His Own People:

The People's Bible: John Joseph Parker, 1893 **History of His Own Time** Gilbert Burnet, 1857 **Peoples Of All Nations: Their Life Today And Story Of Their Past (in 14 Volumes)** J. A. Hammerton, 2007 *My Absurd Religion* Steve Gray, 2008 **Bishop Burnet's History of His Own Time** Gilbert Burnet, 1838 **Remains ... Containing a Short Account of the Earlier Part of His Own Life** John Leslie (of Huntly.), 1815 **Lectures explanatory of the Diatessaron, or the History of Our Lord and Saviour Jesus Christ, collected from the four Gospels, etc. [By J. D. Macbride.]**, 1835 **The New Testament in Antiquity, 2nd Edition** Gary M. Burge, Gene L. Green, 2020-04-14 This completely revised and updated second edition of *The New Testament in Antiquity* skillfully develops how Jewish Hellenistic and Roman cultures formed the essential environment in which the New Testament authors wrote their books and letters. Understanding of the land history and culture of the ancient world brings remarkable new insights into how we read the New Testament itself. Throughout the book numerous features provide windows into the first century world. Nearly 500 full color photos, charts, maps, and drawings have been carefully selected. Additional features include sidebars that integrate the book's material with issues of interpretation, discussion questions, and bibliographies.

Saint Paul Elliott C. Maloney, 2014-02-28 In *Saint Paul* Elliott C. Maloney explores what the great saint says about the spiritual life, the how to in the day to day activities and concerns of Christians. How should people live in covenant relationship with God committed to seeking God's will in every aspect of their lives? Spirituality is a popular topic but it is regarded as merely one part of life, some higher level of living when compared to ordinary living. Even Catholic scholarship Maloney argues notable as it is in Pauline exegesis and theology seems to lack a feel for the overall kind of living that Paul wanted for his communities: not to mention how we might appropriate such wisdom for today. For Paul, all of a believer's life is spiritual life. The alternative is a life according to the flesh, a self-centered life without God, a continual spiritual death. Based on over forty years of teaching and study of the Pauline letters, Maloney's *Saint Paul* offers a rich vision of Christianity and the spiritual life in Christ.

Old Testament Theology Robin Routledge, 2020-05-21 Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge's aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exegesis and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today
