A Little Bit Me, A Little Bit You 2 Fred Velez, 2020-10-14 The sequel to Fred Velez s first book *A Little Bit Me A Little Bit You The Monkees From A Fan s Perspective* continues The Monkees story from the viewpoints of fans from around the world Many rare photos Includes interviews with the daughters of Davy Jones Monkees friend Valerie Kairys Venet The New Monkees plus More When I heard that Fred Velez was working on another book I literally jumped out of my seat with excitement His first was the ultimate Monkee fans book *A Little Bit Me A Little Bit You The Monkees From a Fan s Perspective* I was able to re live so many great Monkee moments through his writing many that I d even forgotten about The Monkees knew Fred and loved him They weren t the only ones who knew and loved Fred all his fellow fans do too and I am one of them He is a dear friend beyond the Monkee world Every band or artist in the world would be a little better off with a super fan like Fred who for over half a century has only given his love and devotion Excerpted from the Introduction by Charles F Rosenay *Legends of Rock & Roll - The Monkees* James Hoag, 2020-05-20 Hey Hey We re the Monkees Who doesn t remember those famous words This is another in the series of tributes to rock and roll heroes of the past and present Micky Davy Peter and Michael were America s answer to the Beatles They were a great band after a little practice they had their own television show and they even made a movie The Monkees really started on February 6 1964 That s the famous day the Beatles appeared for the first time in America and performed on The Ed Sullivan Show Each of the four guys who would later become the Monkees were watching that night and like so many other performers of the Sixties it inspired them They each felt that they could do what the Beatles were doing and they hadn t even met each other yet Inside you will discover Introduction The kickoff for the book and my thoughts on the group In the Beginning First I explore how the television show came to be Micky Dolenz A short biography of Micky s early life Davy Jones Also a short bio of Davy growing up Peter Tork And I do the same for Peter Michael Nesmith Last but not least a short bio of Michael in the years before the Monkees The Coming Together of the Monkees The coming together of four complete strangers Tommy Boyce Bobby Hart While these two were not part of the Monkees they had a profound impact on their music The Pilot Getting the TV show off the ground Becoming a Real Band How four seemingly different people became a single unit a rock and roll band Last Train to Clarksville The story behind their first big hit The First Album The Monkees Their first album Did they really play on it at all I

m a Believer This is one of their biggest hits a classic The Reverse British Invasion The boys go to England and make quite an impression Headquarters Time to work on their second album Pleasant Valley Sunday Their third number one single in a row Another great hit Daydream Believer This would make it four number ones in a row and become their signature song A House of Cards All was not well in Monkee land The Birds The Bees The Monkees The album that was produced as the band was falling apart Head They thought that making a movie would revitalize their careers 33 1 3 Revolutions per Monkee Their last grand hurrah A variety show that did not entertain The In Between Years Each Monkee goes his own way and tries to create his career MTV Revives The Monkees In 1986 MTV brought back the Monkees to a whole new generation Justus They get back together to do one more album One Last Tour Another last What was to be their last tour together The Loss of Davy Jones The untimely death of Davy Jones Now the Monkees can never re unite Legacy of The Monkees Every Legends book has a section on the notable accomplishments of the performers Afterword My closing thoughts Selected Discography A selected reference of the works of the performers **A Little Bit Me, a Little Bit You** ,2014 A Little Bit Me A Little Bit You The Monkees From A Fan s Perspective chronicles the stories of fans and their personal experiences with the 60 s Pop music group While groups like the Beatles and Rolling Stones were seen as the Mt Olympus in music they were adored but inaccessible to their fans The Monkees on the other hand cheerfully assured their followers Here we come We may be coming to YOUR town The connection between The Monkees and their public was much more unique in that they welcomed their fans into their world Fred Velez known for over 40 years as a Monkees super fan as the Master of Ceremonies for the Monkees Conventions Writer for the Monkee Business Fanzine and Blog Writer for the Monkees net takes the reader on a fascinating journey as he follows the group from its earliest days Fred through his experiences pictures and memorabilia tells the tale of the Monkees He writes about the TV show the music the concert tours the different career paths the members of the group took and the effect the untimely death of Davy Jones in 2012 had on the fans Fred was one of the privileged few who went from being a kid sitting on the floor in the living room watching his favorite TV show to an adult sitting in Davy Jones living room as he helped Davy work on a book Also included are the stories of other fans and how they too had very personal involvement with the boys in the band whether they were sitting in the audience or up on the stage sharing the spotlight This book is a heartfelt tribute from the fans to Micky Davy Peter and Mike Fred Velez shares never before seen pictures of The Monkees in various venues stories that will make you laugh and personal recollections of fans who had their lives touched by this amazing music group Fred also adds to the story by highlighting the decades with historical events and his interactions with other music greats like John Lennon Ringo Star Paul McCartney the Ramones KISS and Jersey s own Uncle Floyd Jerry Beck well known Animation Historian and another big Monkees fan writes in his introduction to the book I m grateful to Fred for making it possible for me to wave my Monkee freak flag high Fred is one great guy and a true believer to the end His book and experiences with Monkee fandom and the Monkees themselves make a great story and tell the tale

from another perspective The Fan s perspective I hope they will read and enjoy Fred s story as it speaks for all of us who have ever felt that art transcends a single viewing and how it touches our lives in such a positive way
