**The Funniest People in Books and Music** David Bruce, 2005-11-01 The Funniest People Who Write Books and Make Music contains such anecdotes as these When Peg Bracken started writing she would often type the first page of a famous short story for inspiration Often she discovered that

the page did not look as impressive typed on a sheet of paper as it did printed on a page in a book so sometimes she would imitate her English professor and write on the sheet of paper You can do better than this Mr Faulkner Andri Previn played jazz with a couple of American African musicians Afterwards he went into a diner where two white men asked him Why the hell don t you play with your own kind Mr Previn replied To tell you the truth I wanted to but I couldn t find two other Jews who swing Soccer and Cup Final day are important in England Once the noted conductor Sir Thomas Beecham held a rehearsal on Cup Final day The rehearsal had been going on for only a short time when a giant television was delivered to the rehearsal area Sir Thomas then said Now gentlemen let s get down to the most important business of the day watching the match
