Jump Into Life:

Guiding Spirits (Veritas) Michele L. Sayre, 2023-06-17 GUIDING SPIRITS VERITAS The beauty of poetry is that we try to express with the fewest words possible the entirety of life and our natures and what it is like for us to live upon this planet Words become a song that we sing out into the universe trying to reach out to like minded souls It is our nature to express ourselves and share who we are with the cosmos There s a certain fearlessness attached to a poem when it s presented to the world There s always that one iota of fear where the poet feels that they are alone in their views and someone else will not get them at their most basic level of humanity Poetry is saying Here I am universe Take me as I am I hope you love me but if that cannot happen I will be satisfied if you just don t ignore me To be heard is to matter and that is all any of us want to fulfill the wish that our lives matter That what we think and feel and hope matters to someone other than ourselves This book is an exploration and experiencing of the world around us through the poet s eyes when she was much younger than she is now Through any age we all experience the same emotions desires wants dreams and just a heart felt wish that we matter to someone in this universe even if it s ourselves POETRY EXCERPT FROM THE BOOK Sweet Music Like the truest violin my heart sings in me It quivers and vibrates with my love for thee It shivers and shakes and begins anew This pulse in my heart it sings just for you An enchanting melody that follows me round not a more haunting melody can ever be found You are that violin and I am your bow Stroking you touching you loving you so The hardness the softness the shimmering air fills with sweet music because I m with you there It resonates and rings with the love we ve found My world is just music it rings with our sound I know our last note will never be played because I know this true love never fades On the Road to Find Out Cherie Bell, 2014-04-22 On the Road to Find Out an MLS Journey begins with a crisis that eventually turns into inner exploration and world travel Cherie Bell writes with humor and honesty of her decision to return to college after almost thirty years to work on a liberal studies degree in graduate school Her intention was to focus on world religion and philosophy but varied interests led her to courses that would take her around the world She writes in detail about her journeys to India and to World War II sites in England and France More poignantly she reveals how liberal arts studies became a journey into the self and exploration of the mind and soul **A Cop's Life** J.K. Wallace Wallace, 2012-11-24 If you a family member or someone you know wants to be a Cop tell them to think about it some more before they jump into life s cesspool As a Cop they will roll in the sloppiness of society s underbelly and slog slowly through a quagmire of drugs drunks and thieves Every once in awhile you will encounter an act of kindness or goodwill that will make being a Cop worth it all This is a story base on the author s thirty six years serving the public as a Sheriff a Road Cop an Undercover Operative an Investigator and eventually Supervisor of Investigations for all of Northwest Indiana This area included Gary Indiana a city known at one time to be the murder capital of the U S Book 1: Introducing The Body Life Skills Program Tanya Curtis, 2017-08 The Body Life Skills program offers a simple practical user friendly and life changing 3 step process that brings about lasting behaviour

change Individuals families and industries related to challenging and or unwanted behaviour mental health and psychological well being are reporting a steady rise in negative statistics This is concerning and suggests the current and traditional approach is clearly not working The Body Life Skills program presents a series of books that will revolutionise Behaviour Change Psychological Well Being and Mental Health for all those ready and willing to take an honest look at the current approach and appreciate we need another way The Body Life Skills program when implemented successfully brings about positive and lasting change for individuals families groups organisations and government departments even in cases when other attempts have failed This series is for those who are serious about bringing true and lasting change The Body Life Skills program is suitable for anyone ready to truly understand and change unwanted behaviour used by self or any other person right across the board

Spiritual Game Olinda Capece,2015-09-20 Seek the seeker instead of enlightenment Once you find the seeker enlightenment is already there This book isn't about enlightenment but about you the seeker To Kiran Baba when people come to India seeking a spiritual life or enlightenment as it is better known among seekers they come with many misunderstandings and misconceptions about life itself These misunderstandings and misconceptions if not properly understood can lead people to much more misunderstandings and confusion and even make them prone to get easily caught in what Kiran Baba calls The Holy Business which seems to be an increasing factor in India due to the number of foreigners who are heading to the Country every year in search of spiritual guidance In his discourses Kiran Baba shares with his friends the seekers his understanding about life how it naturally functions He speaks about the many misunderstandings that one has while entering into the spiritual life He warn us about the so many games we can fall for in name of enlightenment He clarifies the most important concepts related to the nature of the mind and the ego how they function and how they are naturally required by life He invite us to have our own understanding about what we believe we are missing in our lives and start realizing each of us as an unique divine creation And if you are available his discourses can also give you some clues where you can connect to life again but this time having your own understanding that it is possible to relax and celebrate life in whatever situation it is bringing to you You will understand that life cannot be a misery life cannot be suffering Life when deeply understood is just a play and it is absolutely beautiful

