The Season of the Hyaena (Akhenaten Trilogy, Book 2) Paul Doherty, 2012-09-25 A mysterious stranger appears in the Nile Delta has the Emperor Akhaten returned to Egypt Capturing Ancient Egypt in all its beauty and brutality Paul Doherty's powerful novel *The Season of the Hyaena* brilliantly evokes the atmosphere of the hyaena world in which the ally standing beside you at one moment may turn the next Perfect for fans of Christian Jacqs and Wilbur Smith An opulent banquet to satisfy the most murderous appetite Northern Echo Mahu former Chief of Police and Keeper of the Secrets of the Heart is sitting down to record his memories He sees uneasy quiet reigning in the Royal Circle at Thebes after the disappearance of the Pharaoh Akenhaten and the abandonment of his new sun worshipping religion Members of different factions are barely held together by loyalty to the six year old Emperor Tutankhamun Then extraordinary news reaches the Council Akenhaten has returned to Egypt The words are greeted with dismay by all who hear them for surely Akenhaten is dead Mahu can certainly vouch that the woman claiming to be the Emperor's wife Nefertiti is a fraud Whoever the man is who has appeared in the Delta he must be investigated What readers are saying about Paul Doherty Without a shadow of a doubt 5 stars for the *The Season of the Hyaena* The sounds and smells of the period seem to waft from the pages of Paul Doherty's books Doherty again manages to tell the story in a fascinating manner you fly over the pages Gods, Goddesses, and Saints Barbara Carroll, 2015-12-15 Chanting exists in many religious and spiritual traditions The practice of chant focuses the mind and body with simple physics of sound while the choice of chant can reflect a specific need or honor a tradition *Gods Goddesses and Saints* is a user friendly in depth guide to a solitary practice of chant and meditation providing chants from many faiths from pagan deities to saints from many religions Beautifully organized in many different ways this book encourages you to explore the resonance of important figures and their associations and meanings across many traditions You will also find blank forms to help you create your own chants and meditations *Gods Goddesses and Saints* provides a fresh view of spiritual practice and new ideas for the future of faith Soul Eater Series Pippa DaCosta, *What Happened to the Ancient Library of Alexandria?* Mostafa El-Abbadi, Omnia Fathallah, Ismail Serageldin, 2008-02-28 In adopting the theme of *What Happened to the Ancient Library of Alexandria* this book aims at presenting afresh a highly specialized discussion of primary sources related to the diverse aspects and episodes of that long disputed question The book covers a wide range of topics beginning with an initial presentation of different Ancient Egyptian types of library institutions with a special focus on the later Coptic Nag Hamadi Library It then deals with the troubled times under later Ptolemies and Romans when the Royal Library the Daughter Library and the Mouseion came under a succession of threats Caesar's Alexandrian War in 48 B C and during the tragic developments in the third and fourth centuries which ultimately culminated in the destruction of the Serapeum that housed the Daughter Library A discussion of the intellectual milieu during the fourth and fifth centuries follows as well as the conflicting attitudes within the Church with regard to classical learning An analysis of historical and new archaeological

For Jung the beautiful and brilliantly creative 28 year old Christiana Morgan was an inspired force whose path in self analysis paralleled his own quest for personal knowledge By teaching Morgan the trance like technique of active imagination Jung helped her embark on a series of archetypal adventures which she depicted in paintings of great virtuosity and he candidly recounted at a seminar given to some of his closest followers Through his eloquent description of the fiery mythic visions of a woman discovering her repressed sexuality and feminine power Jung reveals how deeply this encounter challenged his understanding of feminine psychology These two volumes bring together for the first time colour reproductions of Morgan s paintings with a complete transcript of the seminar      *The Book of the Dead* ,1974      **Everyday Wicca** Gerina Dunwich,2018-11-27 Seasonal rites and blessings from a New Year s resolution spell to a golden goddess prayer by the author of *Wicca A to Z A Modern Witch s Encyclopedia* Written by Wiccan expert Gerina Dunwich *Everyday Wicca* is both an essential gateway for anyone seeking to add magick to their life and a thorough examination of magickal living for longtime practitioners of the pagan arts A fascinating study of spellcasting and a thoughtful survey of the Wiccan calendar this insightful work will guide the modern witch through everyday rituals spells and Sabbats celebrated during the Wiccan Wheel of the Year A handy glossary and an invaluable resource section are also included for both the solitary witch as well as those in a coven      *Medicine for the Earth* Sandra Ingerman,2010-05-05 From cross cultural legends recounting shamanic cures to the biblical accounts of the parting of the Red Sea and Jesus multiplying the loaves and fishes many spiritual traditions are rich in stories about seemingly inexplicable transformations of the natural world The ancient healing art of transmutation in which toxic substances are transformed into safe substances is mentioned in all the world s great spiritual traditions including Hinduism and Taoism And while many have tapped this body of work to heal the self it has yet to be used to heal our environment For twenty years Sandra Ingerman has studied alternative ways to reverse environmental pollution In this book Ingerman takes us on a remarkable journey through the history of transmutation teaching us how we can use this forgotten technique to change ourselves and our environment She provides us with creative visualizations ceremonies rituals and chants derived from ancient healing practices that produce miraculous scientifically proven results In one dramatic illustration of what can be accomplished when consciousness and awareness fuel our actions Ingerman describes her own success in transforming the nature of chemically polluted water      **The Atum-Re Revival** Melusine Draco,2013-04-26 An interest in the magic religion and spirituality of the ancient Egyptians continues to increase steadily as people begin to realise that it is possible to follow this ancient tradition in the 21st century The Egyptian religion is the oldest recorded belief system in the world having just entered its sixth millennium and it still can still teach us how to live today in both earthly and cosmic harmony      *Divine Soil* Gregory J. individual prophylactic texts whose anatomical focus is the ear Many of the texts specifically state that they are intended for the protection of the ears of a king named Psamtik a historical figure who ruled Egypt in the seventh century BCE The fact that this papyrus was created to serve a sole purpose and function the protection of the ear distinguishes it noticeably from earlier Egyptian medical and magical texts that are largely encyclopedic and were intended to serve a broad range of purposes The present study contains an introduction and full translation with extensive philological and textual commentary as the texts of this papyrus are rich in mythological allusions The commentaries are largely based on comparison with contemporary and older Egyptian texts that although not direct parallels as there are none serve nonetheless as a rich resource for comparative analysis that has led to a more informed reading of this important document [Educational Media Resources on Egypt](#) University of Michigan.
