Some People Just Don't Get It* Trapper Woods,Todd Woods,2006 Finally here is a customer service book with no fluff The authors have extensive experience in owning and managing retail operations and franchises They know the challenges and frustratioins of providing service on the front lines because they ve been there and done it themselves This book guides you through a simple six step formula called The Circle of Service This is a system developed and applied in their family business for over fifty years The principles covered can be applied by individuals as well as business organizations of any size You ll enjoy the tips and techniques that have been developed from street smarts rather than a rehash of material from other text books Furthermore you will discover not only is this book a quick read but fun and entertaining as well **He Just Doesn't Get It** Ellen Sue Stern,2001-05-13 Almost every woman has uttered He just doesn t get it in frustration when her partner drives her crazy or to tears Now this dramatically different relationship guide reveals the hidden reasons why He Just Doesn t Get It offers simple solutions to the problems women have with the infuriating confusing difficult and absolutely wonderful guys they love including Why are men so selfish How can they be so oblivious Are men intimacy impaired Will he ever grow up Will he ever understand me and love me in the way I long to be loved Nationally known relationship counselor Ellen Sue Stern has worked with thousands of women who have asked the exact same questions about their boyfriends or husbands regardless of their age background or length of time in a relationship Why is it that men don t make the same effort women do to please their mate improve intimacy or create a more satisfying union Focusing on fifteen of the most common relationship problems Ellen Sue Stern supplies the answers and the unseen motivations underlying men s behavior as if she s been there herself she has She will astonish you with her on target descriptions of how you react to his behavior and how you unwittingly may be making things worse With specific advice on

what to do when he takes you for granted accuses you of acting like his mother or proclaims I need more space she shows you how to turn things around immediately even if He just doesn't get it With counsel that's exciting practical and best of all effective Ellen Sue Stern gives you the power to dramatically improve your relationship and feel better about yourself while you're at it They Just Don't Get It Colonel David Hunt, 2005-04-12 No more politics just the truth about what we can and must do to protect ourselves Fox News military analyst Colonel David Hunt has dedicated his career to fighting terrorism A twenty nine year U S Army veteran he has helped take out an active terrorist camp trained the FBI and Special Forces in counterterrorism tactics and served as security adviser to six different Olympic Games And Colonel Hunt is angry Why Because even after the terrorist attacks on our country and on Americans around the world the people charged with protecting us the politicians and the bureaucrats in military and intelligence still aren't getting the job done They Just Don't Get It provides a much needed wake up call to all Americans As politicians posture and pundits bicker we're losing sight of the fundamental problem We're still not equipped to win the War on Terror In fact the terrorist threat is far worse than we feared as made frighteningly clear by the fifty pages of documents published here for the first time including a shocking manual taken from the terrorists themselves But instead of just complaining Colonel Hunt tells us exactly what we must do without regard to political game playing to emerge victorious in the challenge that history has given us These are changes we can make at every level as individual citizens as a government and as a military power As he shows in this book while the government and our military lead the fight to protect us ordinary citizens can and must contribute They Just Don't Get It reveals What you can do to keep your family safe How many of the government's recent reforms are mere window dressing or worse counterproductive How we can fight this war and still safeguard our civil liberties and the American way of life How to fix the intelligence disaster and yes the politicians in D C still haven't fixed it How we got into this mess in the first place it's mostly because our government let the problem fester for three decades Colonel Hunt is no cautious bureaucrat or finger pointer looking for political gain He is a straight shooter with deep insight into what's happening in the War on Terror on the ground and in the government They Just Don't Get It lays out in clear and compelling terms the steps we must take all of us to win the War on Terror and ensure our survival as a free proud and strong nation From They Just Don't Get It We're fighting a war for our very survival so we'd better figure out how to win That's why I'm writing this book to show us how we can win how we can protect ourselves As a Fox News military analyst I'm paid to offer insight into how our armed forces are conducting the fight against our enemies But this book shows that to win the War on Terror we need to concern ourselves with more than just military tactics For one thing we need to look at what our political leaders are doing The sad truth is that they still don't get it Then there's intelligence You've heard about our intelligence failures but I doubt you know how bad it really is even after the reforms I'm going to tell you And another critical dimension to this story usually gets overlooked what you can do The fact is you can do a lot Hell you must do a lot A selection of American Compass **Nice Girls Just Don't**

Simmons,2008-12-22 There were black bulb looking plungers brown bowl shaped plungers yellow elliptical shaped ones some with short handles and some with longer handles some rubber some plastic Wow do they have any with a graphite shaft Any treated lumber handles Hmmm I wonder which one of these will work the best on my toilet Must I take a clay imprint of the commode bottom Now I was confused unsure if any particular style would fit better or create more suction and push versus another As I stood there studying the design of each one I thought how great it would be if I could try them out You know kind of like kicking the tires on a car before you buy it Doubt I could test one and return it just didnt seem like I should

ask So instead upon impulse I took won of the basic models and jabbed it at my feet onto the floor Yep it stuck pretty dang good this one could work As I tugged on the plungers handle I noticed the rough floor and thought to myself they need to finish repairing these vinyl tiles pretty soon It was at this point that I hear someone from several aisles over yell across the store NO wait *What Women Want* Dr. Gracieta M.