Passing Guests Alan Davey,2025-01-23 The psalmist's cogent lines that humans are both passing guests and aliens like all of our forebears Ps 39:12 bind humans together in their lived experiences This temporary status on earth is reinforced in the changing seasons from winter to spring to summer to fall year after year The seasons are both a physical reality persons experience and a metaphor for their spiritual journeys The days are not all the same as varied as the seasons they come and go carrying with them a mixture of calm and stormy periods of pain and pleasure of light and dark The voyage of life is replete with the accompanying emotions and sensations whether joyful or despairing Attending to the seasons with their own rhythms and colors provides a helpful conduit for a journey into deeper things a spiritual exploration one might say

Passing Guests a collection of fifty two short reflections coordinated with the changing weather of the four seasons seeks to support this exploration Each entry centers on a quotation from a wise person who inspired the musings Some entries are accompanied by photographs taken by the author suggesting new avenues for meditation beyond the words on the page Whatever season one is in the hope is that through such attention readers will find themselves in concert with the Giver Sustainer and Healer of all that truly matters to recognize they are valued loved and welcomed guests of the Creator and Redeemer God as they travel their days under the sun *The Weekly Underwriter* Alasco Delancey Brigham, Henry Rogers Hayden, 1928

Retirement Rebel Siobhan Daniels, 2022-10-20 Approaching retirement and frustrated with her job Siobhan Daniels made a BIG decision to start living life on her own terms Rather than hiding from life's challenges she bought a motorhome and drove off to find them Retirement Rebel is Siobhan's honest and uplifting story of how one woman stepped off the merry go round of life slowed down and started enjoying the journey Of how she sold up packed up and hit the roads of the UK with no real plan embarking on a positive ageing adventure and hoping to inspire women across the country with her message that retirement could actually be the start of life's adventures With no shortage of mishaps and hardships along the way not least being commanded to stay at home during the Covid lockdowns despite always being at home wherever she was Siobhan's story can inspire us all Her message is that we can make simple lifestyle changes to feel happier and more fulfilled Because at the end of the day age shouldn't be a barrier to having an adventure **Proceedings of the ... Annual Playground Congress and ... Year Book** Playground Association of America, 1910 **The Sacred Book of U** Ruth Gould-Goodman, 2008-08-22 This information gifts people the power to stand in their truth Our time in history demands that every single person who can stand for truth come forward She's Arrived A contemporary voice of the Deep Feminine has finally come to join today's conversation on consciousness and enlightenment In The Sacred Book of U Ruth Gould Goodman mother and wife dancer breath movement master and oriental and energy medicine practitioner elucidates a fresh philosophically sophisticated and accessible perspective on feminine spiritual enlightenment For the modern student or new devotee of consciousness and the power of mind The Sacred Book of U offers a nuanced and compassionate understanding of positive vs negative thinking Obviating the typical dualistic posture towards negativity or pain of many consciousness paths The Sacred Book of U radically proposes that pain is the Universe knocking on our door providing the only human way into expanded consciousness and true spiritual growth The Voice of the Mother moreover asserts that spiritual growth can only be initiated through the body the universal yet uniquely individual portal to a holistic divinity in an otherwise divided and fragmented world Birthed from a lifetime's marriage of body breath movement practice and a deep clear mind Ruth's work provides a tangible grounded and whole systems perspective on authentic transformation Complete with personal stories containing universal messages mind body exercises for practical application and philosophical discussion of some of today's most pressing global concerns The Sacred Book of U is a treasure for spiritual readers and

students looking for an accessible path of enlightened living and a truly holistic and grounded spiritual practice The world has been withheld from the feminine s secret for too long Those who have been ready for an alternative to the long dominant masculine voices of spirituality will experience Ruth s teachings with relief and eager enthusiasm
