Anne Thackeray Ritchie Anne Thackeray Ritchie, Lillian F. Shankman, 1994 Peopled with literary figures such as Tennyson Trollope Browning George Eliot Henry James and Virginia Woolf this book provides Anne Thackeray Ritchie's complete journals written in 1864-65 and 1878 an ample selection of her most interesting letters and a number of significant letters written to her Because only a third of each journal has been previously published this collection presents a valuable document of Ritchie's inner life especially the account of her response to her father's death *Punch*, 1849 *Making Trouble* Lynne Segal, 2017-07-25 What happens when angry young rebels become wary older women raging in a leaner meaner time a time which exalts only the new when the ruling orthodoxy daily disparages everything associated with the old Delving into her own life and those who left their mark on it Lynne Segal journeys through time to consider her generation of female dreamers the experiences that formed them what they have left to the world and how they are remembered in a period when pessimism pervades public life Searching for answers she studies her family history sexual awakening and ethnicity as well as the peculiarities of the time and place that shaped her political journey with all its urgency significance pleasures and absurdities *Moral Panics, Sex Panics* Gilbert Herdt, 2009-06-01 Finalist for 2010 LGBT Anthology Award from the Lambda Literary Awards Unwed teen mothers abortion masturbation pornography gay marriage sex trafficking homosexuality and HIV are just a few in a long line of issues that have erupted into panics These sexual panics spark moral crusades and campaigns defining and shaping how we think about sexual and reproductive rights The essays in *Moral Panics Sex Panics* focus on case studies ranging from sex education to AIDS to race and the down low to illustrate how sexuality is at the heart of many political controversies The contributors also reveal how moral and sexual panics have become a mainstay of certain kinds of conservative efforts to win elections and gain power in moral social and political arenas *Moral Panics Sex Panics* provides new and important insights into the role that key moral panics have played in social processes arguing forcefully against the political abuse of sex panics and for the need to defend full sexual and reproductive rights Contributors Cathy J Cohen Diane DiMauro Gary W Dowsett Janice M Irvine Carole Joffe and Saskia Eleonora Wieringa
