Im Chocolate Youre Vanilla:

I'm Chocolate, You're Vanilla Marguerite Wright, 1998-09-09 I m Chocolate You re Vanilla teaches parents and educators of black and biracial children how to reduce racism s impact on a child s development *I'm Chocolate, You're Vanilla* Marguerite A. Wright, 2000 Another Mother Sarah Gerstenzang, 2007 One night after midnight social workers brought a baby girl to the author s home and her life as a foster mother began A social worker herself Gerstenzang discovered that raising Cecilia deespite all the personal joys would be a complex and frustrating process of co parenting with the foster care system in New York City Foster parents are in great demand but they are not necessarily treated well We follow the author through the home visits the Early Intervention evaluation the WIC program that with much bureaucratic hassle provides free formula and cereal and the mandatory parenting training sessions She comments When Michael and I became foster parents we learned how stigmatizing demoralizing and just plain inconvenient and time consuming being part of the unentitled population can be With the exception of Early Intervention we often felt that the programs were more concerned with regulating our behavior than with providing services Regular meetings with the birth family were also part of the process Not only were they awkward for all concerned but each visit involved a commute of several hours One social worker admitted that she preferred a foster parent who didn t work because that person could more easily comply with the time consuming regulations Sarah and her husband Michael also agonize over complying with special regulations about hiring babysitters or traveling anytime we left New York State we needed to ask the agency s permission which in turn had to get the signed consent from the birth mother Central to Another Mother is the issue of transracial placement Sarah remembers That first day the contrast between my pale skin and Cecilia s brown skin seemed glaring Not only did I feel that I had someone else s child I felt that I had a child from another culture Would I owe someone an explanation Gerstenzang is recalling the 1972 opposition of the National Association of Black Social Workers Her account is full of anecdotes and reflections about race acceptance and prejudice from others the feelings of her two children about having a sibling of a different race and culture keeping beginning with skin and hair care *The Cendovian* Mark Hennessy, 2020-03-16 Our Code Transcends Us and Becomes Us Stanford computer science professor Richard Nelson is on a mission to save humanity from itself To do so he must first save his wife Virginia In this quest Richard and his neuroscientist friend Pari seek the code to immortality Leveraging artificial intelligence and virtual reality they build a new world they call Cendovia and an organization so secret most do not know they are even in it A dramatic first day of college for Richard s top students Victor Marisa and Connor sets them on a collision course with this secret organization For Victor things start off bad and keep getting worse He struggles to change his fortune struggling most of all to uncover the mystery his professor hides Marisa and Connor team up to help Victor as these three friends strive to become the superheroes Richard has called on programmers to be While unlocking the capability to transcend into digital form Richard and Pari grapple with the moral questions such transcendence awakens At

the risk of losing his grip on reality Richard reshapes his world to retain the memory of his love as he journeys into an after life of his own creation Though a looming danger approaches he remains willing to die for his cause and most of all for Virginia But how many deaths must he endure

Don't Let It Get You Down Savala Nolan, 2022-07-19 An incisive and vulnerable yet powerful and provocative collection of essays Savala offers poignant reflections on living between society's most charged politicized and intractably polar spaces between black and white between rich and poor between thin and fat as a woman The daughter of an Afro Latinx father and a white mother Savala's light complexion has always contrast her kinky hair and broad nose to embody what old folks used to call a whole lot of yellow wasted With her mother's beckoning she began her first diet at the age of three and has been nearly skeletal and truly fat multiple times She has lived in poverty and had an elite education with regular access to wealth and privilege She has been in the in between It is these liminal spaces the living in the in between of race class and body type that gives the essays in *Nearly Not Quite* their strikingly clear and refreshing point of view on the defining tension points in our culture Each of the twelve essays that comprises this collection are rife with unforgettable and insightful anecdotes and are as humorous and as full of Savala's appetites as they are of anxieties The result is a lyrical and magnetic read In *On Dating White Guys While Me* Savala realizes her early romantic pursuits of rich preppy white guys wasn't about preference but about self erasure In *Don't Let it Get You Down* we traverse the beauty and pain of being Black in America as men of color face police brutality and large Black females are ignored in hospital waiting rooms Savala offers an angle to inequities that is as deft as it is lyrical In *Bad Education* we mine how women learn to internalize violence and rage in hopes of truly having power And in *To Wit and Also* we meet Filliss Peggy and Grace the enslaved women owned by her ancestors reckoning with how America's original sin lives intimately within our stories Over and over again Savala reminds readers that our true identities are often most authentically lived not in the black and white in the grey in the in between Perfect for fans of *Heavy* by Kiese Laymon and *Bad Feminist* by Roxane Gay this book delivers a fresh perspective on race class bodies and gender that is both an entertaining and engaging addition to the ongoing social and cultural conversation
