Ideologies of Identity in Adolescent Fiction Robyn McCallum, 2012-10-02 Ideologies of Identity in Adolescent Fiction examines the representation of selfhood in adolescent and children's fiction using a Bakhtinian approach to subjectivity language and narrative The ideological frames within which identities are formed are inextricably bound up with ideas about subjectivity ideas which pervade and underpin adolescent fictions Although the humanist subject has been systematically interrogated by recent philosophy and criticism the question which lies at the heart of fiction for young people is not whether a coherent self exists but what kind of self it is and what are the conditions of its coming into being Ideologies of Identity in Adolescent Fiction has a double focus first the images of selfhood that the fictions offer their readers especially the interactions between selfhood social and cultural forces ideologies and other selves and second the strategies used to structure narrative and to represent subjectivity and intersubjectivity *Coming of Age in Children's Literature* Margaret Meek Spencer, Victor Watson, 2003-11-27 Edited by Morag Styles and written by an international team of acknowledged experts this series provides jargon free critical discussion and a comprehensive guide to literary and popular texts for children Each book introduces the reader to a major genre of children's literature covering key authors major works and contexts in which those texts are published Margaret Meek and Victor Watson provide a profound and revealing examination of the treatment of personal development maturation and rites of passage in literature written for children and adolescents Including a broad survey of the theme across a number of genres and an in depth analysis of the work of key writers the authors work towards an answer to the question What is a classic Margaret Meek is Reader Emeritus at the Institute of Education in London Victor Watson is Assistant Director of Research at Homerton College Cambridge

Alternating Narratives in Fiction for Young Readers Perry Nodelman, 2017-04-17 This book is about the implications of novels for young readers that tell their stories by alternating between different narrative lines focused on different characters It asks if you make sense of fiction by identifying with one main character how do you handle two or more of them Do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers If not how do these novels manage to operate within the parameters of those conventions This book considers answers to these questions by means of a series of close readings that explore the structural educational and ideological implications of a variety of American British Canadian and Australian novels for children and for young adults *The Hillingdon Fox* Jan Mark, 1994 *Understanding Children's Literature* Peter Hunt, 1999 This book provides an introduction to some of the critical theories useful in the study of children's literature The 14 chapters examine the context application and relevance to this area of concepts such as feminism ideology psychoanalysis and literacy studies

H. White,2022-08-16 In *The Goshawk* T H White intricately weaves a profound exploration of the relationship between humans and nature through the lens of falconry Written in a reflective and poetic style the book immerses readers in White s personal journey as he endeavors to train a young goshawk drawing on myth history and a deep understanding of the animal s instincts This narrative transcends mere memoir it positions falconry as a metaphor for control freedom and the often turbulent interplay between civilization and the wild illuminating the psychological and emotional complexities inherent in the act of taming T H White celebrated for his later work *The Once and Future King* was profoundly influenced by his own experiences with nature and a lifelong fascination with the medieval world His background in teaching and his keen sense of observation allow him to capture the nuanced dynamics of the natural world Additionally White s explorations of personal struggle and emotional depth resonate throughout the text as he reflects on isolation companionship and the quest for understanding *The Goshawk* is a must read for anyone intrigued by the themes of mastery and surrender within the natural realm Readers will find themselves captivated by White s vivid descriptions and introspective commentary which make this work not only a study of falconry but also a rich philosophical inquiry This masterful narrative invites us to reconsider our own connections with the untamed aspects of life **People of Today** ,2006 **Middlesex Parish Registers** ,1910 *Names and Addresses of the stockholders of the South Eastern Railway Company registered in the*
