Chapters are dippable into and ideas and concepts are introduced by exercises and practical examples The book does of course cover the new release Java 2 JDK 1 2 and it also includes the Java Self Tester which lets readers determine whether they are ready to take Sun s Java Certification exam There is also an essential reference section which provides detailed solutions to real world Java problems and new Java features No one intending to move over to Java should be without this book   Next Generation Wireless Applications Paul Golding,2008-04-30 Cuts through the hype Golding s compelling offers visionary but practical insights A must have reference treatment for all practitioners in the mobile innovation space Jag Minhas Telef nica O2 Europe Second edition of this best selling guide to Wireless Applications fully revised updated and with brand new material In Next Generation Wireless Applications Second Edition the author establishes a picture of the entire mobile application ecosystem and explains how it all fits together This edition builds upon the successes of the first edition by offering an up to date holistic guide to mobile application development including an assessment of the applicability of new mobile applications and an exploration into the developments in a number of areas such as Web 2 0 3G Mobile TV J2ME Java 2 Micro Edition and many more Key features of this second edition include New introductory chapters on trends in mobile application and on becoming an Operator Two new chapters on Mobile 2 0 and IMS and Mobilizing Media and TV Extra material on convergence Web 2 0 AJAX Asynchronous JavaScript and XML HSDPA High Speed Downlink Packet Access and MBMS Multimedia Broadcast Multicast Service WiMAX Worldwide Interoperability for Microwave Access and WiFi Best practice on how to present to sell to and work with operators More insights anecdotes and sidebars reflecting the author s extensive experience in the industry Next Generation Wireless Applications will prove essential reading for professionals in mobile operator and mobile application developing companies web developers and developer community managers Media companies general managers business analysts students business consultants and Java developers will also find this book captivating If you want to understand the future of mobile applications and services their potential impact and the growth opportunities this is the perfect starting point Martin Smith Head of Content Innovation Applications T Mobile   Iterating Infusion Greg Anthony,2017-01-16 Iterating Infusion Clearer Views of Objects Classes and Systems is a one of a kind book not dependent on any single technology Rather it provides a way to integrate the most efficient techniques from a variety of programming methods in a manner that makes designing and programming software look easy Iterating Infusion presents comprehensive tools for you to best manage and work with object orientation These include simplified fundamental concepts popular language comparisons advanced designing strategies a broad usage progression thorough design notations interaction algebra and data oriented fundamentally OO languages The title Iterating Infusion alludes to the fact that any system has multiple coexisting functional levels and that new levels both lower and higher are continually added to the same functional area The practical effect is to bring processes into focus always clarifying the vague The extreme form of this is when separate but compatible technologies are brought together to create advancements these can be baby steps or great

leaps with varying amounts of effort In more general terms the same thing in a different context can take on much more power And actually this phenomenon is at the heart of object oriented software Readers have been confirming that compared to books on just low level details Iterating Infusion presents cohesive insights that allow you to solve more problems with the same effort in more key places   Not Just Java Peter Van der Linden,1999 PLEASE PROVIDE   **Core Java 2: Fundamentals** Cay S.
