Fire Of Your Life A Solitude Shared:

The Fire of Your Life Maggie Ross, 1988 The Living Church , 1983 Seeds of the Spirit Richard H. Bell, Barbara L. Battin, 1995-01-01 This book brings together a selection of classic spiritual writings from the twentieth century's most inspirational authors. Arranged thematically, this book is ideal for use as a spiritual primer for laity and clergy alike and is also helpful for sermon preparation. The topics include alienation and loneliness, holiness and spirituality, justice and kindness, purity of heart, humility and renunciation, spiritual presence and incarnation, and worship, gratitude, and joy. Challenging and engaging, these writings will invite us to explore and deepen our sense of the sacred in our everyday lives. Selections are from the work of Karl Barth, Daniel Berrigan, Dietrich Bonhoeffer, Martin Buber, Dorothy Day, Matthew Fox, Gustavo Gutierrez, Dag Hammarskjöld, Vaclav Havel, Abraham Heschel, Martin Luther King Jr., Madeleine L. Engle, C. S. Lewis, Thomas Merton, Mother Teresa of Calcutta, Henri Nouwen, Brother Roger of Taizé, Dorothee Soelle, Simone Weil, and many others. A short biography of each writer is included.

The Westminster Collection of Christian Meditations Hannah Ward, Jennifer Wild, 2000-08-01 Over 500 meditations from more than 250 authors, classic and contemporary, are arranged by themes that address individual needs and concerns in this extensive anthology of Christian meditations.

Letters to Jacob Fr. John-Julian Swanson, OJN, 2016-01-01 What is all this contemplative prayer people are talking about these days? I never heard anything about that back in my parish. Is this really part of the Christian tradition or some New Age import from Buddhism or some other ism? The question came from a young man in college seriously considering a priestly vocation. The answer was a series of letters of spiritual direction that dealt often radically with Christian prayer, both in general and then more intensively in its contemplative dimension. Those letters have been edited, re-written, expanded, and polished into *Letters to Jacob: Mostly About Contemplative Prayer*, with a nod to C. S. Lewis, a rare look at the contemplative life from the inside. At last, a discussion of prayer by an expert that corrects errors, some of which are 500 or more years old. It does so gently, meaningfully, and above all usefully. And all of this is done in the wondrous prose of Fr. John-Julian, steeped as he is in the great English Mystics. Rev. E. Perren Hayes, retired priest, Biblical scholar, John-Julian has spent a lifetime advising souls and writes about prayer in a way that may be surprising, even unsettling at first. This little book is perfect for those who don't understand why educated people of the 21st century continue to pray and is a deep well of wisdom for those that do.

Royce D. Miller, Oblate of the Order of Julian of Norwich **Living on the Border of the Holy** L. William Countryman, 1999 The first thing to say in our exploration of priesthood is this: priesthood is a fundamental and inescapable part of being human. All human beings, knowingly or not, minister as priests to one another. All of us, knowingly or not, receive priestly ministrations from one another. Unless we begin here, we are not likely to understand the confusions and uncertainties and opportunities we have been encountering in the life of the church itself in recent years. We shall be in danger, in fact, of creating makeshift solutions to half-understood problems, easy answers to misleading questions, temporary bandages for institutions that need to be healed.

from the ground up L William Countryman There is a lot of tension in churches today about whose ministry is primary that of the laity or of the clergy L William Countryman argues that we can only resolve that problem by seeing that we are all priests simply by virtue of being human and living as we all do on the mysterious and uncertain border with the Holy Living on the Border of the Holy offers a way of understanding the priesthood of the whole people of God and the priesthood of the ordained in complementary ways by showing how both are rooted in the fundamental priestly nature of human life After an exploration of the ministry of both laity and ordained Countryman concludes by examining the implications of this view of priesthood for churches and for educating those studying for ordination **Mystics Quarterly** ,1990 **The Safest Place**

Heart Maggie Ross,2013-02-13 The subtitle of Maggie Ross s new book captures its essence for it is about silence and our need to behold God Beholding is a notion that we are in danger of losing It is often lost in translation even by the NRSV and the Jerusalem Bible Beholding needs to be recovered both in theology and practice Ross is very aware of poor talkative Christianity There is a twofold plea to enter into silence for lack of silence erodes our humanity and to behold the radiance of God This is a book full of deep questioning and the testing of our assumptions Throughout there is a great love for the world and for our humanity accompanied by sadness that we are so easily distracted We are invited into a silence that is not necessarily an absence of noise but is a limitless interior space Ancient texts are used in new and exciting ways and many of our worship practices are challenged She is in no doubt that the glory of the human being is the beholding of God adapted from a review in *The Church Times* London by Canon David Adam **Becoming a True Spiritual Community** Larry
