Roman Republic provides an accessible introduction to Caesar's life and public career. It outlines the main phases of his career with reference to prominent social and political concepts of the time. This approach helps to explain his aims, ideals, and motives as rooted in tradition and demonstrates that Caesar's rise to power owed much to broad historical processes of the late Republican period, a view that contrasts with the long-held idea that he sought to become Rome's king from an early age. This is an essential undergraduate introduction to this fascinating figure and to his role in the transformation of Rome from republic to empire.

Julius Caesar William Shakespeare, 1916

The Untold History of the Roman Emperors Michael Kerrigan, 2016-07-15

The Caesars were the rulers of the Roman Empire, a Republic so large it encompassed parts of Asia and Northern Africa. From Caligula to Claudius, each emperor wielded immense power for good or for evil, depending on their temperament over the Roman army and their citizens. This book highlights the lives of some of the more memorable Caesars of Rome and the true history that exists beneath the legends.

Caesar's Blood Rose Williams, 2013-12-12

This history, based on events recorded by ancient historians Sallust, Tacitus, Cassius Dio, Suetonius, and others, reads like a novel. It explores the reigns of the Roman emperors Augustus, Tiberius, Caligula, Claudius, and Nero. The demands of heredity loomed large in their lives. Those who sprang from greatness must be great themselves, whether or not they had either the ability or the desire to be so. This book presents the challenges and dilemmas of the Caesars and their contemporaries in narrative form, with interpolations of dialogue as the ancient writers did, taking the known facts and interpreting the characters through them, giving real people the motivations they may have had. This book provides readers a new, thought-provoking look at one of the most fascinating families in history and one whose profound effect upon the world still touches us today.

This history, based on events recorded by ancient historians Sallust, Tacitus, Cassius Dio, Suetonius, and others, reads like a novel.
