Fire On The Beach:

Fire on the Beach Eva Mills,2000 On a family vacation to the beach Scott stumbles upon a crime being committed and helps find the people involved Fire on the Beach David Wright,David Zoby,2002-01-10 From the Civil War to the turn of the century this is the true life story of the original coast guard and one crew of African American heroes who fought storms and saved lives off North Carolina s outer banks Fire on the Beach recovers a lost gem of American history It tells the story of the U S Life Saving Service formed in 1871 to assure the safe passage of American and international shipping and to save lives and salvage cargo A century ago the adventures of the now forgotten surfmen who in crews of seven bore the brunt of this dangerous but vital duty filled the pages of popular reading material from Harper s to the Baltimore Sun and New York Herald Station 17 located on the desolate beaches of Pea Island North Carolina housed one such unit and Richard Etheridge the only black man to lead a lifesaving crew was its captain A former slave and Civil War veteran Etheridge recruited and trained a crew of African Americans forming the only all black station in the nation Although civilian attitudes toward Etheridge and his men ranged from curiosity to outrage they figured among the most courageous surfmen in the service performing many daring rescues From 1880 to the closing of the station in 1947 the Pea Island crew saved scores of men women and children who under other circumstances would have considered the hands of those reaching out to help them to be of the wrong race In 1896 when the three masted schooner E S Newman beached during a hurricane Etheridge and his men accomplished one of the most daring rescues in the annals of the Life Saving Service The violent conditions had rendered their equipment useless Undaunted the surfmen swam out to the wreck making nine trips in all and saved the entire crew This incredible feat went unrecognized until 1996 when the Coast Guard posthumously awarded the crew the Gold Life Saving Medal The authors depict the lives of Etheridge and his crew against the backdrop of late nineteenth century America the horrors of the Civil War the hopefulness of Reconstruction and the long slide toward Plessy v Ferguson that followed Full of exploits and heroics Fire on the Beach like the movie Glory illustrates yet another example of the little known but outstanding contributions of a remarkable group of African Americans to our country s history **Fire on the Beach** ,1968* **The Fire Island National Seashore** Lee E. Koppelman,Seth Forman,2008-02-14 A comprehensive account of the history of the Fire Island National Seashore since its creation in 1964 Brassey's Naval Annual Royal United Services Institute for Defence Studies,1916 **A Close Encounter** Richard Harwood,1994 *Operation Market Time* , Campfires at the Beach James Nugent,2015-02-12 Forward There is something primitive about a campfire It warms us protects us and we can cook raw foods with it There is something about the hot flames consuming bits of wood Fire stimulates ancient feelings of connectedness to human beings long ago Set at the beach with the night sky overhead it can speak to something deep in our DNA It can encourage us to desire the simple things in life These things are basic things which can sustain us a little longer The following tales are completely true and can draw all of us to think about the

important things in life They all take place around different campfires at the beach In some cases the names have been changed to honor the privacy of people Yet their stories were so rich in humanity that it would have been a shame to not tell them Sometimes a campfire is more than it seems at first These adventure and beach fires took place over a period of 13 years Seven summers were in the San Juan Islands and six of them were on the southern Puget Sound During this time I started hundreds of beach fires for cooking and survival purposes I began to realize that a fire on the beach somehow can mean more than localized combustion for utilitarian purposes The taming of fire was one of the hallmarks of early civilization It connects us to our past on a deeply subliminal basis and perhaps it connects us to our futures Fire on the Beach Alfred H. R. Hong, 2006 **Fire Protection Service**, 1922 **Long Beach LNG Import Project**, 2005 **The London Gazette**, 1915 **Hot Zone** Christopher Teale Howes, 2012-10-06 This memoir is a riveting account of what it is like to be a professional firefighter from rookie to chief officer over the course of a 31 year career The anecdotes are funny sad and grim all serve to educate readers about a profession that many dreamed about when they were children but would never pursue or truly understand Chief Howes provides a better understanding of the profession and respect for the men and women who protect our communities by relating his own experiences as well as those of other firefighters in some of the busiest stations in the country The author is donating 10% of royalties to the National Fallen Firefighters Foundation the nonprofit group dedicated to the development and expansion of programs to honor our fallen fire heroes and assist their families and coworkers **Engineers of the Southwest Pacific, 1941-45** United States. Army. Forces, Pacific, 1959 Orange Coast Magazine, 2007-07 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle Fire Engineering, 1926 **Fire and Water Engineering**, 1913 **Current History and Forum**, 1915 New York Magazine, 1982-07-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954*, 2003
