DeConick, 2009-06-23 April DeConick offers a new translation of the Gospel of Judas one which seriously challenges the National Geographic interpretation of a good Judas *The master is so mesmerizing, the supreme disciple!* Michael Lincolnhol, The streets are bustling the flow of people is like running water At the entrance to the small town a thin and small figure staggered forward bright red liquid oozing out of her body swirling everywhere Strangely the roadside flowers and grass were already soaked with blood and for a moment it was like drinking a fairy spring changing at a speed visible to the naked eye and soon the whole body of these flowers and grass was like there is a glint of prophecy She squatted down to stroke the other flower and grass her fingertips passed through the stem of the flower without any hindrance her face was sad she withdrew her hand stood up and continued **The Immortal** Angela Elwell Hunt, 2000-07-01 Claudia is stunned by Asher Genzano's story Who is he A fanatic A religious zealot A raving lunatic Or is he what he says he is a 2000 year old man

**HUASHAN IMMORTAL GATE CHAPTER 01** Dang The Bao,2025-07-24 HUASHAN IMMORTAL GATE CHAPTER 01 Donglin Town is not big not small not small Such a town stretches from one end of the street to the other and can be walked through in just one stick of incense The town normally has life and is extremely peaceful And when something unusual happens in such a town people will immediately start talking excitedly like right now Have you heard that the 10 year old son of Doctor Luc Nguyen was accepted as a disciple by a white haired Taoist priest and obtained immortal fate On the riverbank Lady Trieu was washing clothes and said That ghost got to be an immortal s disciple is there such a good thing

**Images of the Immortal** Paul R. Katz,2000-01-01 The Palace of Eternal Joy Yongle gong is a mammoth cult site dedicated to one of late imperial China s most popular deities Lu Dongbin In one of the first book length studies of a Chinese sacred site Paul Katz focuses on the Palace s role in the development of Lu s legend This highly innovative approach takes into account the various histories of the Palace presented in different texts and surpasses previous scholarship by stressing the ways in which the site both reflected and produced cultural diversity Katz breaks new ground by analyzing the texts in terms of the textuality the processes by which they were produced transmitted and understood The study begins with a detailed description of the Palace of Eternal Joy and a brief account of its history The reader is then introduced to the cult of Lu Dongbin Special consideration is given to various hagiographical traditions particularly those that influenced the growth of his cult at Yongle Throughout late imperial China a growing number of worshipers among them scholar officials Taoist priests artisans and dramatists created an ever burgeoning variety of images of Lu ranging from a patron god of ink makers and prostitutes to a member of that powerful yet rambunctious group of spirits known as the Eight Immortals In this context the author explores the Perfect Realization Taoist movement s adoption

of Lu's cult during the Jin and Yuan dynasties and highlight the social and religious factors that led to Lu's immense popularity in north China during the late imperial era. Katz next looks at the four types of inscriptions found at the Palace: commemorative, official, hagiographical, and poetic, and identifies the Palace patrons who worshiped there and contributed to its growth. In the description and analysis of the Palace murals that follow, he divides these works into two types: those painted to provide a setting for and even an object of Taoist rituals performed at the Palace, and those used to instruct Perfect Realization Taoists and perhaps pilgrims. The final section traces the reception of the Palace texts among the people of Yongle and its environs. Here Katz examines the ways in which patrons tried to impose their representations of the Palace's history and the cult of Lu Dongbin on other members of the community and assesses the extent to which these efforts succeeded. *Images of the Immortal* is richly informed by a wide reading in social, cultural, and literary theory, as well as a thorough awareness of previous work in comparative and Chinese religion. Scholars of Taoism, Chinese popular religion, and art history will find it especially rewarding for its thought-provoking reinterpretation of an important religious figure and his cult.

**Cultivation Tao with Primordial Power** Luo Shen, 2020-05-20. Li Xuan, who was forcefully reincarnated, obtained the Primordial Purple Light, the ancestor of all things in the universe when it was born. After reincarnating, he had a physique that had five attributes of metal, wood, water, fire, and earth at the same time. The physique of the five elements gave him limitless strength, but also made him shoulder the heavy responsibility of the Heavenly Dao. The chaos of the Heavenly Dao was only waiting for his arrival. Some people conformed to the dao of the heavens, but there were also people who defied the will of the heavens, seeking out a chaotic situation. When everything was about to become clear instead.

**The Path to Immortality** Mark L. Prophet, Elizabeth Clare Prophet, 2011-01-07. What is immortality? Does it mean living forever in the same physical body? *The Path to Immortality* shows that immortality means total liberation from the duality of this world and absolute freedom through spiritual mastery and higher consciousness. Immortality, it shows, is your divine right and the destiny of your soul. This far-reaching work unfolds metaphysical truths about the law of cycles and the seven bodies of man, the planes of consciousness, the inner working of the chakras, and the flow of energy through them. It also explores what the soul is and how we can take care of it, the meaning of the fiery trial, dangers that confront the soul on the homeward path, and tools to deal with them.

**The Immortals** Guillaume Rozenberg, 2015-04-30. In 1952, a twenty-six-year-old man living in a village in Central Burma was possessed by a *weikza*, humans with extraordinary powers including immortality. Key figures in Burmese Buddhism, *weikza* do not die but live on in an invisible realm. From there, they re-enter the world through possession to care for people's temporal and spiritual needs while protecting and propagating Buddhism. A cult quickly formed around the young peasant, the chosen medium, for four *weikza* ranging in age from 150 to 1000 years. In addition, these *weikza* appeared regularly in the flesh. *The Immortals* plunges us into the midst of this cult, which continues to attract followers from all over the country who seek to pay homage to the *weikza*, receive their teaching, and benefit from their power. The cult of the

four weikza raises a number of classic anthropological issues particularly for the anthropology of religion the nature of the supernatural and of belief the relations among religion magic and science the experience of possession It also provides a window on contemporary Burmese society To contemplate both the author adopts an unconventional approach which itself reflects representation in anthropology or more precisely how anthropology uses description and the interpretations description occasions to make sense of what it studies The writing makes clear both the indigenous take on reality and the work of anthropological understanding as it is being elaborated along with the ties that connect the latter to the former Mixing narration of the incredible with reflection on the forms religious experience takes The Immortals offers us a way to accompany the author into the field and to grasp to take up and make our own the anthropologist s interpretations and the realities to which they pertain

*The Thirteenth Apostle* April D. DeConick, 2007 April DeConick offers a new translation of the Gospel of Judas one which seriously challenges the National Geographic interpretation of a good Judas
