George Townsend ...** John Foxe, 1837 **Calvin's Doctrine of the Work of Christ** J Jansen, 2022-01-27 The revival of interest in the Protestant Reformation in the mid twentieth century was marked by several studies of John Calvin J F Jansen however noted that these had shed new light on almost every aspect of his thought except that which lies at the heart of his theology the doctrine of Christ's work In Calvin's Doctrine of the Work of Christ Jansen corrects this omission providing a fresh study of Calvin's work in this area with special reference to his exegetical writings Besides critiquing Calvin's development of the doctrine he also examines the traditional theological formula of the three offices of Christ as prophet priest and king Reacting against the return to this formula by contemporary theologians such as Emil Brunner he shows that an alternative conception of Christ's work is possible **The Works of John Owen** John Owen, 1862 **Pro Rege** Abraham Kuyper, Albert Gootjes, Jordan J. Ballor, Melvin Flikkema, 2017-03-22 Abraham Kuyper firmly believed that Jesus Christ was King not just of Christians but of the entire cosmos In volume two of Pro Rege he continues his analysis of the extent to which Christ rules first in the human heart then in the life of the church and continuing to the life of the Christian family Kuyper believed that it was nonsense to distinguish between life inside and outside of church walls Here he shows that although the Jesus kingship has been denied and denigrated Christ still exerts his power in the world through his people This new translation of Pro Rege created in partnership with the Abraham Kuyper Translation Society and the Acton Institute is part of a major series of new translations of Kuyper's most important writings The Abraham Kuyper Collected Works in Public Theology marks a historic moment in

Edwards, 2021-07-30 My assignment to write this collection of prophetic exposés on the subject of Binding The Strongman was given to me by God It is to publicly expose some of the deceitful teachings in the Body of Christ that have been planted therein by Satan One is the apostolic session of the bishops which is his attack on God's Kingdom governmental order another is his attack on God's first ranking officers His apostles as well as a number of other issues the Lord had me to address proving that His apostles are more than just a function and that His Apostles are not just a Proverb Prophetic exposés are spiritual messages given by a prophet that publicly exposes the wicked works of Satan which he has perpetrated against God's Kingdom on Planet Earth During this writing process I was spiritually confronted many times about how these messages would affect those I know and love in the various Christian ministries However the messages the Lord has given in this body of work are too precious to Him and are vital to His Body the Church therefore I dare not allow them to be squashed or silenced by the enemy For our Lord has said these truths must be delivered to and taught to this generation He does not want another generation growing up with these lies and deception of the past and that is why He is bringing correction now to His Church The lies and deceptions must be uncovered challenged and destroyed now to undo centuries of satanic anarchy in our assemblies God's Word of truth order and rulership is being restored and reestablished in His Church The purposes of these articles are that the brethren be strengthened by the teachings herein Hence I challenge you to gird up your loins with God's truth God is calling forth the apostles to take their God-ordained place as His first ranking officers in His Church and in His Kingdom We are to move forward to fulfill the mandate of God addressed in the articles written in this book **BINDING THE STRONGMAN A Collection of Prophetic Exposés** Christ's kingdom on earth Jas L.
