Imagery For Preaching:

Imagery for Preaching Patricia Wilson-Kastner, 1989 The Web of Preaching Richard L. Eslinger, 2002 The book is a follow up to Eslinger's earlier *A New Hearing* the standard text on the varieties of homiletical method since its publication in 1987 BOOK JACKET **Imaginal Preaching** James A. Wallace, 1995 *Imaginal Preaching An Archetypal Perspective* is based upon the analytical psychology of Carl Gustav Jung and the archetypal psychology of James Hillman This book validates the persistence of image and its integrity as the alternative to rhetoric It approaches preaching as poesis an act of making shaping and forming of and by images **A Manual for the Use of Imagery in Preaching** Gerard R. Fonte, 1980

Envisioning the Word Richard A. Jensen, 2005 In this one volume resource kit Jensen helps preachers use visual images creatively and responsibly How how much when what equipment use of teams relationship to exegesis different varieties of images sources all the essential topics and concerns are addressed here Jensen first discusses how vital if controversial image making has always been in Christian tradition and then demonstrates how preaching with images is both profoundly traditional and necessary to contemporary proclamation His work combines practical advice with religious reflection to enable preachers to help their congregations envision the Word anew The accompanying CD ROM contains not only the full text of the book and helpful study guide but links to the most helpful Websites and Web based sources of images

Heavenly Imagery and Symbolism in Matthew's Gospel Daehoon Kang, 2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew's heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew's distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God's plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25:31-46 **Preaching in Pictures** Peter Jonker, 2015-05-19 The preachers words are meant to connect to resonate with and influence hearers Too often sermons fall short *Preaching in Pictures Using Images for Sermons that Connect* shows how to choose use and illustrate a controlling image in every sermon Readers learn how one effective image can cause the proclaimed word to sink in and transform the listener Peter Jonker helps readers to build skill and confidence with practical instruction examples and straightforward teaching Good preaching isn't just the dissemination of information it is a conduit of Spirit empowered formation Such formative preaching doesn't convince the intellect it captures the imagination A controlling image has the power to do just this to capture the imagination Peter Jonker invites preachers to understand and to effectively use controlling images for formation of the hearer This great book is erudite and accessible theoretically

grounded and yet intensely practical complete with exercises I'll be pointing preachers to it from now on James K A Smith author of *Desiring the Kingdom* Worship Worldview and Cultural Formation Preaching in Pictures opened eyes of my imagination I can't wait to write my next sermon Heidi DeJonge Pastor Westside Fellowship Christian Reformed Church Kingston Ontario Peter Jonker offers preachers practical ways to connect the gospel in the hearts of listeners with a wealth of helpful examples This is a fresh and welcome perspective just the book for preachers whose sermons have reached their shelf life and are in need of new energy John Michael Rottman Professor of Preaching Calvin Theological Seminary Sane balanced assured but also strikingly insightful Peter Jonker's writing is a sheer gift to anyone interested in eventful preaching Every page is worth pondering Jonker writes with great verve and authority Cornelius Plantinga Jr Author of *Reading for Preaching* The Preacher in Conversation with Storytellers Biographers Poets and Journalists *Finding Language and Imagery* Jennifer L. Lord, 2009-11-01 Sermons use words And though it may seem obvious that preachers should be careful and exacting in word choice preachers often set aside this aspect of preaching in favor of exegesis form and sermonic focus and make such language work a secondary task In *Finding Language and Imagery* Jennifer L Lord asserts that because language shapes faith preachers must be disciplined to find fresh words for sermons and to make good choices about both their own words and those borrowed from others By presenting key tools and terms along with writing exercises Lord helps users develop both their understanding of language and their skills to capture the religious imagination of their listeners Book jacket Preaching John Robert Kysar, With this helpful guide preachers can find new and powerful resources for preaching in Johannine language and thought as well as its use of narrative and discourse It combines the practical with proposals for understanding the Gospel and 1 John The Reading and Preaching of the Scriptures in the Worship of the Christian Church: The medieval church Hughes Oliphant Old, 1998 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen **Care-full Preaching** G. Lee Ramsey Jr., 2012-03-15 In *Care full Preaching* G Lee Ramsey Jr offers a new vision for how sermons can energize all members of a congregation to care for one another Using fresh images and sermons from Fred Craddock James Forbes Gina Stewart Barbara Brown Taylor and himself Ramsey demonstrates in practical ways how sermons can create a caring community **The Imagery of John Donne's Sermons** Winfried Schleiner, 1970 Pitfalls in Preaching Richard Eslinger, 1996 Richard Eslinger discusses with insight humor and concision what he sees as the most critical pitfalls in the various contexts of preaching and offers practical strategies for avoiding them **Transformative Imagery** Leslie Davenport, 2016-04-21 Transformative Imagery brings together the voices of

instrumental figures in guided imagery to provide professionals with an extensive detailed overview of the proven transformational potential of imagery Key chapters demonstrate how this can be integrated with conventional medicine to benefit patients and clients in any setting Seeing and Showing the Unseen Adam Szumorek,2023-10-31 As humans we think in images and cannot do otherwise Thus metaphor and imagery often viewed as complex literary devices are in fact the very building blocks of human thought and essential components for understanding the nature of God Exploring how the God of Scripture reveals himself through metaphor and imagery Dr Adam Szumorek utilizes Cognitive Linguistics to help students teachers and preachers understand how meaning is communicated in Scripture and conceptualized within the human brain He provides a theological framework for applying Cognitive Linguistics in biblical exegesis demonstrating its value in aiding our understanding of biblical texts and in communicating that understanding to others through sermons that speak to people s minds hearts and imaginations Both richly conceptual and deeply practical this book equips readers to communicate the unseen allowing others to taste touch and see the invisible yet incarnate God Creating Fresh Images for Preaching Thomas H. Troeger,1982 *What is an Image in Medieval and Early Modern England?* Antoinina Bevan Zlatar,Olga Timofeeva,2017-12-04 The premise that Western culture has undergone a pictorial turn W J T Mitchell has prompted renewed interest in theorizing the visual image In recent decades researchers in the humanities and social sciences have documented the function and status of the image relative to other media and have traced the history of its power and the attempts to disempower it What is an Image in Medieval and Early Modern England engages in this debate in two interrelated ways by focusing on the visual image during a period that witnessed the Reformation and the invention of the printing press and by exploring its status in relation to an array of texts including Arthurian romance saints lives stage plays printed sermons biblical epic pamphlets and psalms This interdisciplinary volume includes contributions by leading authorities as well as younger scholars from the fields of English literature art history and Reformation history As with all previous collections of essays produced under the auspices of the Swiss Association of Medieval and Early Modern English Studies it seeks to foster dialogue between the two periods **Preaching in the Era of Trump** O. Wesley Allen,2017-03-28 Now more than ever it s time to preach The election of Donald Trump left countless faith leaders across the country speechless Now that he is president silence must give way to prophetic preaching Christians have long debated whether politics should be addressed from the pulpit Following Donald Trump s controversial divisive rise to power and the sweeping changes his fledgling administration has already proposed that s no longer a question political preaching will be the order of the day even for pastors who try to steer clear of controversy It s up to preachers to make the church great again by leading it to embrace and embody God s concern for those whose lives are at stake in a Trump administration Veteran teacher preacher and author Wes Allen offers a blueprint for addressing current events through a Gospel lens persuasively and pastorally without engaging in divisive antagonistic rhetoric Available in EPUB EPDF and paperback **Homiletic** David G.
