

HISPANIC, FEMALE AND YOUNG: AN ANTHOLOGY

EDITED BY PHYLLIS TASHLIK

Hispanic Female And Young An Anthology

Isabel Schon

Hispanic Female And Young An Anthology:

Hispanic, Female and Young: An Anthology Phyllis Tashlik, 1994-01-01 To be young female and Latina in the kaleidoscopic world of New York City is the reality Phyllis Tashlik captured in this multifaceted volume The voices that speak through its pages are Las Mujeres Hispanas a group of Latina teenagers at Manhattan East a public alternative school in New York City s El Barrio They met throughout the course of a year to read and discuss their reactions to the works of renowned female Hispanic authors as well as the concerns born from their own identities Individually and as a collectivity they went on to write poems stories essays and interviews with prominent Latinas Hispanic Female and Young An Anthology the result of these endeavors is an anthology of both Las Mujeres creative efforts and the literature that inspired them It combines the fresh perspectives of the younger women with those of such seasoned prize winning authors as Lorna Dee Cervantes Judith Ortiz Cofer Roberta Fern ndez Nicholasa Mohr Pat Mora and many more The resulting intergenerational dialogue includes remembrances of family and childhood the difficulties and joys of growing up bilingual and bicultural and what it is like to deal with both racism and misogyny Hispanic Female and Young will set milestones for young Latino audiences on their roads to self discovery and for more mature readers in their nostalgic pilgrimage to the past It is a celebration of youth and of America s ethnic diversity *Hispanic, Female and Young* Phyllis Tashlik, 1994-09-01 Comments by a group of Latina teenagers from a New York City alternative school accompany a selection of writings by female Hispanic authors *The Routledge Companion to Latino/a Literature* Suzanne Bost, Frances R. Aparicio, 2013 The Routledge Companion to Latino a Literature presents over forty essays by leading and emerging international scholars of Latino a literature and analyses Regional cultural and sexual identities in Latino a literature Worldviews and traditions of Latino a cultural creation Latino a literature in different international contexts The impact of differing literary forms of Latino a literature The politics of canon formation in Latino a literature This collection provides a map of the critical issues central to the discipline as well as uncovering new perspectives and new directions for the development of this literary culture

Latino Writers and Journalists Jamie Martinez Wood, 2014-05-14 Provides short biographies of Latino American writers and journalists and information on their works A Latino Heritage, Series V Isabel Schon, 1995 An aid for librarians and teachers interested in exposing students in kindergarten through high school with an understanding and appreciation of the people history and art and political social and economic problems of Central and South American countries and Latino heritage people in the United States *Reading U.S. Latina Writers* A. Quintana, 2003-03-18 This essential teaching guide focuses on an emerging body of literature by U S Latina and Latin American Women writers It will assist non specialist educators in syllabus revision new course design and classroom presentation The inclusive focus of the book that is combining both US Latina and Latin American women writers is significant because it introduces a more global and transnational way of approaching the literature The introduction outlines the major historical experiences that inform the

literature the important genres periods movements and authors in its evolution the traditions and influences that shape the works and key critical issues of which teachers should be aware The collection seeks to provide readers with a variety of Latina texts that will guarantee its long term usefulness to teachers and students of pan American literature Because it is no longer possible to understand U S Latina literature without taking into consideration the histories and cultures of Latin America the volume will through its organization argue for a more globalized type of analysis which considers the similarities as well as the differences in U S and Latin American women s cultural productions In this context the term Latina evokes a diasporic transnational condition in order to address some of the pedagogical issues posed by the bicultural nature which is inherent in pan American women s literature *Bibliographic Guide to Chicana and Latina Narrative* Kathy

Leonard,2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years Nonetheless there has been little attempt to catalog this material This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002 In doing so it helps users locate these works and surveys the growth of this vast body of literature The volume cites more than 2 750 short stories novels novel excerpts and autobiographies written by some 600 Mexican American Puerto Rican Cuban American Dominican American and Nuyorican women authors These citations are grouped in five indexes an author title index title author index anthology index novel index and autobiography index Short annotations are provided for the anthologies novels and autobiographies Thus the user who knows the title of a work can discover the author the other works the author has written and the anthologies in which the author s shorter pieces have been reprinted along with information about particular works Latin American Women Writers Kathy S. Leonard,2007-09-19 There is a wealth of published

