McCabe, 2025-06-28 Reprint of the original first published in 1877 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **A History of Russian Exposition and Festival Architecture** Alla Aronova, Alexander Ortenberg, 2018-10-03 This collection of thirteen vignettes addresses several important episodes in the history of Russian temporary architecture and public art from the royal festivals during the times of Peter the Great up to the recent venues including the Sochi Winter Olympics The forms and the circumstances of their design were drastically different however the projects discussed in the book share a common feature they have been instrumental in the construction of Russia's national identity with its perception of the West simultaneously a foe and a paragon looming high over this process The book offers a history of multidirectional relationships between diplomacy propaganda and architecture *The Rotarian*, 1987-07 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine *The Journal of American History* Francis Trevelyan Miller, 1912 **Comprehensive Calendar of Bicentennial Events** American Revolution Bicentennial Administration, 1975-06 **History of the City of Grand Rapids, Michigan** Albert Baxter, 1891 *Fireworks, Picnics, and Flags* James Cross Giblin, 1983 Traces the social history behind America's celebration of Independence Day and explains the background of such national symbols as the flag the bald eagle the Liberty Bell and Uncle Sam *Paris and the Cliché of History* Catherine E. Clark, 2018-07-19 This book turns a compelling new lens on thinking about the history of Paris and photography The invention of photography changed how history could be written But the now commonplace assumptions that photographs capture fragments of lost time or present emotional gateways to the past that structure today's understandings did not emerge whole cloth in 1839 Focusing on one of photography's birthplaces Paris and the Cliché of History tells the story of how photographs came to be imagined as documents of the past Author Catherine E Clark analyzes photography's effects on historical interpretation by examining the formation of Paris's first photo archives at the Musée Carnavalet and the city's municipal library their use in illustrated history books and historical exhibitions and reconstructions such as the 1951 celebration of Paris's 2000th birthday and the public's contribution to the historical record in amateur photo contests Despite the photograph's growing importance in these forums it did not simply replace older forms of illustration visual documentation or written text Photos worked in complex and shifting relation to other types of pictures as photographers popular historians and publishers built on the

traditions and iconography of painting and engraving in order to both document the past scientifically and objectively and to reconstruct it romantically In doing so they not only influenced how Parisians thought about the city s past and how they pictured it they also ensured that these images shaped how Parisians lived their own lives especially in deeply charged moments such as the Liberation after World War II This history of picturing Paris does not simply reflect the city s history it is Parisian history
