Children's Book Prizes Ruth Allen,2019-01-22 First published in 1998 this book is the first comprehensive survey of the awards made to children s books in the English speaking world The Volume covers nearly forty different prizes including well known and established ones such as the Newbury Award prizes instigated by the commercial sector such as the Smarties Prize as well as nationally sponsored awards and prizes for illustrators Detailed lists are provided of the winning titles and where appropriate the runners up in each year that the award has been given Ruth Allen also presents some fascinating and often entertaining insights into the motivations behind awards and how they are views by authors illustrators publishers librarians booksellers and potential purchasers The various criteria applied by judges of these awards are also examined with an assessment of whether they have always achieved the right result This Volume is both a useful guide for adults wishing to buy good books for children and an important tool for those researching the history of the children s book industry

The Fox-Hunting Controversy, 1781-2004 Allyson N. May,2016-03-16 August 1781 saw the publication of a manual on fox hunting that would become a classic of its genre Hugely popular in its own day Peter Beckford s Thoughts on Hunting is often cited as marking the birth of modern hunting and continues to be quoted from affectionately today by the hunting fraternity Less stressed is the fact that its subject was immediately controversial and that a hostile review which appeared on the heels of the manual s publication raised two criticisms of fox hunting that would be repeated over the next two centuries fox hunting was a cruel sport and a feudal anachronistic one at that This study explores the attacks made on fox hunting from 1781 to the legal ban achieved in 2004 as well as assessing the reasons for its continued appeal and post ban survival Chapters cover debates in the areas of class and hunting concerns over cruelty and animal welfare party politics the hunt in literature and nostalgia By adopting a thematic approach the author is able to draw out the wider social and cultural implications of the debates and to explore what they tell us about national identity social mores and social relations in modern Britain

Recreating the Past Lynda G. Adamson,1994-06-30 Spanning grades 1 10 this annotated bibliography of 970 recommended American and world titles published through early 1994 includes adult titles suitable for young readers at least 200 of the titles are award winners In support of interdisciplinary English and social studies curricula librarians and teachers can easily assemble a basic list of books on a geographical place and time period Geographical sections are divided into historical time periods within which entries are organized alphabetically by author Each entry contains both reading and interest grade levels a short incisive annotation about the historical event setting plot protagonist and theme current publication availability and awards won Seven reference appendices allow for easy searching These helpful appendices and an authors a titles and an illustrators index help to make this volume a critical professional tool
