Five Fingers Review ,1993 **Rereading Russian Poetry** Stephanie Sandler,1999-01-01 Russia's poets hold a special place in Russian culture perhaps revealing more about their country than poets within any other nation In this unique and wide ranging collection of writings on poets and poetic trends in Russia contributors from the United States Britain and Russia examine the place of poetry in Russian culture Through a variety of critical approaches these scholars translators and poets consider a broad cross section of Russian poets from Pushkin to Brodsky Shvarts and Kibirov Commemorating Pushkin Stephanie Sandler,2004 Commemorating Pushkin is a study of the fascination with Pushkin that has helped Russian culture define itself as seen in poems stories essays memoirs films museums and commemorative celebrations A History of Women's Writing in Russia Adele Marie Barker,Jehanne M. Gheith,2002-07-11 A History of Women's Writing in Russia offers a comprehensive account of the lives and works of Russia's women writers Based on original and archival research this volume forces a re-examination of many of the traditionally held assumptions about Russian literature and women's role in the tradition In setting about the process of reintegrating women writers into the history of Russian literature contributors have addressed the often surprising contexts within which women's writing has been produced Chapters reveal a flourishing literary tradition where none was thought to exist They redraw the map defining Russia's literary periods they look at how Russia's women writers articulated their own experience and they reassess their relationship to the dominant male tradition The volume is supported by extensive reference features including a bibliography and guide to writers and their works

The Ends of Theory Jerry Herron, 1996 Featuring diverse disciplines and including creative as well as critical work The Ends of Theory both exemplifies the impact of critical theory and questions its future The sixteen essays in this anthology reflect on the nature and purpose of theoretical work in the humanities and succeed in bridging critical and creative production Contributors include Arthur Danto Paul A Bov Bob Perelman and Steve McCaffery

Russian Postmodernism Mikhail N. Epstein, Alexander A. Genis, Slobodanka Vladiv-Glover, 2016 Recent decades have been decisive for Russia not only politically but culturally as well The end of the Cold War has enabled Russia to take part in the global rise and crystallization of postmodernism This volume investigates the manifestations of this crucial trend in Russian fiction poetry art and spirituality demonstrating how Russian postmodernism is its own unique entity It offers a point of departure and valuable guide to an area of contemporary literary cultural studies insufficiently represented in English language scholarship This second edition includes additional essays on the topic and a new introduction examining the most recent developments

Ehret's first book explores her sense of estrangement from needs and desires and often from her own body as she struggles for identity and definition and the continual recreation of self in intimacy in motherhood and in language. She comes into language as if wading into a foreign element taking the reader into myth, memory, dream, sexual desire and her own imaginative interpretation of ancient hieroglyphic text. **Cumulated Index Medicus**, 1989 *Homo scriptor.