literature in English by Latin American women writers but such material can be difficult to locate due to the lack of available bibliographic resources In addition the various types of published narrative short stories novels novellas autobiographies and biographies by Latin American women writers has increased significantly in the last ten to fifteen years To address the lack of bibliographic resources Kathy Leonard has compiled *Latin American Women Writers A Resource Guide to Titles in English* This reference includes all forms of narrative short story autobiography novel novel excerpt and others by Latin American women dating from 1898 to 2007 More than 3 000 individual titles are included by more than 500 authors This includes nearly 200 anthologies more than 100 autobiographies biographies or other narrative and almost 250 novels written by more than 100 authors from 16 different countries For the purposes of this bibliography authors who were born in Latin America and either continue to live there or have immigrated to the United States are included Also titles of pieces are listed as originally written in either Spanish or Portuguese If the book was originally written in English a phrase to that effect is included to better reflect the linguistic diversity of narrative currently being published This volume contains seven indexes Authors by Country of Origin Authors Titles of Work Titles of Work Authors Autobiographies Biographies and Other Narrative

Anthologies Novels and Novellas in Alphabetical Order by Author and Novels and Novellas by Authors Country of Origin Reflecting the increase in literary production and the facilitation of materials this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market This work of reference will be of special interest to scholars students and instructors interested in narrative *A Latino Heritage* Isabel Schon,1995 Latina and Latino Voices in Literature Frances A. Day,2003-05-30 This revised edition of an award winning resource celebrates the lives and works of 35 Latina and Latino authors who write for today's young readers Expanded to include 12 additional authors updated information on the original 23 authors profiled and 135 new titles this comprehensive reference tool helps teachers librarians and parents stay current on one of the most dynamic areas of contemporary literature Both established and emerging voices are profiled Personal quotes and photographs introduce each biographical essay presenting information gathered through interviews personal communications and research A complete list of all books and works written by the author is included along with publication information Annotations are provided for most of the titles along with information on major themes awards won and recommended age levels Evaluating Books for Bias provides helpful guidelines for examining and selecting books from a pluralistic perspective Appendices offer further helpful information about the field including special awards honoring books by Latinas and Latinos a calendar of holidays and special days celebrated by the Latino community and listings of related resources and organizations The author has also compiled ideas for classroom activities and ways for librarians to extend the literary experience A title index and extensive topic index including themes curricular areas and genres help in planning story sessions and study units This is a multipurpose resource for anyone who wants to help young readers connect with contemporary literature in a meaningful way

The Trouble with Tessa Ofelia Dumas Lachtman,2005-01-01 After Tessa's father inexplicably makes her change her summer plans she spends the summer wondering what he is hiding experimenting with magic spells and making a new friend *Managing Diversity -- The Courage to Lead* Elsie Y. Cross,2000-04-30 White women and people of color now constitute the majority of the U S workforce yet ninety seven percent of senior managers of Fortune 500 and Fortune 1 000 industrial companies remain white men It's clear that leaders of American organizations are required to play key roles in a world that has become strange to them says Cross To succeed in an increasingly competitive global environment our organizational leaders must have the courage to act outside their comfort zones to try to understand interact with motivate develop and retain a work force that is alien to them Cross book provides the practical assistance they need Because racism sexism and other forms of oppression are not rational help cannot be found wholly in rationalism Such biases arise from emotional and psychological bases Our leaders are thus forced to confront their barriers within barriers that exist at every level of their organization Cross uses her own experiences as an African American woman and as an experienced and recognized management consultant to demonstrate how oppression functions at the individual group and systems levels but

