A **poem** is a piece of writing in which the words are chosen for their beauty and sound and are carefully arranged, often in short lines which rhyme.

EXAMPLE OF POEM

Hold fast to dreams
For if dreams die
Life is a broken-winged bird
That cannot fly.

Hold fast to dreams
For when dreams go
Life is a barren field
Frozen with snow.

Poems of the American Empire Jen Hedler Phillis,2019-11-01 Poems of the American Empire argues that careful attention to a particular strain of twentieth century lyric poetry yields a counter history of American global power The period that Phillis covers from Ezra Pound s A Draft of XXX Cantos in 1930 to Cathy Park Hong s Engine Empire in 2012 roughly

matches what some consider the ascent and decline of the American empire The diverse poems that appear in this book are united by their use of epic forms in the lyric poem a combination that violates a fundamental framework of both genres relationship to time This book makes a groundbreaking intervention by insisting that lyric time is key to understanding the genre These poems demonstrate the lyric form s ability to represent the totality of history making American imperial power visible in its fullness Neither strictly an empty celebration of American exceptionalism nor a catalog of atrocities Poems of the American Empire allows us to see both

The Selected

Poems of Tu Fu Tu Fu, David Hinton, 1989-06-17 For over a millennium Chinese literati have almost unanimously considered Tu Fu 712-770 A.D. to be their greatest poet Tu Fu radically altered poetry as he found it in the High Tang period In addition to making formal innovations in language and structure he extended the range of acceptable subject matter to include all aspects of public and private experience thus becoming in the words of translator David Hinton the first complete poetic sensibility in Chinese literature This edition of *The Selected Poems of Tu Fu* is the only comprehensive selection of the poet's work currently available in English While retaining a scholar's devotion to the text Hinton has attempted to recreate Tu Fu's poems as new systems of uncertainty By reflecting all the ambiguity and density of the originals he has created compelling English poems that significantly alter our conception of Chinese poetry Included with the poems are the translator's introduction and translation principles as well as a biography of Tu Fu together these provide a fascinating portrait of a uniquely sensitive spirit during one of the most tumultuous periods in Chinese history
