Fire in the Streets Kekla Magoon, 2014-02-28 Right after Maxie and her first boyfriend Sam got into their first major fight Sam's brother and best friend died in the fight for racial equality      *Fire in the Streets* Kekla Magoon, 2013-08-27 In the aftermath of Dr King's assassination in 1968 Chicago fourteen year old Maxie longs to join the Black Panthers whether or not her brother Raheem ex boyfriend Sam or her friends like it and is soon caught up in the violence of anti war and      **Fire in the Streets** Milton Viorst, 1979 In the 1960s a nation that had prided itself on its political stability found its political system no longer equal to meeting the demands for change A people who had taken for granted a collective commitment to public order was suddenly stunned by the fragility of its institutions and the assaults upon the values they represented This is the story of how Americans for the first time took to the streets by the thousands sometimes by the tens of thousands to resolve disputes once left to the established governmental process *Fire in the Streets* is the dramatic account of the sequence of events the range of ideas the diversity of personalities and the nature of the explosive confrontations which made up the richness and complexity of the period And it is about how political change effectuated during the decade has remained permanent Book jacket      Fire in the Streets Douglas R. Groothuis, 2022-07-12 From the origins of critical theory in the bowels of the academy to its use in justifying rioting and arson in the name of a dubious equity agenda an eminent philosopher unmasks the intellectual origins of this mental virus and details steps rational thinkers can take to combat its insidious spread What can we do amidst all the controversies over race and gender in society today Do we have anything constructive to offer the world As Jesus followers we do and this book shows the way A dangerous and revolutionary philosophy is responsible for the street fires in America It fuels the actions of Black Lives Matter and Antifa It invades curricula in public schools and in our military It is in our churches You have heard the phrase white privilege the need for safe spaces on campuses and perhaps the tongue twister intersectionality Behind all of these is an ideology called critical theory which is a form of cultural Marxism that divides society into the oppressed and the oppressors It claims that America is systemically racist and founded on slavery It believes that the voices of the minorities should trump the perspective of the dominant and oppressing culture Unfortunately this flawed perspective is overtaking our culture and infiltrating many of our churches In this book we consider the importance of critical theory explain its origins question its aims and subject it to a logical critique Readers will Gain a better understanding of critical theory See how it is permeating many aspects of society Discover how it opposes a Christian worldview Learn how to counter it constructively A biblical alternative to matters of justice and politics is available One that is right and true One based on the ideals of the American founding Find it in these pages      **A Fire in the Streets** Nicholas F.