her book is not a memoir Rather it is a sophisticated explication of a complex and complete system of organizational change with case studies and other useful aids which if fully grasped will enable courageous leaders to succeed in understanding and dealing effectively with the urgent crosscultural and gender issues in the workplace Teaching through Culture: Strategies for Reading and Responding to Young Adult Literature Joan Parker Webster,2002-10-31 In an increasingly multicultural global community teachers are striving to bring more culturally responsive materials to their classrooms In this trailblazing text Joan Parker Webster provides instructors with the basic tools to teach young adults Hispanic literature using selected texts and tailored methods for implementation in classes made up of culturally diverse students She has chosen exemplary narrative works from some of the most respected authors of Latino literature Teaching through Culture introduces teachers to key texts while providing ancillary information and methods to make teaching and reading experiences effective A culturally responsive teacher builds on students prior knowledge and employs appropriate styles of communication and interaction to engage students in learning Parker Webster affirms that the use of texts that provide cultural connections is the most successful way to actively engage diverse learners and improve their comprehension When students can see themselves in the stories they read they encounter familiar ideas and situations which lessen an often overwhelming and intimidating school environment In each chapter Joan Parker Webster provides the historical and cultural context for each text and applies strategies for understanding and teaching the text in the classroom Each chapter is divided into the following sections Synopsis of the Story Background before You Read Reading and Responding to the Story Working with Words and Connecting across the Curriculum Webster presents the works of such authors as Anil Bernardo Diane Gonzales Bertrand Judith Ortiz Cofer Ofelia Dumas Lachtman Floyd Martinez and Tomas Rivera *Raising Nuestros Ninos* Gloria G. Rodriguez,1999-05-26 Our Children is the first book published in English or Spanish to address the specific needs of Latino parents A complete hands on guide for caregivers of children from birth through preadolescence it provides practical information and helpful advice on History Traditions and Culture Our Children helps Hispanic parents explore their rich history and colorful traditions and unique culture and shows them how to use Latino culture and values to enrich their children's growth and development as well as enhance their pride and self esteem Cognitive Concerns and Social Customs and Skills Our Children covers topics from using traditional Hispanic games and songs in teaching basic skills to preparing bilingual and monolingual children for school Marriage Family and Community Particularly for working parents who must negotiate new roles and responsibilities here are words of wisdom on how to strengthen and maintain these foundations Copyright Libri GmbH All rights reserved Latina and Latino Voices in Literature for Children and Teenagers Frances Ann Day,1997 Highlighting the lives and careers of writers whose cultural roots are embedded in a variety of racial ethnic regional and religious traditions the book not only makes it easier to locate their work it provides insights into their writing styles motivations and points of view **A Promise to Keep** Mario Bencastro,2005-11-30 Sixteen year old Sergio struggling

to honor his grandfather's wish to be buried in El Salvador undertakes a journey filled with unexpected disasters triumphs and the memory of his beloved Abuelo

Dance Between Two Cultures William Luis, 2001 Offers insights on Latino Caribbean writers born or raised in the United States who are at the vanguard of a literary movement that has captured both critical and popular interest In this groundbreaking study William Luis analyzes the most salient and representative narrative and poetic works of the newest literary movement to emerge in Spanish American and U S literatures The book is divided into three sections each focused on representative Puerto Rican American Cuban American and Dominican American authors Luis traces the writers origins and influences from the nineteenth century to the present focusing especially on the contemporary works of Oscar Hijuelos Julia Alvarez Cristina Garcia and Piri Thomas among others While engaging in close readings of the texts Luis places them in a broader social historical political and racial perspective to expose the tension between text and context As a group Latino Caribbeans write an ethnic literature in English that is born of their struggle to forge an identity separate from both the influences of their parents culture and those of the United States For these writers their parents country of origin is a distant memory They have developed a culture of resistance and a language that mediates between their parents identity and the culture that they themselves live in Latino Caribbeans are engaged in a metaphorical dance with Anglo Americans as the dominant culture Just as that dance represents a coming together of separate influences to make a unique art form so do both Hispanic and North American cultures combine to bring a new literature into being This new body of literature helps us to understand not only the adjustments Latino Caribbean cultures have had to make within the larger U S environment but also how the dominant culture has been affected by their presence

Insider's Guide to Book Editors, Publishers, and Literary Agents, 1996-1997 Jeff Herman, 1995-10-25 No other book gives aspiring authors the inside scoop on the names and specialties of acquisitions editors This vital information makes all the difference when submitting a book proposal or manuscript by keeping writers of all genres on top of the rapidly changing world of publishing Who's moved where who's new to the scene who's gone for good it's all here in one big volume

Books for You National Council of Teachers of English, Urbana, IL., 1995 Designed to help teachers students and parents identify engaging and insightful books for young adults this book presents annotations of over 1 400 books published between 1994 and 1996 The book begins with a foreword by young adult author Chris Crutcher a former reluctant high school reader that discusses what books have meant to him Annotations in the book are grouped by subject into 40 thematic chapters including Adventure and Survival Animals and Pets Classics Death and Dying Fantasy Horror Human Rights Poetry and Drama Romance Science Fiction War and Westerns and the Old West Annotations in the book provide full bibliographic information a concise summary notations identifying world literature multicultural and easy reading title and notations about any awards the book has won Appendixes present lists of award winning works of poetry fiction drama and nonfiction for the years 1994 through 1997 a list of approximately 500 multicultural titles a 94 item list of world literature titles and directions on how to order

Hispanic Female And Young An Anthology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Hispanic Female And Young An Anthology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Hispanic Female And Young An Anthology has opened up a world of possibilities. Downloading Hispanic Female And Young An Anthology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Hispanic Female And Young An Anthology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Hispanic Female And Young An Anthology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Hispanic Female And Young An Anthology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Hispanic Female And Young An Anthology, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Hispanic Female And Young An Anthology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Hispanic Female And Young An Anthology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Hispanic Female And Young An Anthology is one of the best book in our library for free trial.
