Fire A Ladybird Leader:

The American Issue ,1915 **The New Leader** ,1968 Lawrence's Leadership Politics and the Turn Against Women Cornelia Nixon,1986-01-01 During the Great War D H Lawrence changed from an optimistic socialist revolutionary to a misanthropic elitist preaching leadership Cornelia Nixon shows that this change has a private sexual dimension that is always reflected in his subsequent political thinking Whereas earlier works including *The Rainbow* glorify sex procreation and the female little known essays contemporaneous with *Women in Love* and to some extent that novel itself favor transcendence of desire subjection of the female apotheosis of the male and a male paramilitary hierarchy based on love The erotic dimension of this shift suggests that fear of women and latent homosexuality are essential ingredients of the authoritarian reaction Nixon revives the thesis that the anomie to which fascism and protofascism were responses was brought home to men not only by the public agitation for women s rights but also by the private sexual assertion of newly independent women *Jane Goodall* Dale Peterson,2008 Peterson shows clearly and convincingly how truly remarkable Goodall s accomplishments were and how unlikely it is that anyone else could have duplicated them This biography details how Goodall helped set radically new standards and a new intellectual style in the study of animal behavior **Women, Spirituality, and Transformative Leadership** Kathleen S.
