## **Fire Dawn:**

**Fire Dawn** Virginia Coffman,1977      Stonecavern Laura Woodward,2011-03-11 In the silent aftermath he heard a gurgle of water He was dusty and dirty from the rock explosion and the splashing of the water beckoned him Water emerged from an opening high overhead and gently cascaded down the rocks to form a pool He leaned over and splashed the water over his face letting its refreshing coolness linger A few drops fell from his hands and formed rings in the water Sliding his hands down his face he peered into the clear pool Whats this At first he thought his eyes played a trick on him and then he looked again Gradually the entire valley below came into focus as if he possessed the sight of a dragon He could clearly see every farm down to the trees planted in the orchards He stepped back and his eyes went to the golden throne elevated above the pool of water One could sit upon the throne and look into the water surveying the land below He walked over to admire its workmanship Gently his long thin fingers touched the markings etched into its massive arms the same mysterious symbols that covered Stonecaverns walls The embedded gems sparkled in the fire light invitingly He stepped onto the stone platform and sat down It fit him perfectly Rubbing his hands over the arm rests he marveled at how seamlessly his gems blended into the gold Master craftsmanship or dragon power Either way he felt an unequalled power of transformation radiate from the magnificent piece Could he use this power to transform his thoughts to his evil intent      *Fire Management Today* ,2002

*Goddess X* Robert St. Clare,2006-04 *Goddess X* begins in the heart and mind of Keith Martin a twenty six year old social worker who is slightly neurotic and overly nostalgic for the 1970s He reluctantly trudges through his existence resenting the present time and mourning the loss of his utopian childhood spent with Dawn the kind and beautiful next door neighbor who raised and nurtured him while his parents nurtured their careers His banal reality shatters forever when he and his co workers attend the grand opening of a ghoulish new bar called No Escape Keith is shocked when he witnesses the owner of the bar Dawn s conniving and controlling husband David passionately kissing another woman Realizing that he must warn Dawn Keith decides to contact her despite the pain it will cause him to face his lost love a woman twenty years his senior a woman who was like a mother to him Overcoming his fear Keith makes a trip to his old neighborhood and pays a visit to Dawn who welcomes him with tears and hugs They quickly discover that their bond is as strong as ever but that they must also face an awkward and intense physical attraction Infused with new hope they vow to never lose each other again Keith s newfound bliss is short lived as he discovers the dark secrets of the past His entire being is shaken when he learns that Dawn the Goddess of his childhood had been verbally and physically abused by David throughout their entire marriage He also learns that Dawn s house his childhood sanctuary is being plagued by paranormal phenomena which began in 1974 when David and his mistress Rosa tried to invoke an evil spirit into the body of a marionette during a party Enraged by this information Keith begins an investigation that leads from the past to a future where David and Rosa a self proclaimed sorceress are planning a bizarre and demonic demise for Dawn that s twenty four years in the making For a brand new writer

Robert St Clare has the skills and abilities of a seasoned author Like Charles Dickens he gives his characters many dimensions so much so that the reader can't help liking and disliking the right ones You really want to travel through the adventures and misadventures of Keith Martin whose love for an older woman his former baby sitter Dawn overpowers him He therefore falls prey to the dangers awaiting him commandeered by Dawn's evil husband David and his mistress Rosa an expert in Tibetan sorcery An interesting and compelling tale in the flavor of Edgar Allen Poe especially in St Clare's flash backs to the 70's obsessions with drugs and the occult A gripping page turner C Verrastro Who's Who Among American Teachers Inductee

Coonan, 2012-05-14 The tide has turned against the royals Princess Dawn along with her cousins Evan and Ian as well as her friends Mizu and Alan experienced a narrow victory over Magica this past summer And though it is now early autumn the battle is heating up The shattered body of demon Ralston Radburn is causing chaos all over Fadreama These little fragments of evil latch onto the darkness in the hearts of both humans and demons giving them the power to live out their most evil desires Dawn and her friends begin the immense task of seeking out these fragments and purifying them but find more than a few obstacles in their way Not only is Dawn looking for fragments but so is the dark Goddess of Hate sorceress Magica She has dispatched her Shadow Senshi to gather Fragments of Cardew so that she may use them to create the ultimate warrior Of course there is Ralston Radburn himself skulking about in the body of Alice's cousin Lance The foul scheme he is concocting may be enough to outweigh all of Magica's ambitions The battle over fragments suddenly takes on a new dimension when the most unexpected thing happens the fragments develop their own consciousness Words are whispered on the wind when a dark cloud hovers over Devona The words say revolution Events have been set into motion that cannot be halted Fadreama sits on the eve of change At such a precarious time there is only one thing left to do try

Korn,2007-03-05 There has been many novels written about the

Civil War in the East Now Dan Korn brings to life the incredible story of the western theater's first major battle the titanic struggle between two massive ill prepared armies as they met on the shore of the mighty Tennessee River at a lazy riverboat landing called Pittsburg Landing Nestled in a glen not far from the water's edge was a sleepy house of worship named Shiloh Meetinghouse Shiloh means place of peace After the events of early April 1862 Americans would never think of peace when they heard the name Shiloh ever again As Dawn's Gray Steel opens the South is reeling over the recent twin losses of the Tennessee forts Henry and Donelson and the taking of the Tennessee capital Nashville by the thus far victorious western armies of the North These victories have given the North a new hero in the form of a quiet and unassuming leader Ulysses S Grant To the North Grant has become Unconditional Surrender Grant To end the string of Yankee victories the Confederacy turns to the quixotic and charismatic Albert Sidney Johnston a man some consider to be the greatest soldier in the Confederacy and the man Jefferson Davis entrusts to save the Confederacy in the West It will become Johnston's mission to end Grant's run Victory has brought Grant fame and with that fame comes a certain relaxed feeling in Grant that allows him to place his still relatively inexperienced Army of the Tennessee into camp along the Tennessee without taking many defensive precautions It is this relaxed atmosphere that causes deep anxiety in one of Grant's newest division commanders the cigar chomping wild eyed William Tecumseh Sherman Grant assures his new subordinate that Johnston would be crazy to attack the Union Army where they are It is a mistake that Johnston is determined to make Grant regret Johnston refuses to heed the advice of his own subordinates and decides to launch an all out attack against the still unsuspecting Union camp Against all odds the attack will be almost a complete surprise stunning the unsuspecting Union forces with its ferocity The bewildered Yankees fight back with pluck and equal determination but the Confederate forces will be on the verge of a stunning victory when fate and the incredible stubbornness of one man intervenes It will be here at Shiloh that Johnston will bet his life and roll the iron dice of battle in one magnificent gamble In the smoke filled swamps and ravines along the Tennessee Sherman will be forced to finally face his fears and find a joy in the depth of his abilities he never knew existed And it will be here in the incredible maelstrom that roars about him that Grant will demonstrate for all to see an amazingly unflappable coolness a coolness that will allow him to see what no other man sees that day and enable him to snatch an incredible victory from almost certain defeat It will be an amazing ability that will help propel him down the path to unprecedented glory respect and eventually the trust of his President A trust that will eventually bring Grant to the East and an inevitable meeting with Robert E Lee
