind by the world forgotten by those who should love them Thanks to the one last hope in both our lives we found the light in the darkness we d been searching for Unwrap Me Life gets a little crazy sometimes especially when you ve got two kids two businesses and you are two parents who are very hands on But when Trick s gift doesn t get here in time for Christmas I have to improvise They say variety is the spice of life To keep my man happy marriage on track and our sanity I decide to give him what he craves most in the world Me With a bow on top Patrick Tennyson won t know what hit him It ll be the surprise of his life and all he ll have to do is follow the instructions Trick Your gift got a little delayed Instead I ve improvised Follow the snowflakes to the bedroom When you get here unwrap me and I m yours Hadley Christmas is about to get so hot we ll be melting the eight inches expected tonight

Alumni Association,1996 **Integrating Play Techniques in Comprehensive School Counseling Programs** Jennifer Curry,Laura Fazio-Griffith,2013-05-01 Play therapy interventions are critical elements of providing

responsive services within the context of comprehensive school counseling programs. However, many school counselors are not trained in the use of play therapy techniques during their graduate training programs as Play Therapy is not a required course based on standards set by the Council for Accreditation of Counseling and Related Education Programs (CACREP) 2009. Indeed, while there are over 400 school counseling programs in the U.S., there are only 11 certified play therapy training centers. Even more critically, school counselors may not know which play therapy approaches and interventions are evidenced based for specific childhood concerns, e.g., selective mutism, social skills deficits, parent deployment. Play therapy is a structured, theoretically based approach to counseling that builds on the normal communicative and learning processes of children as they may not have developed the complexities of language to accurately express their concerns (Carmichael, 2006; Gil, 1991; Landreth, 2002; O'Connor, yet many school counselors are unprepared to provide these vital resources). The focus of this book is on various play techniques and the application of various play therapy theories, i.e., Child Centered Play Therapy, Solution Focused Play Therapy, Cognitive Behavioral Play Therapy, within comprehensive school counseling programs addressing various childhood concerns, prevention, and intervention. Each chapter offers vignettes, a literature review of a specific childhood concern, e.g., homelessness, separation anxiety, pragmatic interventions for the school environment, and a case study to demonstrate application of techniques.
