We have all experienced miracles. An incredible chance encounter that changes everything. Help that suddenly appears from nowhere. Kindness handed to us when it is least expected. In *Christmas Miracles*, Karen Kingsbury presents real-life stories about people whose lives were changed by the wonder of Christmas. Every December we look back and marvel at the design of God and see His fingerprints at work in our lives over the past year. Then, with hearts full of hope, we wait in expectation for the miracle of that holy silent night **God in the Movies** Andrew M. Greeley, 2017-07-05 The religious imagination is alive and well in the movies. Contrary to those who criticize Hollywood popular movies, very often have metaphorically represented God on the screen. From Clint Eastwood as an avenging angel in *Pale Rider* and Nicolas Cage as a lovesick angel in *City of Angels* to Jessica Lange as an angel of death in *All That Jazz* and from George Burns as God in *Oh God* to Audrey Hepburn in *Always* to pure white light in *Fearless* and *Flatliners*, God is very much present in the movies The National Quarterly Review, 1862 Fight Your Fears Kristen Wetherell, 2020-02-18 What are you afraid of? You could probably fill this page with a list of your fears. Fears about the future, fears about your health, job, and family, fears about inadequacy and failure, and maybe success, fears about how much fear itself seems to affect your decisions, plans, and growth in this life. You might even fear what God thinks about your fears. After all, in His Word, God commands us not to be afraid hundreds of times. But how is this possible? We're troubled by evil, we're slammed with bad news, and we can't know what tomorrow will bring. How can we learn to trust God and not be afraid? Kristen Wetherell is in the fight with you. She is a fearful fellow traveler on the road of the Christian life, making strides alongside you in this battle. In *Fight Your Fears*, she carefully searches 10 of God's great and precious promises, equipping you with the practical tools to overcome the fears and anxious thoughts that are robbing you of your joy. Each chapter ends with Scripture exercises, a memory verse, questions to ponder, and a prayer. Discover truths that will bring peace to your soul as you learn to fear God and nothing else *A Son of the Soil* Mrs. Oliphant, 2019-12-12 In *A Son of the Soil*, Mrs. Oliphant presents a poignant exploration of rural life and the conflicts that arise from social change in 19th-century Scotland. The novel intricately weaves vivid descriptions of the natural landscape with profound psychological insights, showcasing Oliphant's mastery of character-driven narratives. Her literary style combines elements of realism with lyrical prose, emphasizing the struggles of individuals against the backdrop of their environment. The book reflects the tensions between traditional agrarian existence and the encroaching forces of modernization, making it a significant contribution to the social novel genre of its time. Mrs. Margaret Oliphant, a prolific author and a contemporary of George Eliot, often drew from her own experiences living in a rapidly changing society. Raised in a Scottish Presbyterian family, she imbued her works with moral depth and a keen understanding of human nature. Oliphant faced personal tragedies, including the loss of her husband, which illuminated

her writing with themes of resilience and community Her intimate connection to the Scottish landscape and its people informed the tapestry of characters in *A Son of the Soil* reflecting both her deep empathy and acute social observation Readers seeking a richly detailed and emotionally resonant portrayal of rural life will find *A Son of the Soil* an invaluable addition to their literary exploration Oliphant's nuanced characters and evocative prose invite reflection on the complexities of identity belonging and the impact of change resonating with those interested in the interplay between individuals and their environments This novel is not merely a story it is a mirror to the human condition urging readers to contemplate their own connections to the land and community
