## **Fiona Says:**

*Fiona Says* Diana Hendry, 1998-08 These two delightful stories tell of how Fiona indoors a real chatterbox makes a friend finds her tongue and is able to talk outside the home The second tale concerns one day when everything starts to talk to her even her satchel      **Brainwashed** Danny Holland DIPC, 2023-12-08 Gabriel has always viewed his Uncle Seanna through the starry eyed wonder of childhood regarding him as nothing less than a hero Their reunions are filled with excitement a testament to the bond they share But as Gabriel grows older he begins to see a different side of Seanna one that s dark and manipulative As Seanna s influence over Gabriel grows the young man becomes ensnared in a web of deception and malevolence However when Gabriel finds love his girlfriend recognizes the danger that Seanna poses She sees the manipulative hold Seanna has over him and becomes determined to intervene Can love break the chains of manipulation And will Gabriel discover the true nature of his once beloved uncle before it s too late      **The Truth Club** Grace Wynne-Jones, 2013-01-10 The Truth Club is a tender wry look at families truth and love Marriage seems to have stirred up all sorts of weird longings in Sally Adams On the surface she seems to have everything she needs to be happy So why is she guzzling so many chocolate biscuits and dreaming of elsewhere She has good friends an interesting job and an almost brand new husband Then a chance encounter with a stranger makes it all too clear that life could have been so different if she had followed her heart She begins to wonder if the key to fulfillment lies not in the present but in the past Over fifty years before Sally s Great Aunt DeeDee the official black sheep of the family disappeared When Sally uncovers a scandal that has left deep fault lines in her family she begins to understand the legacy of lies and secrets that are echoed in her complicated relationship with her sister April As she unravels the mystery she begins to see what she has been hiding from And she learns that to be who she truly is and to find her soul mate she must be honest and she must be brave      Richard Mallinson's Fast Fiction Richard Mallinson, 2013 At only a page each in length Richard Mallinson s elegantly structured short stories are a pithy fast fiction for a modern multimedia age A rapid succession of carefully worked observations the stories read like a dynamic anthology of life s collisions and interactions its projected plans and unexpected rotations There is a great joy in the subverted the interviewer becomes the interviewee the private detective becomes the conspirator as well as an interest in the open ended Possibility abounds for these are always tales of the present the past is unclear and the future unwritten Adhering to the strict one page format the writing is marvelously precise it is highly disciplined but infinitely rich conjuring the most unique and sharply observed characters with remarkably few words If indeed we read fiction in order to meet individuals as the character Tolson declares in Mallinson s Tolson s Creed then in this anthology we are introduced to a plethora of distinct personalities rendered all the more compelling by their relentless unpredictability      *Every Gift a Curse* Caroline O'Donoghue, 2023-05-09 Magic sensitive Maeve wants to save the innocent from a dangerous cult But how much can she delve into darkness without becoming what she fears The exciting conclusion to the Gifts series Big things are happening

for Maeve and her tight knit coven in Kilbeg Ireland Fiona lands a role on a TV show Roe's band is poised to hit the big time and Lily has a new punk style and passion for tattooing Then there's Maeve whose magic is growing stronger and more frightening She finds herself increasingly lashing out doing and saying cruel things without knowing why When her recurring dreams begin to involve her physically manifesting in other places Maeve realizes the power she wields might not be entirely under her control She turns to enemy turned maybe friend Aaron for help which means pushing her other friends away But when the two learn that the religious cult the Children of Brigid is kidnapping vulnerable teenagers in preparation for a dangerous ritual Maeve must risk letting an older magic consume her She'll need all the protection and love she can get from her scattered coven
