**Make Space** Regina Wong, 2017-08-15 We simply have too much stuff in our lives Burdened by our heavy consumerist culture to continually own and consume without purpose we lose ourselves to debt dissatisfaction and despair If having more doing more and being more does not allow us to live abundantly what can Minimalism can make all the difference A minimalist life removes non essentials and clutter whether it's physical clutter in your home or a cluttered

mental state that holds you back from your goals and makes space for only the most important things that truly add value and joy Make Space offers you the tools to achieve this transformative mindset shift by marrying minimalist philosophy and principles with practical tips activities and action points that will unlock truly simple living Among others learn how to Avoid Stuffocation by reducing unnecessary possessions Declutter your home to create an ideal living space Design and efficiently maximize minimalist budgets Clear the mind of negative distractions and be intentional Avoid emotional drains to be empowered The art of minimalism requires intentionally purging building crafting and curating the type of life you ve always wished you lived And when you ve finally removed all forms of clutter you ll invite all things good and extraordinary into your most intimate spaces

Positive Psychology Across the Lifespan Piers Worth,2022-02-22 Positive Psychology Across the Life Span provides an insight into how we are affected by the different stages of adult development and gives us the opportunity to change through choice rather than leaving change to chance The science of positive psychology offers a wealth of research and evidence based interventions and shares insights into which habits and behaviours contribute to how to live a flourishing life This book aims to extend that knowledge by introducing and incorporating key aspects of existential and humanistic psychology and explores positive psychology with a lifespan perspective It goes beyond theory to look at practical application with insightful reflective questions Whilst acknowledging the differences and disagreements between some of the key figures in the subject areas of the book it seeks to highlight the areas where there is agreement and congruence which have been previously overlooked or ignored The book will be essential reading for students and practitioners of positive psychology as well as other mental health professionals

Performing Shakespearean Appropriations Darlena Ciraulo,Matthew Kozusko,Robert Sawyer,2022-06-29 Performing Shakespearean Appropriations explores the production and consumption of Shakespeare in acts of adaptation and appropriation across time periods and through a range of performance topics The ten essays moving from the seventeenth to the twenty first century address uses of Shakespeare in the novel television cinema and digital media Drawing on Christy Desmet s work several contributors figure appropriation as a posthumanist enterprise that engages with electronic Shakespeare by dismantling reassembling and recreating Shakespearean texts in and for digital platforms The collection thus looks at media and performance technologies diachronically in its focus on Shakespeare s afterlives Contributors also construe the notion of performance broadly to include performances of selves of communities of agencies and of authenticity either Shakespeare s or the user s or both The essays examine both specific performances and larger trends across media and they consider a full range of modes from formal and professional to casual and amateur from the fixed and traditional to the ephemeral the itinerant and the irreverent

**Parent-Babble** John Rosemond,2012-10-09 If you were to stack all the current parenting books on top of one another the resulting pile would be nearly four times the height of the Freedom Tower Parenting expert John Rosemond has dubbed this imaginary narrative construction the Tower of Parent Babble and as was the case with the Tower of Babel the building blocks of its construction have led to mass

confusion with frustrated anxious clueless and stressed out parents raising spoiled egocentric unfocused and unhappy children In Parent Babble Rosemond asserts that America has been in the throes of an ever deepening child rearing crisis since the 1970s and he explains how parents have moved away from the child rearing basics of the 1950s and 1960s to focus on raising children with high self esteem But what could be wrong with high self esteem Plenty according to Rosemond High self esteem is associated with anti social behavior and little regard for others In addition children reared on postmodern psychological parenting theories are 10 times more likely to experience a serious emotional setback by the age of 16 compared with children who grew up in the 50s and 60s In Parent Babble Rosemond deconstructs the faulty theories points out the experts who have led parents astray and calls for a return to values a return to civility and a return to raising healthy happy and productive adults
