IS FOR QUITTERS Let s face it there are thousands of books out there to help you avoid self destructive behavior but what fun is that Welcome to the first book designed to help you not help yourself Here you ll find unsound advice on everything from engineering a revenge affair to picking the gateway drug that s best for you Chapters include 12 Steps to a Drinking Problem Condoms Are for Suckers How to Lose Way Too Much Weight in 90 Days And more As you travel down the road to self destruction let this hedonistic handbook be your guide It may steer you wrong in fact it s sure to do so but when being wrong is this much fun who wants to be right The Profit Book One Richard David Kennedy,2014-12-03 What do you get when you take a failed novelist a capricious alien a world renowned but debauched evangelist an alcoholic estate manager and mix them together with a half dozen other eccentric characters What you get is distinctly different cocktail called THE PROFIT that you won t be able to order at a bar anywhere The plot is a riddle in an enigma that is so well woven and

imaginative it s almost too simple to understand The content is mature intended for adults who are discerning readers who enjoy fine avant garde literature and bristling social satire particularly about evangelists and their followers and should be appreciated by atheists agnostics and the devoutly religious alike who have open minds The reader is sure to be as captivated as it the Writerman in the book in this most exquisite of his offerings *Identity and Socio-Economic Relations in Luke’s Gospel* Ndekha, Louis,2023-11-29 The book s central argument is that the best way to interpret the Sermon on the Plain in

Luke 6 is to read it as a Greco Roman panegyric whose function was the integration of new members and the inculcation of commonly held values The Sermon s makarisms and woes and their juxtaposition of poverty and richness and exhortation are Luke s attempt to construct a new socio economic identity of Christ followers by supplanting the values of the dominant culture with a new set of values adopted from the status of destitution for both the rich and the poor This results in their common dependence on the Lord for their daily provisions Such reliance on the Lord allows for the koinonia between the rich and the poor among the first century Christ followers This socio economic motif is replicated throughout the Third Gospel and typifies Luke s concept of salvation as a holistic one **Roman Catholicism in Fantastic Film** Regina
